evenings better than the Marin hills at dusk lavender and gold stretching miles to the sea At the junction up from the synagogue a weeknight necessarily and with my father a sale on German beer Air full of living dust bus exhaust air borne grains of pizza crust wounded crystals appearing disappearing among streetlights and unsuccessful neon Poetics August Kleinzahler's first collections won him a cult following but have long been out of print and hard to find Here Kleinzahler acclaimed by The Times London for the vision and confident skill to make American poetry new has selected the best of the poems collected in Storm over Hackensack 1985 and Earthquake Weather 1989 and added an autobiographical Preface in Live from the Hong Kong Nile Club *Sallies, Romps, Portraits, and Send-Offs* August Kleinzahler, 2017-05-09 Sixteen years worth of incisive essays by the great poet and memoirist Witty gritty poet and memoirist Kleinzahler Publishers Weekly has gathered the best of sixteen years worth of essays remembrances and reviews in this scabrous and essential collection setting down his thoughts about great poets and bad poets about kvetching fiction writers and homicidal musicians about eccentric critics and discerning nobodies always with insight and humor and never suffering fools gladly Here in Sallies Romps Portraits and Send Offs August Kleinzahler eulogizes famous friends warts and all Thom Gunn Christopher Middleton Leonard Michaels leads the charge in carving up a few bloated reputations E E Cummings Richard Brautigan and sings the praises of unjustly neglected masters Lucia Berlin Kenneth Cox He also turns the spotlight on himself in several short delightful memoirs covering such subjects as his obsessive CD collecting the eerie effects of San Francisco fog and the terrible duty of selling of his childhood home The Letters of Thom Gunn Thom Gunn, 2022-05-24 The Letters of Thom Gunn presents the first complete portrait of the private life reflections and relationships of a maverick figure in the history of British and American poetry I write about love I write about friendship remarked Thom Gunn I find that they are absolutely intertwined These core values permeate his correspondence with friends family lovers and fellow poets and they shed new light on one of the most singular and compelling poets in English during the past half century Hugh Haughton The Times Literary Supplement The Letters of Thom Gunn edited by August Kleinzahler Michael Nott and Clive Wilmer reveals the evolution of Gunn's work and illuminates the fascinating life that informed his poems his struggle to come to terms with his mother's suicide settling in San Francisco and his complex relationship with England his changing relationship with his life partner Mike Kitay the LSD trips that led to his celebrated collection Moly 1971 and the deaths of friends from AIDS that inspired the powerful unsparing elegies of The Man with Night Sweats 1992 **Sleeping It Off in Rapid City** August Kleinzahler, 2014-09-09 The first broad retrospective of August Kleinzahler's career Sleeping It Off in Rapid City gathers poems from his major works along with a rich portion of new poems that visit different voice registers experiment with form and length and confirm Kleinzahler as among the most inventive and brilliant poets of our time Travel actual and imaginary remains a passion and inspiration and in these pages the poet also finds This sanctified ground Here yes here The dead solid center of the universe At the heart of the heart of America **The Hotel Oneira** August Kleinzahler, 2025-09-23 A thrilling

new collection from one of the most original poets of his generation His work is a modernist swirl of sex surrealism urban life and melancholy with a jazzy backbeat That praise appeared in the pages of The New York Times in 2005 but it applies no less to August Kleinzahler s newest collection Kleinzahler s poetry is as ever concerned with permeability Voices places the real and the dreamed the present and the past all mingle together in verses that always ring true Whether the poem is three lines long or spans several pages whether the voice embodied is that of an adult male of late middle age about to weep among the avocados and citrus fruits in a vast overlit room next to a bosomy Cuban grandma as in Whitney Houston or that of the title character in Hootie Bill Do Polonius who is bidding adios compadre To a most galuptious scene Kid Kleinzahler finds the throbbing human heart at the core of experience This is a poet searching for and finding a cadence to suit life as it s lived today Kleinzahler s verses are as noted in the judges citation for the 2004 Griffin Poetry Prize which he won for his collection The Strange Hours Travelers Keep ferociously on the move between locations between forms between registers The Hotel Oneira finds Kleinzahler at his shape shifting acrobatic best unearthing the moments of grace buried under the detritus of our hectic modern lives

**Snow Approaching on the Hudson** August Kleinzahler, 2025-08-22 August Kleinzahler has earned admiration for his musical precise wise and sometimes madcap poems that are grounded in the wide array of places people and most especially voices he has encountered in his real and imaginative worlds Snow Approaching on the Hudson is a collection that moves seamlessly through the often hypnogogic porous realms of dreams the past and present inner and outer landscapes His haunting shifting atmospheres are peopled by characters intimately portrayed that are at one historical and invented The poet s signature rhythmic propulsion serves as the engine for his newest collection and his always masterful free verse conveys a life thoroughly lived and brilliantly perceived

*The Strange Hours Travelers Keep* August Kleinzahler, 2014-09-09 Those aren t stars darling That s your nervous system Nanna didn t take you to planetariums like this from Hyper Berceuse 3 A M August Kleinzahler s new poems stretch and go places he has never gone before they have his signature high color and rhythmic jump but they take on a breadth of voice and achieve registers that his earlier work only hinted at Ranging from Vegas and Mayfair to the Asian steppes and contemporary Berlin these poems touch down at will in tableaux where Liberace unceremoniously meets with St Kevin and Attila with Zsa Zsa Gabor Surprise after surprise nothing seems to lie outside Kleinzahler s purview This is the strongest collection to date from a poet with the vision and confident skill to make American poetry new Clive Wilmer The Times London

Agents of uncertainty John Danvers, 2012-01-01 Through an analysis of many different examples Danvers articulates a new way of thinking about mysticism and scepticism not as opposite poles of the philosophical spectrum but as two fields of enquiry with overlapping aims and methods Prompted by a deep sense of wonder at being alive many mystics and sceptics like the Buddha practice disciplines of doubt in order to become free of attachment to fixed appearances essences and viewpoints and in doing so they find peace and equanimity They develop ways of living with impermanence and the unexpected by letting go of adherence to dogmatic beliefs and by

suspending judgement In common with many artists and poets they act as agents of uncertainty actively disturbing the routines and habits of day to day thought and behaviour in order to demonstrate how to maintain a sense of balance and spontaneity in the midst of life s difficulties Topics explored include being and self as process mysticism and language scepticism and dogmatism Buddhism interdependence and emptiness Daoism and impermanence dialectics of doubt in art and poetry Written in a lively and accessible style accompanied by drawings and photographs by the author this volume is aimed at scholars artists teachers and anyone interested in philosophy religion art poetry and ways of being The Open Door Don Share,Christian Wiman,2022-12-22 If readers would like to sample the genius and diversity of American poetry in the last century there s no better place to start World Literature Today When Harriet Monroe founded Poetry magazine in Chicago in 1912 she began with an image the Open Door For a century the most important and enduring poets have walked through that door William Carlos Williams and Wallace Stevens in its first years Rae Armantrout and Kay Ryan in 2011 And at the same time Poetry continues to discover the new voices who will be read a century from now To celebrate the magazine s centennial the editors combed through Poetry s incomparable archives to create a new kind of anthology With the self imposed limitation to one hundred they have assembled a collection of poems that in their juxtaposition echo across a century of poetry Here Adrienne Rich appears alongside Charles Bukowski famous poems of the two world wars flank a devastating yet lesser known poem of the Vietnam War Short extracts from Poetry s letters and criticism punctuate the verse selections hinting at themes and threads and serving as guides interlocutors or dissenting voices The resulting volume is a celebration of idiosyncrasy and invention a vital monument to an institution that refuses to be static and most of all a book that lovers of poetry will devour debate and keep close at hand *Cutty, One Rock* August Kleinzahler,2025-08-22 Cutty One Rock takes the reader on a wild journey by airplane bus ferry and foot from childhood to early manhood in the company of a New Jersey family in equal measures cultivated and deranged We witness scenes of passionate even violent intensity that give rise to meditations on eros and literature the solitariness of travel and the poetics of place These individual pieces most of which first appeared in The London Review of Books and won an international cult following are by turns poignant surreal down home and lyrical a mixture of qualities that inheres in his language with uncommon delicacy and effect Leonard Michaels Together they make up an intellectual and emotional autobiography on the run The book s final section about Kleinzahler s adored doomed older brother is unforgettable and since its appearance last year in the LRB has already entered the literature as one of the most moving contemporary memoirs *Green Sees Things in Waves* August Kleinzahler,2025-09-23 1996 Academy Award in Literature from the American Academy of Arts and Letters In Green Sees Things in Waves a powerful and inventive collection August Kleinzahler succeeds in creating a new idiom for American lyric poetry that captures the velocity and swerves of contemporary life in the city He pushes the language very hard to get there and the results are breathtaking an angular propulsive poetry that transforms character voice and setting into buzzing
