Red Commissar:

The Red Commissar Jaroslav Hašek, 1981 A selection from his Bugulma stories Hasek as Bolshevik and Red Commissar some early Svejks stories reminiscences of Hasek's apprenticeship days and the hilariously funny speeches made by Hasek when promoting his political Party of Moderate Progress within the bounds of the Law *The Red Army and the Second World War* Alexander Hill, 2019-02-07 In a definitive new account of the Soviet Union at war Alexander Hill charts the development successes and failures of the Red Army from the industrialisation of the Soviet Union in the late 1920s through to the end of the Great Patriotic War in May 1945 Setting military strategy and operations within a broader context that includes national mobilisation on a staggering scale the book presents a comprehensive account of the origins and course of the war from the perspective of this key Allied power Drawing on the latest archival research and a wealth of eyewitness testimony Hill portrays the Red Army at war from the perspective of senior leaders and men and women at the front line to reveal how the Red Army triumphed over the forces of Nazi Germany and her allies on the Eastern Front and why it did so at such great cost Professional Journal of the United States Army, 1948 **The Bolsheviks and the Red Army**

1918-1921 Francesco Benvenuti, 1988-10-28 The emergence of the military agency of the Soviet state is a crucial but neglected aspect of inter war Soviet history and in this pioneering study Francesco Benvenuti provides a detailed analysis of the politics as opposed to the operational activities of the Red Army during the Civil War Several historians have suggested that the roots of Stalinism may be found in the Bolshevik experience during the Civil War and Benvenuti shows that the military opposition inside the party was much stronger than conventionally supposed Trotsky's subsequent political weakness owed much to his ruthless pursuit of military goals not always in direct harmony with party interests as did his technocratic attempts to extend the role of specialist advisers at the expense of party officials *Sacrifice of the Generals* Michael Parrish, 2004-06-24 It also includes a preface that contributes important contextual information on personnel organization and losses of the Soviet Army essays containing extensive bibliographies and a foreword by John Erickson the foremost Western historian of the Soviet armed forces This unique research tool greatly increases our understanding of the Soviet Union's mighty World War II effort and related Stalinist politics during its greatest hour Based on the latest declassified sources Parrish combines into one volume crucial information that has been widely scattered among many different locations and difficult to access Jacket **The Red Atlantis** J. Hoberman, 1998 For most of the twentieth century American and European intellectual life was defined by its fascination with a particular utopian vision Both the artistic and political vanguards were spellbound by the Communist promise of a new human era so much so that its political terrors were rationalized as a form of applied evolution and its collapse hailed as the end of history The Red Atlantis argues that Communism produced a complex culture with a dialectical relation to both modernism and itself Offering examples ranging from the Stalinist show trial to Franz Kafka's posthumous career as a dissident writer And The work of filmmakers painters

and writers which can be understood only as criticism of existing socialism made from within The Red Atlantic suggests that Communism was an aesthetic project perhaps the aesthetic project of the twentieth century Author note J Hoberman staff writer for the Village Voice writes on film and culture for the Voice the Voice Literary Supplement Artforum and other publications His books include Bridge of Light Yiddish Film Between Two Worlds Temple 1995 and Vulgar Modernism Writing on Movies and Other Media Temple 1991 which was nominated For The National Book Critics Circle award in criticism He is an Adjunct Professor of Cinema at the Cooper Union

Red Army and Society Ellen Jones, 2021-01-26 This book first published in 1985 is the first full length study of the Soviet Armed Forces as a social institution Using military manpower as a substantive focus it identifies those characteristics that the Soviet military shared with counterparts in non communist systems and those that were unique to the society and political culture in which it was embedded The discussion encompasses defence policy making as a whole and focuses on conscription policy the characteristics of the professional military the role of the political officer the mechanics of political socialization within the Red Army and the experience of ethnic minorities in the armed forces This analysis provides a window through which we can observe the broader military system at work how that system affects and in turn is affected by the economic social and political life of the Soviet Union It contributes to our understanding of civil military relations in communist systems and to our knowledge of Soviet political and social trends

The Cornhill Magazine William Makepeace Thackeray, 1919

The Red Army and the Great Terror Peter Whitewood, 2015-09-25 On June 11 1937 a closed military court ordered the execution of a group of the Soviet Union's most talented and experienced army officers including Marshal Mikhail Tukhachevskii all were charged with participating in a Nazi plot to overthrow the regime of Joseph Stalin There followed a massive military purge from the officer corps through the rank and file that many consider a major factor in the Red Army's dismal performance in confronting the German invasion of June 1941 Why take such action on the eve of a major war The most common theory has Stalin fabricating a military conspiracy to tighten his control over the Soviet state In The Red Army and the Great Terror Peter Whitewood advances an entirely new explanation for Stalin's actions an explanation with the potential to unlock the mysteries that still surround the Great Terror the surge of political repression in the late 1930s in which over one million Soviet people were imprisoned in labor camps and over 750 000 executed Framing his study within the context of Soviet civil military relations dating back to the 1917 revolution Whitewood shows that Stalin sanctioned this attack on the Red Army not from a position of confidence and strength but from one of weakness and misperception Here we see how Stalin's views had been poisoned by the paranoid accusations of his secret police who saw spies and supporters of the dead Tsar everywhere and who had long believed that the Red Army was vulnerable to infiltration by foreign intelligence agencies engaged in a conspiracy against the Soviet state Recently opened Russian archives allow Whitewood to counter the accounts of Soviet defectors and conspiracy theories that have long underpinned conventional wisdom on the military purge By broadening our view The Red Army and

the Great Terror demonstrates not only why Tukhachevskii and his associates were purged in 1937 but also why tens of thousands of other officers and soldiers were discharged and arrested at the same time With its thorough reassessment of these events the book sheds new light on the nature of power state violence and civil military relations under the Stalinist regime

Russian War Films Denise Jeanne Youngblood, 2007 A panoramic survey of nearly a century of Russian films on wars and wartime from World War I to more recent conflicts in Afghanistan and Chechnya with heavy emphasis on films pertaining to World War II

Eye of the Red Tsar Sam Eastland, 2010-02-18 Terrific Pekkala makes an unusual captivating hero The Times A perfect ploy for a thriller Independent on Sunday Eastland writes with punch Metro Inspector Pekkala known as the Emerald Eye was the most famous detective in all Russia and a favourite of the Tsar Now like millions of others he is a prisoner in a Siberian gulag as good as dead But then he is summoned by Stalin himself to investigate a crime His mission to uncover the men who really killed the Tsar and his family and to locate the Tsar's treasure The reward for success will be his freedom and the chance to reunite with a woman he would have married if the Revolution had not torn them apart The price of failure death Set against the backdrop of Stalin's paranoid and brutal rule *Eye of the Red Tsar* introduces a compelling new detective to fans of Robert Harris David McCloskey and Lee Child READERS LOVE EYE OF THE RED TSAR I love these books reader review Exciting thrilling horrifying in one word amazing reader review Another triumph of attention grabbing suspense reader review Very exciting pacy narrative Fascinating and authentic characters Could not bear to put this book down and all I wanted to do then was read the next in the series reader review

The Red Army 1922-41 Philip Jowett, 2022-08-18 This study explores the organization history and uniforms of the Soviet Red Army during the 20 years between its victory in the Civil War and the invasion of the USSR by Germany in 1941 The two decades following the Bolshevik victory over the Whites in the Russian Civil War saw widespread and fundamental developments for the Red Army Nevertheless these still left it largely unready to face Germany's Operation Barbarossa in June 1941 Having been reduced in size and planning for modernization the Red Army of the 1920s was employed to ruthlessly crush anti Bolshevik opposition real or suspected in several regions of the USSR notably Ukraine and Central Asia and to fight a brief border war against Chinese Manchuria During the 1930s Stalin virtually beheaded the army by a needless series of murderous purges of the officer class despite this the Red Army was victorious in clashes against Imperial Japan in the Nomonhan region in 1938-39 where General Zhukov earned his spurs Simultaneously the Soviet Union sent instructors and pilots to fight for the Republicans in the Spanish Civil War 1936-39 The non aggression pact with Nazi Germany allowed Stalin to take over half of Poland in September 1939 but a few months later his Winter War against Finland demonstrated serious inadequacies in the Red Army's readiness for modern warfare which would be shockingly confirmed in the first days of Operation Barbarossa Using rare photos and detailed colour artwork this study explores the interwar history of the Red Army describing its campaigns organization and uniforms and focusing on the 20 years between its victory in the Civil War and the invasion of

the USSR by Germany in 1941 **Raritan on War** Jackson Lears, Karen Parker Lears, 2025-03-17 We are once again a world at war Geopolitical elites are deploying the implacable forces of ethnocentric hatred and religious nationalism ordinary people are paying a fearful price Not for the first time this has been the characteristic pattern of war for more than a century Every selection in this anthology except for the timeless Aeneid casts light on modern war observed or directly experienced Most are grounded in particular places Stalingrad Halberstadt Budapest Baghdad Algiers the Tamil ghost towns of Sri Lanka the six by twelve foot cell in Belmarsh maximum security prison where Julian Assange is held without bail for the act of revealing U S war crimes Some recapture the actual look and feel of war the sight of a seven year old girl clutching her mother s hand dodging explosions in the Halberstadt public square the sound of a Mozart concerto in D Minor heard by a family hiding in a cave played on their own piano by a Serbian sniper Others take aim at the vast and vapid abstractions used to justify armed conflict down to and including the use of nuclear weapons Raritan on War collects some of the finest writing on that troubling subject published in Raritan Quarterly between 2003 and 2022 The editors Jackson Lears and Karen Parker Lears have selected work that typifies Raritan s wide ranging sensibility focusing on a topic that is aesthetically rich intellectually challenging and morally disturbing Ultimately Raritan on War reveals the power of art and reflection to sustain humane ways of being in the world even amid constant global violence Contributors C Felix Amerasinghe Andrew J Bacevich Victoria De Grazia Tamas Dobozsy David Ferry M Fortuna Cai Guo Qiang Emma Dodge Hanson Jochen Hellbeck Karl Kirchwey Ray Klimek Peter LaBier Patrick Lawrence d mark levitt Michael Miller Lyle Jeremy Rubin Elizabeth D Samet Sherod Santos Robert Westbrook Review of Current Military Literature ,1951-07 *Quarterly Review of Military Literature* ,1952 Congressional Record United States. Congress,1932 **World Fiction, Today's Best Stories from All the World** ,1922 **A World in Flames** Martin Kitchen,2014-01-14 A concise account of the war including the war in Asia and the Pacific as well as the European arena Covers the formation of the victorious Grand Alliance and to the problems that beset it and to Nazi Germany s relations with its allies **From Double Eagle to Red Flag** Petr Nikolaevich Krasnov,1926 Pyotr Nikolayevich Krasnov 1869 1947 was Lieutenant General of the Russian army when the revolution broke out in 1917 and one of the leaders of the counterrevolutionary White movement afterward According to its introduction From Double Eagle to Red Flag was born of the debris of Imperial Russia conceived in the shadow of Leo Tolstoy s historical narrative by a Russian General with exceptional opportunities This monumental novel has a naked a terrible fascination
