Managing Economic Development A Guide To State And Local Leadership Strategies:

Managing Economic Development Jeffrey S. Luke, 1988-05-27 **Managing Economic Development** Jeffrey Scott Luke, 1988-05-01 *Handbook of Economic Development* Kuo-Tsai Liou, 1998-06-25 Featuring over 1900 references drawings and tables and drawing on disciplines as diverse as political economics public management and urban affairs this versatile text offers comprehensive information on major policy and managerial issues important to local and national economic development Pulling together the work of over 40 researchers the book examines the role of government in economic advances and reform provides a complete up to date survey of the literature on local and national economic development details local and regional economic progress in the US adopts an innovative interdisciplinary approach to the study of economic expansion and more The Oxford Handbook of State and Local Government Donald P. Haider-Markel, 2014-04-03 The Oxford Handbook of State and Local Government is an historic undertaking It contains a wide range of essays that define the important questions in the field evaluate where we are in answering them and set the direction and terms of discourse for future work The Handbook will have a substantial influence in defining the field for years to come The chapters critically assess both the key works of state and local politics literature and the ways in which the sub field has developed It covers the main areas of study in subnational politics by exploring the central contributions to the comparative study of institutions behavior and policy in the American context Each chapter outlines an agenda for future research **Managing Local Government** Richard D. Bingham, 1991-06-18 This book provides a descriptive analysis of how public administrators manage municipal government Using examples from the United States it explores six dimensions of public administration legal aspects of public management human resources management budgeting and public finance the political dimension intergovernmental relations and ethical considerations As well as theory the authors address such practical issues as economic development housing culture and recreation public safety transportation and waste disposal Handbook of State Government Administration John J. Gargan, 2020-01-27 Devised to meet the ongoing challenge of identifying the skills and knowledge necessary for expanding the governing capacity of state and local authorities this book discusses the fiscal consequences of get tough approaches to crime and presents more effective and less expensive policy options Surveying the range of administrative and management practices employed by state governments the editor and contributors explore the results of the governmental reform tradition the impact of federalism and intergovernmental relations and the effects of political culture on state government by focusing on economic development welfare corrections and environmental programs and policies *Theories of Local Economic Development* James E. Rowe, 2016-12-05 In economic development theory and practice exist as two seemingly separate realities Academics strive to develop or refine theory by drawing on abstract concepts about the way people behave and institutions work while practitioners draw from a stock of experiences By bringing together leading theorists and practitioners such as Blakely Blair McCann Luger Gunder

Stough and Stimson this book provides the first comprehensive overview of local economic development theories for over fifteen years It explores the theory behind the key concepts that every economic practitioner must understand and in doing so ties together the various theories from across the disciplines to practice Handbook of Public Management Practice and Reform Kuo-Tsai Liou,2019-09-16 Outlining the origins motivations strategies implementations and effectiveness of reform policies and programs Handbook of Public Management Practice and Reform examines changes and challenges in major areas of public administration including budgeting finance human resources and organizational management reviews the lessons of reform and addresses new ideas and emerging issues Discussing the development and contribution of public administration education research and professional associations the book covers decentralization and deregulation institutional arrangement and support and cooperation between public and nonprofit organizations communities in the lead , **Ibss: Political Science: 1988** British Library of Political and Economic Science,1992 This bibliography lists the most important works in political science published in 1988
