Red Emma Speaks An Emma Goldman Reader:

Red Emma Speaks Alix Kates Shulman, 2012-04-03 DIVDIVA comprehensive collection of writings and lectures by one of twentieth century America's most important political activists with two essays by editor Alix Kates Shulman a leader of feminism's second wave divDIV divDIVEmma Goldman's fiery speeches and essays made her a household name in the early 1900s Collected here are the most significant of her writings supplemented with an essay on Goldman's feminist politics and a short biography both by bestselling author Alix Kates Shulman Including both published and previously unpublished works Red Emma Speaks is an important historical volume and a fascinating look at the life and times of a major early feminist figure div div Red Emma Speaks Emma Goldman, 1996 Offering a composite of the life of the notorious anarchist feminist revolutionary Emma Goldman this collection includes nine of her essays sections from her autobiography and over 16 other pieces ranging from anarchism sex and prostitution to prisons religion violence and war *Reframing the Reclaiming of Urban Space* Megan E. Heim LaFrombois, 2017-11-30 In *Reframing the Reclaiming of Urban Space A Feminist Exploration into Do It Yourself Urbanism* in Chicago Megan E Heim LaFrombois explores the concept of do it yourself DIY urbanism from an intersectional feminist analytical framework Interventions based on DIY urbanism are small scale and place specific and focus on urban spaces which can be reclaimed and repurposed often outside of formal urban planning institutions Heim LaFrombois examines the discourses and processes surrounding the institutionalized and embedded nature of DIY urbanism She weaves together sites and sources to reveal the ways in which DIY urbanists make sense of their participation and experiences with DIY urbanism and with the broader political social and economic contexts and spaces in which these activities take place Her research findings contribute to and build on current research that illustrates the importance of gender race class and sexuality to cities local politics urban planning initiatives and the development of communities *The Claims of Experience* Nolan Bennett, 2019-08-21 Why have so many figures throughout American history proclaimed their life stories when confronted by great political problems *The Claims of Experience* provides a new theory for what makes autobiography political throughout the history of the United States and today Across five chapters Nolan Bennett examines the democratic challenges that encouraged a diverse cast of figures to bear their stories Benjamin Franklin amid the revolutionary era Frederick Douglass in the antebellum and abolitionist movements Henry Adams in the Gilded Age and its anxieties of industrial change Emma Goldman among the first Red Scare and state opposition to radical speech and Whittaker Chambers amid the second Red Scare that initiated the anticommunist turn of modern conservatism These historical figures made what Bennett calls a claim of experience By proclaiming their life stories these authors took back authority over their experiences from prevailing political powers and called to new community among their audiences Their claims sought to restore to readers the power to remake and make meaning of their own lives Whereas political theorists and activists have often seen autobiography to be too individualist or a mere documentary source of evidence this theory reveals

the democratic power that life narratives have offered those on the margins and in the mainstream If they are successful claims of experience summon new popular authority to surpass what their authors see as the injustices of prevailing American institutions and identity Bennett shows through historical study and theorization how this renewed appreciation for the politics of life writing elevates these authors distinct democratic visions while drawing common themes across them This book offers both a method for understanding the politics of life narrative and a call to anticipate claims of experience as they appear today Rosa Luxemburg and Emma Goldman Joan Nordquist,1996 *Encyclopedia of Women and American Politics, Third Edition* Lynne Ford,2021-07-01 Encyclopedia of Women and American Politics Third Edition contains all the material a reader needs to understand the role of women throughout America s political history This informative A to Z volume contains hundreds of entries covering the people events and terms involved in the history of women and politics Entries include Abortion Alexandria Ocasio Cortez The birth control movement Black Lives Matter Hillary Rodham Clinton Deb Haaland Domestic violence Equal Rights Amendment ERA Glass ceiling League of Women Voters MeToo movement Michelle Obama Sonia Sotomayor Elizabeth Warren and many more **What's Queer about Europe?** Mireille Rosello,Sudeep Dasgupta,2014-02-03 What s Queer about Europe examines how queer theory helps us initiate disorienting conjunctions and counterintuitive encounters for imagining historical and contemporary Europe This book queers Europe and Europeanizes queer forcing a reconsideration of both Its contributors study Europe relationally asking not so much what Europe is but what we do when we attempt to define it The topics discussed include gay marriage in Renaissance Rome Russian anarchism and gender politics in early twentieth century Switzerland colonialism and sexuality in Italy queer masculinities in European popular culture queer national identities in French cinema and gender theories and activism What these apparently disparate topics have in common is the urgency of the political legal and cultural issues they tackle Asking what is queer about Europe means probing the blind spots that continue to structure the long and discrepant process of Europeanization *Atheism and Agnosticism* Peter A. Huff,2021-09-01 An overview essay and approximately 50 alphabetically arranged reference entries explore the background and significance of atheism and agnosticism in modern society This is the age of atheism and agnosticism The number of people living without religious belief and practice is quickly and dramatically rising Some experts call nonreligion after Christianity and Islam the third largest religion in the world today Understanding the origins history variations and impact of atheism and agnosticism is crucial to getting a grasp of the meaning of the present and gaining a glimpse of the future Exploring some of the most extraordinary people events and ideas of all time this book provides a fair comprehensive and engaging survey of all aspects of contemporary atheism and agnosticism An overview essay discusses the background and social and political contexts of unbelief while a timeline highlights key events Some 50 alphabetically arranged reference entries follow with each providing fundamental objective information about particular topics along with cross references and suggestions for further reading The volume closes with

an annotated bibliography of the most important resources on atheism and agnosticism Feminist Thinkers and the Demands of Femininity Lori Jo Marso, 2025-05-29 Examining the lives and work of feminist thinkers throughout history this book explores their struggles with politics intellectual work and material and existential conditions of femininity A new introduction to this second edition resituates these themes in contemporary feminist literature and theory Feminist autobiographical accounts exploring multiple lives and loves encounters with political comrades and enemies and frustrations with social expectations about feminine respectability offer tastes of feminist lives across history and situation But the stories are not always inspirational or exemplary How do feminists survive and thrive in situations marked by intersecting harms of sexism racism and colonial and capitalist extraction Thinking beyond representation and empathy as ways to connect this book features disorienting and disruptive examples from feminist experiments in living and explores the uncomfortable feelings they invite in readers Insisting that feminists should read the autobiographies and memoirs of feminist actors alongside their theoretical contributions the volume features the work of Simone de Beauvoir Emma Goldman Ida B Wells Audre Lorde Azar Nafisi Ana Castillo Carolyn Kay Steedman Germaine de Sta l Mary Wollstonecraft and more Written for students and scholars of Women s History and everyone who feels like a feminist this book embodies and electrifies the feminist insight that the personal is political *Dialectical Imaginaries* Marcial Gonzalez, Carlos Gallego, 2018-11-01 *Dialectical Imaginaries* brings together essays that analyze the effects of class conflict and capitalist ideology on contemporary works of U S Latino a literature The editors argue that recent global events have compelled contemporary scholars to reexamine traditional interpretive models that center on identity politics and an ethics of multiculturalism The volume seeks to demonstrate that materialist methodologies have a greater critical reach than other methods and that Latino a literary criticism should be more attuned to interpretive approaches that draw on Marxism and other globalizing social theories The contributors analyze a wide range of literary works in fiction poetry drama and memoir by writers including Rudolfo Anaya Gloria Anzald a Daniel Borzutzky Angie Cruz Sergio de la Pava M nica de la Torre Sergio Elizondo Juan Felipe Herrera Rolando Hinojosa Quiara Alemn Hudes Lin Manuel Miranda scar Mart nez Cherr e Moraga Urayo n Noel Emma P rez Pedro Pietri Miguel Pi ero Ernesto Qui nez Ronald Ruiz Hector Tobar Rodrigo Toscano Alfredo V a Helena Mar a Viramontes and others The Traffic in Women's Work Anca Parvulescu, 2014-05-19 Welcome to the European family When East European countries joined the European Union under this banner after 1989 they agreed to the free movement of goods services capital and persons In this book Anca Parvulescu analyzes an important niche in this imagined European kinship the traffic in women or the circulation of East European women in West Europe in marriage and as domestic servants nannies personal attendants and entertainers Analyzing film national policies and an impressive range of work by theorists from Giorgio Agamben to Judith Butler she develops a critical lens through which to think about the transnational continuum of women s work Parvulescu revisits Claude L vi Strauss s concept of kinship and its rearticulation

by second wave feminists particularly Gayle Rubin to show that kinship has traditionally been anchored in the traffic in women Reading recent cinematic texts that help frame this she reveals that in contemporary Europe East European migrant women are exchanged to engage in labor customarily performed by wives within the institution of marriage Tracing a pattern of what she calls Americanization Parvulescu argues that these women thereby become responsible for the labor of reproduction A fascinating cultural study as much about the consequences of the enlargement of the European Union as women s mobility The Traffic in Women s Work questions the foundations of the notion of Europe today

Little Red Readings Angela E. Hubler, 2014-04-29 A significant body of scholarship examines the production of children s literature by women and minorities as well as the representation of gender race and sexuality But few scholars have previously analyzed class in children s literature This definitive collection remedies that by defining and exemplifying historical materialist approaches to children s literature The introduction of Little Red Readings lucidly discusses characteristics of historical materialism the methodological approach to the study of literature and culture first outlined by Karl Marx defining key concepts and analyzing factors that have marginalized this tradition particularly in the United States The thirteen essays here analyze a wide range of texts from children s bibles to Mary Poppins to The Hunger Games using concepts in historical materialism from class struggle to the commodity Essayists apply the work of Marxist theorists such as Ernst Bloch and Fredric Jameson to children s literature and film Others examine the work of leftist writers in India Germany England and the United States The authors argue that historical materialist methodology is critical to the study of children s literature as children often suffer most from inequality Some of the critics in this collection reveal the ways that literature for children often functions to naturalize capitalist economic and social relations Other critics champion literature that reveals to readers the construction of social reality and point to texts that enable an understanding of the role ordinary people might play in creating a more just future The collection adds substantially to our understanding of the political and class character of children s literature worldwide and contributes to the development of a radical history of children s literature

American Autobiography Paul John Eakin, 1991 The first four essays review the major historical periods of American autobiography placing the classic texts of American autobiographical literature from Captain John Smith to Malcolm X in the illuminating context of lesser known contemporary narratives Daniel B Shea writes on colonial America Lawrence Buell on the American Renaissance Susanna Egan on the years after the Civil War and Albert E Stone on the twentieth century The second part of American Autobiography shows the diversity of voices forms audiences and modes of identity in the literature of American autobiography Provocative essays by William Boelhower and Sau Ling Cynthia Wong on immigrant autobiography discuss the changes in the sense of self that occur when strangers come to a strange land Arnold Krupat writes about how American Indians conceptualize the self and about the relationship between oral and written discourse William L Andrews evaluates the strong body of critical theory that has grown up around African American autobiography showing how both the genre and its criticism have responded to contemporary historical pressures Carol Holly explores the model of personal identity that underlies nineteenth century women's autobiographies and Blanche Gelfant examines the narrative and political strategies of Emma Goldman's autobiography especially her use of popular romance and melodrama The last essay offers a more personal perspective on contemporary autobiography a dialogue between Robert and Jane Coles about how they developed their method of eliciting first person oral narratives for their famous Children of Crisis and Women of Crisis series These essays raise theoretical issues that are examined in Paul John Eakin's incisive introduction How do we define a literary genre of protean shape and perplexing cultural multiplicity How do we approach the special problems created by documents that are both historical and literary texts ones that pose difficult questions about truth and representation Most important how is the canon of American autobiography to be constructed and how is its history to be written Tracing that critical history Eakin explains how changing ideas about the mainstream and the marginal have revitalized our retrospective view of American autobiography and opened up new and exciting prospects for today's reader

Means and Ends Zoe Baker, 2023-07-25 An expansive and accessible account of anarchism as a theory of practice A new in depth look at the revolutionary strategy of anarchism in Europe and the United States between 1868 and 1939 Zoe Baker creator of a popular Youtube series on radical history and political theory brings her trademark clarity and accessibility to this debut book Cutting through misperceptions and historical inaccuracies she shows how the reasons anarchists gave for supporting or opposing particular strategies were grounded in a specific theoretical framework a theory

of practice The consistent and coherent heart of anarchism Baker shows is the understanding that as people engage in activity political or otherwise they simultaneously change the world and themselves Put another way the means that revolutionaries propose to achieve social change have to involve forms of activity through which people can become individuals capable of overthrowing capitalism and the state as well as building a better society Behind this simple premise that anarchist ends can only be achieved through anarchist means lies a wealth of fascinating historical and theoretical detail that Baker presents clearly and engagingly

Nietzsche & Anarchism: An Elective Affinity and a

Nietzschean reading of the December '08 revolt in Athens Christos Iliopoulos, 2019-10-15 This book aims to establish the bond between Friedrich Nietzsche and the anarchists through the apparatus of elective affinity and to challenge the boundaries of several anarchist trends especially classical and post anarchism and ideologies like anarchism and libertarian Marxism Moreover it highlights the importance of reading Nietzsche politically in a radical way to understand his utility for the contemporary anarchist movement The review of the literature concerning the Nietzsche anarchy relationship shows the previously limited bibliography and stresses the possibility of exploring this connection with the methodological help of Michael L wy s concept of elective affinity The significance of this finding is that the relevant affinity may contribute to an alternative to the dominant perception of anarchism as an ideology It may also designate its special features together with its weaknesses meaning the objections of Nietzsche to certain aspects of the anarchist practices and worldview violence resentment bad conscience thus opening a whole new road of self criticism for the anarchists of the twenty first century In addition the location and analysis of the elective affinity serves the debunking of the Nietzschean concepts used by conservative and right wing readings in order to appropriate Nietzsche and of the accusations that the German philosopher had unleashed against anarchists which reveals his misunderstanding of anarchist politics The final part of this book applies the whole analysis above on a Nietzschean reading of the December 08 revolt in Athens based on the *Of the Three Metamorphoses* discourse from *Thus Spoke Zarathustra* offering an alternative view of the events that shook Greece and also had an important global impact
