

# Red Apocalypse The Religious Evolution Of Soviet Communism

**Cristian Romocea**

## **Red Apocalypse The Religious Evolution Of Soviet Communism:**

**Red Apocalypse** Arthur Jay Klinghoffer, 1996-03-19 This unique work concentrates on Soviet Communism as a religious phenomenon The author argues that communism is a religion which was undermined by a crisis of faith Klinghoffer traces the evolution of this communist religion from Marx through Gorbachev covering Lenin Stalin and Krushchev His focus is on the parallels between the Soviet communist religion and the development of Christianity This thoroughly researched and carefully written book will be highly beneficial to students in courses on Soviet politics Soviet history Marxism and religion Contents Thy Religious Come Historic Redemption The Prophetic Jew The End of Days The Religious Atheist The Russified Mission Bolshevik on the Cross The Communist Religion Tenets of Faith The Spiritual Quest The Social Gospel The Soviet Church Laying the Foundations The Medieval Edifice From Renaissance to Secularization and Religious Evolution Index

**The Oxford Handbook of Russian Religious Thought** Caryl Emerson, George Pattison, Randall A. Poole, 2020 A comprehensive collection exploring the role of ideas institutions and movements in the evolution of Russian religious thought Contains cutting edge scholarship that expands understanding of one of the richest aspects of Russian cultural and intellectual life Considers the influence of Russian religious thought in the West and the role of religion in aesthetics music poetry art film and the novel An authoritative reference for students and scholars Book jacket *The Dictators: Hitler's Germany, Stalin's Russia* Richard Overy, 2006-01-17 A book of great importance it surpasses all others in breadth and depth Commentary If the past century will be remembered for its tragic pairing of civilized achievement and organized destruction at the heart of darkness may be found Hitler Stalin and the systems of domination they forged Their lethal regimes murdered millions and fought a massive deadly war Yet their dictatorships took shape within formal constitutional structures and drew the support of the German and Russian people In the first major historical work to analyze the two dictatorships together in depth Richard Overy gives us an absorbing study of Hitler and Stalin ranging from their private and public selves their ascents to power and consolidation of absolute rule to their waging of massive war and creation of far flung empires of camps and prisons The Nazi extermination camps and the vast Soviet Gulag represent the two dictatorships in their most inhuman form Overy shows us the human and historical roots of these evils Socialism as a Secular Creed Andrei

Znamenski, 2021-01-29 Andrei Znamenski argues that socialism arose out of activities of secularized apocalyptic sects the Enlightenment tradition and dislocations produced by the Industrial Revolution He examines how by the 1850s Marx and Engels made the socialist creed scientific by linking it to history laws and inventing the proletariat the chosen people that were to redeem the world from oppression Focusing on the fractions between social democracy and communism Znamenski explores why historically socialism became associated with social engineering and centralized planning He explains the rise of the New Left in the 1960s and its role in fostering the cultural left that came to privilege race and identity over class Exploring the global retreat of the left in the 1980s 1990s and the great neoliberalism scare Znamenski also analyzes the

subsequent renaissance of socialism in wake of the 2007 2008 crisis      *The Cold War in the 1950s* Nicolas Lewkowicz,2024-03-12 The book claims that the United States and the Soviet Union attained the mastery of the international order by projecting universalist values that responded to the particularist markers of the domestic order that was generated in the 1950s The geopolitical orientation adopted by the superpowers in the 1950s was shaped by the way in which their societies developed politically socially and economically in the 1950s The main argument of this book is that the quest for the mastery of the international order that informed superpower relations in the 1950s was guided by the need to respond to the local circumstances that emerged in the United States and the Soviet Union The particularist markers that arose in the 1950s led to the establishment of a geopolitical project underpinned by certain universalist values that could be applied in order to build the superpowers sphere of influence      **The Oxford Handbook of Deification** Paul L. Gavrilyuk,Andrew P. Hofer,Matthew Levering,2024-06-03 Modern theological engagements on deification have undergone two major paradigm shifts First the study of deification shifted from the periphery of theological discourse to its center For Adolf von Harnack deification was a pagan import that fatally corrupted and distorted the Gospel message of salvation In response the positive retrieval of the concept of deification belongs to the early years of the twentieth century By the 1910s in Russian religious thought and by the 1930s in much Roman Catholic theology deification had become a magnet concept attracting attention from many different viewpoints The second important shift relates to how deification is characterized Recent studies question the exclusively Eastern character of deification and draw attention to the engagements of this theme in Latin patristic and later Western Christian sources Reassessing the evidence for these two major shifts The Oxford Handbook of Deification comprehensively explores the points of convergence and difference on the constitutive elements of deification in different traditions and offers a foundation for ecumenical and interreligious dialogues The Handbook s first part analyzes the cultural and scriptural roots of deification the second part explores the most significant historical contributions to the understanding of deification in the early medieval and modern periods the third part develops systematic connections Readers will discover a surprising breadth depth and diversity of theologies of deification in Christian traditions Throughout the Handbook leading scholars in the field of Deification Studies propose vital new insights from a variety of perspectives for this central mystery at the heart of the Christian faith      *The Sacred in Twentieth-Century Politics* R. Griffin,R. Mallett,J. Tortorice,2008-11-05 The emerging shape of the post Cold War world provides evidence that rather than diminishing the profound intersection of political ideology and religious forms of belief is an ever more potent force in world affairs This volume offers both theoretic underpinnings and a comparative analysis that elucidates this potent and dangerous phenomenon      *The International Dimension of Genocide in Rwanda* A. Klinghoffer,1998-09-28 The mass killings in Rwanda in 1994 shocked the world but the international response was ineffective The end of the Cold War had created a moral climate supportive of humanitarian intervention and enforcement of the Genocide Convention but it had not produced adequate legal and structural mechanisms

to carry out such action The book examines the failures of the United Nations the Organization of African Unity regional states and major world powers either to prevent or terminate the genocide and draws lessons for intervention in future

*Gulag Literature and the Literature of Nazi Camps* Leona Toker,2019-08-28 A literary scholar examines survival narratives from Russian and German concentration camps shedding new light on testimony in the face of evil In this illuminating study Leona Toker demonstrates how Holocaust literature and Gulag literature provide contexts for each other especially how the prominent features of one shed light on the veiled features and methods of the other Toker s analysis concentrates on the narrative qualities of the works as well as how each text documents the writer s experience in a form where fictionalized narrative can double as historical testimony Toker also views these texts against the background of historical information about the Soviet and the Nazi regimes of repression Writers at the center of this work include Varlam Shalamov Primo Levi Elie Wiesel and Ka Tzetnik and others including Aleksandr Solzhenitsyn Evgeniya Ginzburg and Jorge Sempr n illuminate the discussion Toker also provides context for references to potentially obscure historical events and shows how they form new meaning in the text

*Politics as Religion* Emilio Gentile,2020-09-01 Emilio Gentile an internationally renowned authority on fascism and totalitarianism argues that politics over the past two centuries has often taken on the features of religion claiming as its own the prerogative of defining the fundamental purpose and meaning of human life Secular political entities such as the nation the state race class and the party became the focus of myths rituals and commandments and gradually became objects of faith loyalty and reverence Gentile examines this sacralization of politics as he defines it both historically and theoretically seeking to identify the different ways in which political regimes as diverse as fascism communism and liberal democracy have ultimately depended like religions on faith myths rites and symbols Gentile maintains that the sacralization of politics as a modern phenomenon is distinct from the politicization of religion that has arisen from militant religious fundamentalism Sacralized politics may be democratic in the form of a civil religion or it may be totalitarian in the form of a political religion Using this conceptual distinction and moving from America to Europe and from Africa to Asia Gentile presents a unique comparative history of civil and political religions from the American and French Revolutions through nationalism and socialism democracy and totalitarianism fascism and communism up to the present day It is also a fascinating book for understanding the sacralization of politics after 9 11

**Jerusalem on the Amur** Henry Felix Srebrnik,2008-10-03 In 1928 the Soviet Union proposed the establishment of an autonomous socialist Jewish republic in the far eastern reaches of Russian territory In Birobidzhan the eternal search for a Jewish homeland would be realized and Jews would possess their own institutions which would function in Yiddish A new Jew would be created emancipated and rejuvenated Although the project was eventually revealed to be a fraud thousands of left wing Jews in Canada and the United States passionately supported it and campaigned on its behalf some even emigrated to Birobidzhan

Church and State Cristian Romocea,2011-04-21 Twenty years have passed since the fall of the Iron Curtain yet emerging

democracies continue to struggle with a secular state which does not give preference to churches as major political players This book explores the nationalist inclinations of an Eastern Orthodox Church as it interacts with a politically immature yet decisively democratic Eastern European state Discussing the birth pangs of extreme nationalist movements of the twentieth century it offers a creative retelling of the ideological idiosyncrasies which have characterized Marxist Communism and Nazism Cristian Romocea provides a constant juxtaposition of the ideological movements as they interacted and affected organized religion at times seeking to remove it assimilate it or even imitate it Of interest to historians theologians and politicians this book introduces the reader through a case study of Romania to relevant and contemporary challenges churches worldwide are facing in a context characterized by increased secularization of the state and radicalization of religion

Fascism, Totalitarianism and Political Religion Roger Griffin, 2013-09-13 9 11 and its aftermath demonstrate the urgent need for political scientists and historians to unravel the tangled relationship of secular ideologies and organized religions to political fanaticism This major new volume uses a series of case studies by world experts to further our understanding of these complex issues They examine the connections between fascism political religion and totalitarianism by exploring two inter war fascist regimes two abortive European movements and two post war American extreme right wing movements with contrasting religious components A highlight of this collection is a fresh article from Emilio Gentile recently awarded an international prize for his contributions to our appreciation of the central role played by political religion in the modern age This is preceded by an editorial essay by Roger Griffin one of fascist studies most original thinkers Alongside these contributions the reader is presented with a wealth of work that redefines the complex concept of totalitarian movement and our understanding of generic Fascism Taken as a whole it comprehensively analyses the links between particular totalitarian movements and regimes and the concrete historical phenomena produced in the light of current radical theories of fascism totalitarianism and political religion This book will be of great interest to all students and scholars of international relations politics and contemporary history This volume was previously published as a special issue of the journal *Totalitarian Movements and Political Religions*

If God is Dead, Everything is Permitted? Guenter Lewy, 2017-07-28 Dostoevsky's dictum that when God is dead everything is permitted can have several meanings It can refer to the behavior of individuals suggesting that someone who is or becomes an unbeliever will conduct himself immorally Alternatively the saying can pertain to the moral character of an entire country and mean a society that rejects God is doomed to moral decay Guenter Lewy presents a few of the major arguments of those who question the relationship between morality and religion and examines the case for the continuing dependence of morality upon religion Beginning with Dostoevsky's *The Brothers Karamazov* Lewy introduces the reader to the position that morality depends on religious belief He then follows the idea throughout history from its origin to its extension during the Enlightenment to the Victorians to the roots of atheism Lewy then presents a critical discussion of Sweden as a model of a secular nation where morality is retained although most of the

population is not religious He shows that Sweden offers a serious and unique illustration of how democracy and morality can flourish in a post modern environment If God is Dead Everything is Permitted as the author acknowledges is more of an essay than a seamless history of the relationship of religion and morality Lewy s fascination with the intersection and influence of religion on morality is not a new topic Indeed the discussion is important and alive today in light of new technological and scientific advances Although Lewy may not put closure to the debate about whether morality is dependent on religion the evidence presented here sheds light on the morality of today by examining its historical past

**Fascism: Fascism and culture** Roger Griffin,Matthew Feldman,2004 The nature of fascism has been hotly contested by scholars since the term was first coined by Mussolini in 1919 However for the first time since Italian fascism appeared there is now a significant degree of consensus amongst scholars about how to approach the generic term namely as a revolutionary form of ultra nationalism Seen from this perspective all forms of fascism have three common features anticonservatism a myth of ethnic or national renewal and a conception of a nation in crisis This collection includes articles that show this new consensus which is inevitably contested as well as making available material which relates to aspects of fascism independently of any sort of consensus and also covering fascism of the inter and post war periods This is a comprehensive selection of texts reflecting both the extreme multi faceted nature of fascism as a phenomenon and the extraordinary divergence of interpretations of fascism

**The House of Government** Yuri Slezkine,2017-08-07 On the 100th anniversary of the Russian Revolution the epic story of an enormous apartment building where Communist true believers lived before their destruction The House of Government is unlike any other book about the Russian Revolution and the Soviet experiment Written in the tradition of Tolstoy s War and Peace Grossman s Life and Fate and Solzhenitsyn s The Gulag Archipelago Yuri Slezkine s gripping narrative tells the true story of the residents of an enormous Moscow apartment building where top Communist officials and their families lived before they were destroyed in Stalin s purges A vivid account of the personal and public lives of Bolshevik true believers the book begins with their conversion to Communism and ends with their children s loss of faith and the fall of the Soviet Union Completed in 1931 the House of Government later known as the House on the Embankment was located across the Moscow River from the Kremlin The largest residential building in Europe it combined 505 furnished apartments with public spaces that included everything from a movie theater and a library to a tennis court and a shooting range Slezkine tells the chilling story of how the building s residents lived in their apartments and ruled the Soviet state until some eight hundred of them were evicted from the House and led one by one to prison or their deaths Drawing on letters diaries and interviews and featuring hundreds of rare photographs The House of Government weaves together biography literary criticism architectural history and fascinating new theories of revolutions millennial prophecies and reigns of terror The result is an unforgettable human saga of a building that like the Soviet Union itself became a haunted house forever disturbed by the ghosts of the disappeared

Faith and Fascism Jorge Dagnino,2017-03-21 This is a study of the

Federazione Universitaria Cattolica Italiana FUCI between 1925 and 1943 the organisation of Catholic Action for the university sector The FUCI is highly significant to the study of Catholic politics and intellectual ideas as a large proportion of the future Christian Democrats who ruled the country after World War II were formed within the ranks of the federation In broader terms this is a contribution to the historiography of Fascist Italy and of Catholic politics and mentalities in Europe in the mid twentieth century It sets out to prove the fundamental ideological political social and cultural influences of Catholicism on the making of modern Italy and how it was inextricably linked to more secular forces in the shaping of the nation and the challenges faced by an emerging mass society Furthermore the book explores the influence exercised by Catholicism on European attitudes towards modernisation and modernity and how Catholicism has often led the way in the search for a religious alternative modernity that could countervail the perceived deleterious effects of the Western liberal version of modernity

*Keeping Faith with the Party* Nanci Adler, 2012-03-05 How is it that some prisoners of the Soviet gulag many of them falsely convicted emerged from the camps maintaining their loyalty to the party that was responsible for their internment In camp they had struggled to survive Afterward they struggled to reintegrate with society reunite with their loved ones and sometimes renew Party ties Based on oral histories archives and unpublished memoirs *Keeping Faith with the Party* chronicles the stories of returnees who professed enduring belief in the CPSU and the Communist project Nanci Adler's probing investigation brings a deeper understanding of the dynamics of Soviet Communism and of how individuals survive within repressive regimes while the repressive regimes also survive within them

**Russia After Lenin** Vladimir Brovkin, 2005-08-04 In *Russian Society and Politics 1921-1929* Vladimir Brovkin offers a comprehensive cultural political economic and social history of developments in Russia in the 1920s

*Causas sagradas* Michael Burleigh, 2013-12-14 Con la participaci n de algunos de los personajes m s ic nicos del siglo *Causas sagradas* ofrece un examen brillante de c mo la religi n ha moldeado la Europa del siglo XX desde la Primera Guerra Mundial hasta la actual guerra contra el terror Partiendo del panorama ca tico de la Europa de 1918 en la que las creencias religiosas constituyeron una forma de reordenar el mundo Burleigh examina en *Causas sagradas* las numerosas religiones seculares que ha producido el siglo XX y analiza c mo los diferentes l deres totalitarios se fueron apropiando de la jerarqu a y los rituales de las iglesias con el deseo de retornar a los d as en que el gobernante y la deidad eran uno As el autor hace un recorrido por todos los movimientos y r gimen es sangrientos del siglo desde la Uni n Sovi tica de Stalin la Alemania de Hitler la Italia de Mussolini y la Espa a de Franco hasta la nueva amenaza de terrorismo En este ensayo hist rico Burleigh rastrea las instituciones y las creencias religiosas en una poca en la que la Iglesia decepcionada tanto con la democracia como con el fascismo empez a buscar alternativas pol ticas Con brillantez expone c mo el miedo a los movimientos socialistas moderaron la respuesta de la Iglesia a la amenaza de los r gimen es totalitarios y c mo durante la Segunda Guerra Mundial las iglesias afrontaron dilemas ag nicos principalmente c mo reaccionar al Holocausto Combinando la profundidad de la Historia con la sensaci n de

urgencia de la actual relevancia de este material Burleigh plantea por qu nadie previ las implicaciones religiosas de las masivas olas migratorias del Tercer Mundo as como las actuales llamadas a una religi n civil con la que enfrentarse a las amenazas terroristas que tanto han impresionado a Occidente

## **Red Apocalypse The Religious Evolution Of Soviet Communism Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Red Apocalypse The Religious Evolution Of Soviet Communism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Red Apocalypse The Religious Evolution Of Soviet Communism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the

benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Red Apocalypse The Religious Evolution Of Soviet Communism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Red Apocalypse The Religious Evolution Of Soviet Communism Books**

1. Where can I buy Red Apocalypse The Religious Evolution Of Soviet Communism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Red Apocalypse The Religious Evolution Of Soviet Communism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Red Apocalypse The Religious Evolution Of Soviet Communism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Red Apocalypse The Religious Evolution Of Soviet Communism audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible,

LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Red Apocalypse The Religious Evolution Of Soviet Communism books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
