Sexuality And Motherhood:

Mothers, Sex, And Sexuality Michelle Walks, Joani Mortenson, Holly Zwalf, 2020-06-01 Mothers Sex and Sexuality talks about things not normally dared spoken out loud the interconnectedness and conflict between our parental and sexual selves the taboo of the sexual mother and why it matters so much to shatter it What is it about the sexual mother that is incompatible and at times even disturbing Why are we threatened by maternal sexuality And what does this tell us about the structures of gender and power that govern our bodies Mothers Sex and Sexuality presents a rigorous academic analysis of the myriad ways in which the sexual maternal divide affects women birthing people and those of us who assume or are ascribed the title mother We examine the way we as mothers talk to our daughters about sex the way we talk about sex in a cultural context and the deafening silence around sex in a medical system that overlooks maternal sexuality We return repeatedly to the impact of both Christianity and Hinduism on the mother as someone to be revered but tightly controlled We embrace the lost eroticism of mothering and hail breastfeeding as a sexual maternal practice arguing for a new broader feminist understanding of sexuality We discuss the way fat mothers destabilise the heteronormative maternal model the way kinky queers are reconfiguring the sexual maternal divide through erotic role play and we explore the strange intense and romantic domestic relationship that springs up between mothers and nannies two heterosexual women trapped together in a homoerotic triangulation of need and desire In a titillating climax we revel in the sexual maternal as embodied through performance art poetry installations and comedy disrupting queer readings of bodies as we are invited to both fuck and fuck with the maternal This book boldly provides both a challenge to the patriarchal constraints of motherhood and a racy road map escape route out of the sexual maternal dichotomy **Mothers, Sex, And Sexuality** Michelle Walks, 2020

Sexuality and Motherhood Irene Walton, 1994 Provides a comprehensive examination of sexuality and its wealth of meanings in the lives of people with particular emphasis on the importance of such understanding to midwifery practice The chapters look at the different meanings given to sexuality both personally and globally the historical cultural and social constructs of male and female sexuality gender ascription and gender role stereotyping theories of sexuality physical aspects of sexuality through the life cycle and the differences of erotic and non erotic sexuality Sexuality and the disabled mother and father and sexual practices and advice in pregnancy are also discussed **Motherhood and Sexuality** Marie Langer, 1992 In Motherhood and Sexuality one of Latin America's most prominent psychoanalysts interprets the sources of modern woman's unconscious conflicts Available for the first time to an English speaking audience the book is as illuminating today as it was when it was first released Marie Langer argues that economic institutions and cultural values must be altered to permit women full participation in creative and productive activities if women are to accept their maternal role without conflict or resentment Within this context her work presents a rare exploration of psychosomatic disorders related to female reproductive life The book demonstrates the centrality of the mother daughter relationship to each woman's potential to

embrace her experience as a sexual being and mother Combining psychoanalytic theory with fascinating clinical material chapters cover woman s conflictual relationship to menstruation sexuality pregnancy infertility childbirth breast feeding and menopause Withstanding the test of time Langer s interpretation of the psychological dimension of the causes and meanings of infertility for example provides an in depth treatment of a topic that is even more relevant today than when it was written Throughout Nancy Caro Hollander has added critical chapter notes to indicate the changes in Langer s thinking since the book was published and to relate Langer s perspectives to contemporary ideas about female sexuality and motherhood In addition Hollander s Introduction and Afterword provide an overview of Langer s life and trace the development of her ideas Integrating a Kleinian perspective on the unconscious roots of female psychosexual development with a political understanding of the socially constructed impediments to women s equality this book fills an important gap in the literature It is valuable reading for psychologists psychoanalysts and other mental health professionals interested in questions of femininity gender identity and the inherently conflictual realms of female sexuality and motherhood Instructors in women s studies and Latin American studies programs will find it an important resource for their students

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Encyclopedia of Motherhood* Andrea O'Reilly, 2010-04-06 In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable The Encyclopedia of Motherhood is a collection of approximately 700 articles in a three volume A to Z set exploring major topics related to motherhood from geographical historical and cultural entries to anthropological and psychological contributions In human society few institutions are as important as motherhood and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference The Encyclopedia is a comprehensive resource designed to provide an understanding of the complexities of motherhood for academic and public libraries and is written by academics and institutional experts in the social and behavioural sciences *Trauma Transmission and Sexual Violence* Nena Močnik, 2020-08-11 This book grapples with the potential impacts of collective trauma in war rape survivors families Drawing on inter ethnic and inter generational participatory action research on reconciliation processes in post conflict Bosnia Herzegovina the author examines the risk that female survivors of war related sexual crimes now mothers will breed hatred and further division in the post conflict context Showing how the historical trauma of sexual abuse among survivors affects the ideas perceptions behavioural patterns and understandings of the ethnic and religious Other or perpetrator the book also considers the influence of such trauma on other attitudes rarely addressed in peacebuilding programmes such as notions of naturalised gender based violence cultural scripts of sexuality and support for dangerous or violent aspects of the patriarchal social order It thus seeks to sketch proposals for a curriculum of peacebuilding that takes account of the legacy of war rape in survivors families and the impact of trauma transmission As

such Trauma Transmission and Sexual Violence will appeal to scholars of politics sociology and gender studies with interests in peace and reconciliation processes and war related sexual violence *Taking It Lying Down* Frances Hudson, Bernard Ineichen, 1991-09-09 This excellent book should be read by policy makers service providers and anyone working with or concerned about young people Margaret Chekri FPA Information Officer Teenage sexuality pregnancy and motherhood have become matters of concern in many countries A variety of both explanations and solutions have been put forward This book reviews the existing state of knowledge within Britain the USA and elsewhere On their first hand experiences as director of a unit for schoolgirl mothers and sociological researcher the authors suggest ways of both reducing teenage pregnancies and providing more effective help for teenage mothers **Sexual Democracy** Ann Ferguson, 2019-09-16 In a book that is both a critical analysis of contemporary society and the record of a feminist intellectual odyssey Ann Ferguson one of the most influential socialist feminist theorists develops a new theory of social domination Tracing the development of socialist feminist theory from its roots in the politics of the New Left to its present p *The Neutered Mother, The Sexual Family and Other Twentieth Century Tragedies* Martha Albertson Fineman, 2014-04-04 Calling for nothing less than a radical reform of family law and a reconception of intimacy The Neutered Mother The Sexual Family and Other Twentieth Century Tragedies argues strongly against current legal and social policy discussions about the family because they do not have at their core the crucial concepts of caregiving and dependency as well as the best interests of women and children The Neutered Mother scrutinizes the definitions of family and mother throughout the volume while paying close attention to issues of race class and sexuality In addition Fienman convincingly contests society s refusal to dignify support and respond to the needs of caregivers and illustrates the burden they must bear due to this treatment This book is a crucial step toward defining America s most pressing social policy problems having to do with women motherhood and the family Lesbian Motherhood Róisín Ryan-Flood, 2009-05-27 This book studies the growing number of lesbian women embarking on parenthood after coming out Theoretical debates about lesbian motherhood often consider its assimilative or transgressive dimensions This book offers a different approach contextualising lesbian motherhood in relation to sexual citizenship and hegemonic discourses of kinship **Sex, Race, and Family in Contemporary American Short Stories** M. Bostrom, 2007-08-06 This book reveals a female sexual economy in the marketplace of contemporary short fiction which locates a struggle for sexual power between mothers and daughters within a larger struggle to pursue that object of the American dream whiteness Rereading Heterosexuality Rachel Carroll, 2012-04-04 Heterosexuality in contemporary novels re examined using the frameworks of feminism and queer theory Drawing on feminist and queer theories of sex gender and sexuality this study focuses on female identities at odds with heterosexual norms In particular it explores narratives in which the conventional equation between heterosexuality reproductive sexuality and female identity is questioned Madness and Loss of Motherhood Roberta J. Apfel, Maryellen H. Handel, 1993 The need for intimacy is present in everyone perhaps even more so

among persons with long term mental illness For some of these persons parenting a child provides an instant identity a valued status From helping an individual make decisions about his or her sexuality to stabilizing a woman with long term mental illness throughout a difficult pregnancy the clinician is faced with many challenges In this volume a multitude of issues are examined surrounding sexuality and reproduction among persons with long term mental illness The authors present data on the incidence of sexual activity study staff reactions to pregnancy on an inpatient unit and propose methods for inpatient management of sexually active persons with long term mental illness Specific chapters present clinical information on medication use during pregnancy and on prenatal and postpartum care with special emphasis on the problems encountered when working with this special population *The Neutered Mother, the Sexual Family, and Other Twentieth Century Tragedies* Martha Fineman,1995 Calling for nothing less than a radical reform of family law and a reconception of intimacy *The Neutered Mother The Sexual Family and Other Twentieth Century Tragedies* argues strongly against current legal and social policy discussions about the family because they do not have at their core the crucial concepts of caregiving and dependency as well as the best interests of women and children *The Neutered Mother* scrutinizes the definitions of family and mother throughout the volume while paying close attention to issues of race class and sexuality In addition Fienman convincingly contests society s refusal to dignify support and respond to the needs of caregivers and illustrates the burden they must bear due to this treatment This book is a crucial step toward defining America s most pressing social policy problems having to do with women motherhood and the family *Sexual Politics and Feminist Science* Kirsten Leng,2018-02-15 In *Sexual Politics and Feminist Science* Kirsten Leng restores the work of female sexologists to the forefront of the history of sexology While male researchers who led the practice of early twentieth century sexology viewed women and their sexuality as objects to be studied not as collaborators in scientific investigation Leng pinpoints nine German and Austrian women sexologists and female sexual theorists to reveal how sex gender and sexuality influenced the field of sexology itself Leng s book makes it plain that women not only played active roles in the creation of sexual scientific knowledge but also made significant and influential interventions in the field *Sexual Politics and Feminist Science* provides readers with an opportunity to rediscover and engage with the work of these pioneers Leng highlights sexology s empowering potential for women but also contends that in its intersection with eugenics the narrative is not wholly celebratory By detailing gendered efforts to understand and theorize sex through science she reveals the cognitive biases and sociological prejudices that ultimately circumscribed the transformative potential of their ideas Ultimately *Sexual Politics and Feminist Science* helps readers to understand these women s ideas in all their complexity in order to appreciate their unique place in the history of sexology [Happy Abortions](#) Erica Millar,2017-12-15 A provocative and important book that every pro choice advocate should read Sin ad Kennedy Coalition to Repeal the 8th Amendment When it comes to abortion today s liberal climate has produced a common sense that is both pro choice and anti abortion The public are fed an

unchanging version of what the abortion choice entails and how women experience it While it would prove highly unpopular to insist that all pregnant women should carry their pregnancy to term the idea that abortion could or should be a happy experience for women is virtually unspeakable In this careful and intelligent work Erica Millar shows how the emotions of abortion are constructed in sharp contrast to the emotional position occupied by motherhood the unassailable placeholder for women s happiness Through an exposition of the cultural and political forces that continue to influence the decisions women make about their pregnancies forces that are synonymous with the rhetoric of choice Millar argues for a radical reinterpretation of women s freedom

Sexuality And Motherhood Introduction

In today's digital age, the availability of Sexuality And Motherhood books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexuality And Motherhood books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexuality And Motherhood books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexuality And Motherhood versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexuality And Motherhood books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexuality And Motherhood books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexuality And Motherhood books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexuality And Motherhood books and manuals for download have transformed the way we access

information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexuality And Motherhood books and manuals for download and embark on your journey of knowledge?
