Last Human Doug Naylor, 2020-02-06 Lister gazed out of the porthole and catalogue the series of disasters that had led him to this point in space and time the bad decisions the poor career choices the unreliable friendships that had led him here on a prison ship bound for the most inhospitable penal colony in the outer cosmos and all he'd ever wanted was to be a soft metal guitar icon

Red Dwarf: Discovering the TV Series Tom Salinsky, 2024-11-30 Explores the unique journey of the long running British sitcom detailing its creation cast changes and enduring legacy through critical analysis and behind the scenes insights Red Dwarf is virtually unique among British sitcoms It began in 1988 and was still releasing new episodes in 2020 making it one of the longest running sitcoms of all time but the core cast has remained largely unchanged And its science fiction flavor contrasts strongly with the drawing rooms and sofas which were the norm when it launched and the fast cut mockumentary style which is popular today And yet this is a show which nobody wanted to make and which only barely made it to our screens at all In this work Tom Salinsky will look at exactly how it came to be who was considered for the cast but didn't make it how it was radically reinvented for the third sixth seventh ninth and tenth seasons how it survived the breakup of its key creative partnership the loss of the original spaceship models BBC strikes the departure of a major cast member and the seemingly self defeating rules which the writers imposed on themselves But this isn't just a behind the scenes account It's also a detailed critical analysis examining why the best episodes succeed and why the less impressive episodes struggle while also finding time to ask just how a hologram made of light can smell burning camphor wood why a creature evolved from a cat is familiar with Wilma Flintstone or just how long Lister and Kochanski were dating for How can all this possibly be contained in one book It can't Volume I will cover the first six series and Volume II will conclude the story of Red Dwarf on television as well as looking at the novels comic strips computer games and more
