of the Holocaust In a thoroughly researched and meticulously documented analysis of the historical record Ronald Rychlak has gotten past the anger and emotion and uncovered the truth about Pius XII Not only does he refute the accusations against the Pope but for the first time documents how the slanders against him had their roots in a Soviet Communist campaign to discredit him and by extension the Church Let those who doubt but read Rychlak follow his exquisitely organized courtroom like arguments What Professor Rychlak brings to the forum are facts not rhetoric dates not conjecture evidence not slander The world owes Ronald Rychlak a debt for bringing the truth to light Rabbi Eric A Silver In his well crafted pages the portrait that emerges is one of an extraordinary pastor facing extremely vexing circumstances of a holy man vying against an evil man of a human being trying to save the lives of other human beings of a light shining in the darkness John Cardinal O Connor 1920 2000 Archbishop of New York from the Foreword to the first edition I have read many books on Pius XII and this is by far the most dispassionate in laying out the context relevant facts accusations and evidence pro and con The book is highly engaging because it is filled with so many little known facts The research has been prodigious Yet the presentation is as down to earth as it would have to be in a courtroom This is a wonderfully realistic book Michael Novak George Frederick Jewett Scholar in Religion Philosophy and Public Policy American Enterprise Institute The Ransom of the Jews Radu Ioanid, 2021-06-23 After 1948 the 370 000 Jews of Romania who survived the Holocaust became one of the main sources of immigration for the new state of Israel as almost all left their homeland to settle in Palestine and Israel Romania s decision to allow its Jews to leave was baldly practical Israel paid for them and Romania wanted influence in the Middle East For its part Israel was rescuing a community threatened by economic and cultural extinction and at the same time strengthening itself with a massive infusion of new immigrants Radu Ioanid traces the secret history of the longest and most expensive ransom arrangement in recent times a hidden exchange that lasted until the fall of the Communist regime Including a wealth of recently declassified documents from the archives of the Romanian secret police this updated edition follows Israel s long and expensive ransom arrangement with Communist Romania Ioanid uncovers the elaborate mechanisms that made it successful for decades the shadowy figures responsible and the secret channels of communication and payment As suspenseful as a Cold War thriller his book tells the full startling story of an unprecedented slave trade
