Recuerdos de la vida literaria Manuel Gálvez, 1961 **Sex & Danger in Buenos Aires** Donna J. Guy, 1991-01-01 A study of prostitution necessarily examines questions of power class gender and public health In Sex and Danger in Buenos Aires these questions combine with particular force During most of the time covered in this provocative book from the late nineteenth century well into the twentieth prostitution was legal in Argentina Fears and anxieties concerning the effect of female sexual commerce on family and nation were rampant Donna J Guy looks at many aspects of the debate that followed an escalating demand for prostitutes by Argentines and European immigrants She discusses the widespread fear of white slavery the merits of medically supervised municipal houses of prostitution the rights of local governments to restrict the civil liberties of citizens and foreigners the censorship of literature and music dealing with the plight of prostitutes and the potential criminality of unsupervised working women who might abandon their families Guy also describes attempts to deal with female prostitution rehabilitation modifications of municipal bordello laws and medical programs to prevent the spread of venereal disease She makes clear that the treatment of marginal women by liberal politicians and doctors helped promoted policies of repression and censorship that would later be extended to other unacceptable social groups Her study of how both local and national government in Argentina dealt with these women reveals important links between gender politics and economics *Recuerdos de la vida literaria: Entre la novela y la historia* Manuel Gálvez, 1961 **Escritos sobre**

literatura argentina Beatriz Sarlo, 2019-11-20 Por qué seguimos leyendo los escritos de Beatriz Sarlo sobre literatura argentina Por su condición de voz autorizada para repensar nuestro canon nacional ese corpus selecto que genera aceptación pero también encontramos o más bien porque encontramos en sus textos cada vez que volvemos a ellos una lectura generosa en recursos de interpretación una lectura que va más allá de la crítica literaria entendida como un metalenguaje que descifra a las claves de una obra Bajo la mirada de Beatriz Sarlo un libro de poemas una novela o un ensayo nunca pierden su espesor propio pero empiezan a dialogar con el clima de época con el resto de los discursos sociales y los consumos culturales con las condiciones de escritura con la posición estética e ideológica de cada autor con sus ambiciones y sus búsquedas con los lectores que imagina o desea Estos textos escritos entre 1980 y la actualidad pueden leerse como el desarrollo y el drama de la formación de un país De Sarmiento y el origen de la cultura argentina a la consolidación de la profesión de escritor del carácter cosmopolita y criollo de Borges a la poética inigualable de Saer de Tizón a Fogwill de Victoria Ocampo a Juana Bignozzi de Sergio Chejfec a Alejandro López Romina Paula y Washington Cucurto la autora dibuja el mapa de la literatura escrita en la Argentina desde el siglo XIX hasta nuestro presente En combate contra el conformismo y los lugares comunes de la crítica su escritura encara figuras indiscutidas y escritores minoritarios temas censurados y aspectos soslayados desagracias y lealtades Ejemplo activo de toma de partido y de memoria Escritos sobre literatura argentina reñe la producción de una intelectual empecinada en comprender las relaciones entre la literatura la cultura popular y la sociedad Recuerdos literarios: datos para la historia literaria de la América española i del progreso intelectual en Chile José Victorino

Transformations and Crisis of Liberalism in Argentina, 1930-1955 Jorge A. Nállim, 2014-08-14 Nállim chronicles the decline of liberalism in Argentina during the volatile period between two military coups the 1930 overthrow of Hipólito Yrigoyen and the deposing of Juan Perón in 1955 While historians have primarily focused on liberalism in economic or political contexts Nállim instead documents a wide range of locations where liberalism was claimed and ultimately marginalized in the pursuit of individual agendas Nállim shows how concepts of liberalism were espoused by various groups who invented traditions to legitimize their methods of political religious class intellectual or cultural hegemony In these deeply fractured and corrupt processes liberalism lost political favor and alienated the public These events also set the table for Peronism and stifled the future of progressive liberalism in Argentina Nállim describes the main political parties of the period and deconstructs their liberal discourses He also examines major cultural institutions and shows how each attached liberalism to their cause Nállim compares and contrasts the events in Argentina to those in other Latin American nations and reveals their links to international developments While critics have positioned the rhetoric of liberalism during this period as one of decadence or irrelevance Nállim instead shows it to be a vital and complex factor in the metamorphosis of modern history in Argentina and Latin America as well
