Jesus prayed My prayer for all of them is that they will be one just as you and I are one Father that just as you are in me and I am in you so they will be in us and the world will believe you sent me NLT The Christian church continues to find points of contingency by which they justify their divisions Many do not realize that it is not the Spirit of God under which they operate but a subtle counterfeit named Religion The Spirit of Religion has been the greatest opposition of the Christian Church since its inception It was the religious leaders of Jesus day who were influenced by this spirit and continually sought to discredit Christ and his teachings Those who were bound by this spirit sought to silence Christ and eventually found cause to kill Him This same spirit at work today continues to cause division among Christians as well as between Christians and non Christians This book has been written to expose the evil influence that Satan has had upon the Christian church under the guise of religion and to release those who have been bound by religions chains by establishing a true relationship with God Issues addressed in this book include What is the Spirit of Religion What is the difference between church doctrine and sin Why do Christians judge What does it mean to be ye separate What does the Bible say about those who are Tattooed or Pierced What is the difference between having a religion and experiencing a relationship with God      **'Eastland'** George W.

evaluate his relevance for the problems of today This collection offers the results of that endeavour it is a milestone of Vebleniana which assesses all the most salient aspects of his life and influence Many of its contributors also push into uncharted territory examining the man and his work from new and necessary perspectives hitherto ignored by scholarship
