Red Heifer:

The Mystery of the Red Heifer Mondo Gonzales, 2025-03-04 Red Heifer Luther Butler, 1998 What caused the apostle Paul to condemn both male and female homosexuals This former Jewish Pharisee renounced the legalism of the Old Testament but this follower of Christ proclaimed all men and women were equal in the new kingdom set up by the followers of Christ Why did he place a curse on bisexuals lesbians and homosexuals that threatens to divide modern Christianity Was there a character flaw in Paul's life In his youth did he experience a traumatic experience that caused him to place a stigma on at least ten percent of the United States population Read the Red Heifer to receive provocative answers to these questions Red Heifer is an astounding book Butler has an impressive sense of revisionary storytelling and this enormous saga is great reading Steven LaVigne in *White Crane A Journal of Gay Men's Spirituality* *The Mystery of the Red Heifer* Mondo Gonzales, 2025-03-04 One of the most significant yet enigmatic symbols in biblical prophecy is the red heifer By the end of this book you will understand the prophetic significance of the Red Heifer movement and the preparations made to build the Third Temple For centuries scholars theologians and believers have awaited the emergence of the perfect red heifer a crucial element that many believe will set the stage for the construction of the long awaited third temple in Jerusalem a temple that must be rebuilt before the Second Coming of Christ The existence of a perfect red heifer is seen as a sign that the final events foretold in the Book of Revelation including the rise of the Antichrist the great tribulation and Jesus return are on the horizon Devout Jews in Israel and around the globe have been preparing the Temple Mount for the third temple's construction for years Yet one critical piece has been missing the red heifer With the arrival of five red heifers in Israel this book investigates their prophetic significance and the extraordinary events that could soon follow Examining the prophetic visions of Daniel Jesus Paul and John this book unravels the connections between the red heifer the third temple the covenant of Daniel 9 27 and the day of the Lord in 2 Thessalonians 2 While reading you will uncover valuable insights in the prophetic text such as Why Jewish rabbis believe the red heifer is essential for the building of the third temple How the ancient red heifer ritual is connected to the ministry of Jesus What the red heifer ceremony may signify for the future The inside scoop of how the five red heifers were found and sent to Israel Where are the red heifers now and when will the ceremony take place Drawing on insights from prominent prophecy teachers this book is an essential guide for anyone seeking to understand the pivotal role of the red heifer in biblical prophecy and the unfolding of end time events **The Red Heifer** Leo Haber, 2005-02-01 The main character of Leo Haber's debut novel grows to sexual and social awareness amid old world Yiddish speaking rabbis new world mobsters Jewish non believers musicians ballplayers and new waves of immigrants The novel teems with unforgettable characters who grapple with traditional values and the cultural enticements of their new goldene medine new land The problem of Jewish survival in a free society informs every aspect of the novel with the ancient law of the red heifer serving as the central metaphor The Jewish Book of Days Jill Hammer, 2010-01-01 Throughout the

ages Jews have connected legends to particular days of the Hebrew calendar Abraham's birth the death of Rachel and the creation of light are all tales that are linked to a specific day and season The Jewish Book of Days invites readers to experience the connection between sacred story and nature's rhythms through readings designed for each and every day of the year These daily readings offer an opportunity to live in tune with the wisdom of the past while learning new truths about the times we live in today Using the tree as its central metaphor The Jewish Book of Days is divided into eight chapters of approximately forty five days each These sections represent the tree's stages of growth seed root shoot sap bud leaf flower and fruit and also echo the natural cadences of each season Each entry has three components a biblical quote for the day a midrash on the biblical quote or a Jewish tradition related to that day and commentary relating the text to the cycles of the year The author includes an introduction that analyzes the different months and seasons of the Hebrew calendar and explains the textual sources used throughout Appendixes provide additional material for leap years equinoxes and solstices A section on seasonal meditations offers a new way to approach the divine every day
