**Underneath** Pat Kinevane, 2015-02-06 It's mad that you're here with me. In Cobh I always felt like I was born on the brink of the world. That I was near death always. And here I am. Hereafter. This place of slower motion. But whipping energy back home. A woman lies dead in her grave in the Tumbledown cemetery, Cobh, County Cork. It's a recent relocation, only two weeks before she was living in a flat near Croke Park in Dublin, beneath two East European prostitutes who she had begun to be friendly with. From her last resting place, she tells the story of her life: her happy childhood and the mother who loved Cleopatra; being struck by lightning and then missing school for a year; her night shifts in hotels washing and mending laundry up to her ultimate and untimely demise in a north Dublin flat, all via a series of unlikely encounters and heartbreaking betrayals. Written in Pat Kinevane's signature style, *Underneath* is a blackly comic, rich and vivid tale of a life lived in secret, a testament to the people who live on the fringes under the nose of everyday life. *Underneath* was published to coincide with the play's first production by Fishamble Theatre Company in December 2014.

**Masculinities and Manhood in Contemporary Irish Drama** Cormac O'Brien, 2021-12-10 This book charts the journey in terms of both stasis and change that masculinities and manhood have made in Irish drama and by extension in the broader culture and society from the 1960s to the present. Examining a diverse corpus of drama and theatre events, both mainstream and on the fringe, this study critically elaborates a seismic shift in Irish masculinities. This book argues that Irish manhood has shifted from embodying and enacting post-colonial concerns of nationalism and national identity to performing models of masculinity that are driven and moulded by the political and cultural practices of neoliberal capitalism. *Masculinities and Manhood in Contemporary Irish Drama* charts this shift through chapters on performing masculinity in plays set in both the Irish Republic and Northern Ireland and through several chapters that focus on Women's and Queer drama. It thus takes its readers on a journey, a journey that begins with an overtly patriarchal nationalist manhood that often made direct comment on the state of the nation and ultimately arrives at several arguably regressive forms of globalised masculinity which are couched in misaligned notions of individualism and free choice and that frequently perceive themselves as being in crisis.
