American Indian Literatures of the United States Since 1945 is the first major volume of its kind to focus on Native literatures in a postcolonial context. Written by a team of noted Native and non Native scholars, these essays consider the complex social and political influences that have shaped American Indian literatures in the second half of the twentieth century, with particular emphasis on core themes of identity, sovereignty, and land. In his essay comprising part I of the volume, Eric Cheyfitz argues persuasively for the necessary conjunction of Indian literatures and federal Indian law, from Apsákwika to Alexie. Part II is a comprehensive survey of five genres of literature: fiction, Arnold Krupat and Michael Elliott poetry, Kimberly Blaeser drama, Shari Huhndorf nonfiction, David Murray and autobiography, Kendall Johnson, and discusses the work of Vine Deloria Jr, N Scott Momaday, Joy Harjo, Simon Ortiz, Louise Erdrich, Leslie Marmon Silko, Gerald Vizenor, Jimmy Santiago Baca, and Sherman Alexie among many others. Drawing on historical and theoretical frameworks, the contributors examine how American Indian writers and critics have responded to major developments in American Indian life and how recent trends in Native writing build upon and integrate traditional modes of storytelling. Sure to be considered a groundbreaking contribution to the field, *The Columbia Guide to American Indian Literatures of the United States Since 1945* offers both a rich critique of history and a wealth of new information and insight.

Warrior Woman James Alexander Thom, Dark Rain Thom, 2007-12-18

A bestselling master of historical fiction, James Alexander Thom has brought unforgettable Native American figures to life for millions of readers, powerfully dramatizing their fortitude, fearsomeness, and profound fates. Now he and his wife Dark Rain have created a magnificent portrait of an astonishing woman, one who led her people in war when she could not persuade them to make peace. Her name was Nonhelema. Literate, lovely, imposing at over six feet tall, she was the Women's Peace Chief of the Shawnee Nation and already a legend when the most decisive decade of her life began in 1774. That fall, with more than three thousand Virginians poised to march into the Shawnees' home, Nonhelema's plea for peace was denied. So she loyally became a fighter, riding into battle covered in war paint. When the Indians ran low on ammunition, Nonhelema's role changed back to peacemaker; this time tragically. Negotiating an armistice with military leaders of the American Revolution like Daniel Boone and George Rogers Clark, she found herself estranged from her own people and betrayed by her white adversaries, who would murder her loved ones and eventually maim Nonhelema herself. Throughout her inspiring life, she had many deep and complex relationships, including with her daughter Fani, who was an adopted white captive, a pious and judgmental missionary, Zeisberger, a series of passionate lovers, and in a stunning creation of the Thom's, Justin Case, a cowardly soldier transformed by the courage he saw in the female Indian leader. Filled with the uncanny period detail and richly rendered drama that are Thom trademarks, *Warrior Woman* is a memorable novel of a remarkable person, one willing to fight to avoid war by turns tough and tender, whose heart was too big for the world she wished to tame.
