*Valkyrie: Dragons and Kings RISE TO RIGHTS* John A. Honea and Mikaela A. Case, 2023-06-23. This is a story of a misguided youth and his two brothers. After a time in hibernation, he had felt God had abandoned them and set out to destroy all of mankind during the time of the flood of Noah. The misguided boy reawakened in the modern day and later met up with a strange man in Greece, making his brothers follow suit. His life is rattled with joy, pain, anger, hate, and love. Will his brothers betray him, or will they follow with his evil ways? Will he realize that God was with him the whole time? Will the boy fall for Satan's lies and part from God for good? Will he and his family make it off of Earth before God destroys it, or will the boy be trapped by his sins. Culture and Customs of Taiwan Gary M. Davison, Barbara Reed, 1998-09-24. Taiwanese society is in the midst of an immense, exciting effort to define itself, seeking to erect a contemporary identity upon the foundation of a highly distinctive history. This book provides a thorough overview of Taiwanese cultural life. The introduction familiarizes students and interested readers with the island's key geographical and demographic features and provides a chronological summary of Taiwanese history. In the following chapters, Davison and Reed reveal the uniqueness of Taiwan and do not present it simply as the laboratory of traditional Chinese culture that some anthropologists of the 1950s through the 1970s sought when mainland China was not accessible. The authors examine how religious devotion in Taiwan is different from China in that the selected deities are those most relevant to the needs of the Taiwanese people. Literature and art, particularly of the 20th century, reflect the Taiwanese quest for identity more than the grand Chinese tradition. The Taiwanese architecture, festivals, and leisure activities, music, and dance, cuisine, and fashion are also highlighted topics. The final chapter presents the most recent information regarding children and education and explores the importance of the Taiwanese family in the

context of meaningful relationships amongst acquaintances friends and institutions that make up the social universe of the Taiwanese This text is a lively treatment of one of the world s most dynamic societies      **A Wreck of Dragons** Elaine Isaak,2023-02-07 Teens and their giant robots search for a new home for mankind but the planet they discover belongs to the dragons Two hundred years after the Climate Wars left Earth uninhabitable Johari and his giant robot companion lead a squad of scouts on a quest for a new Goldilocks planet to settle the remnants of the human race When one of the scouts and his bot go down in a hostile wilderness Johari s fight to save them reveals complex behavior in the dragon like dominant species The scout team fragments as Johari strives to rescue his friends and discover the truth about the aliens If he s right mankind will lose its best hope for a home or sacrifice its own humanity
