Buckley,2002-11-14 The Mandaeans are a Gnostic sect that arose in the middle east around the same time as Christianity What little study of the religion there has been has focused on the ancient Mandaeans and their relation to early Christianity Buckley examines the lives and religion of contemporary Mandaeans who live mainly in Iran and Iraq but also in New York and San Diego She provides a comprehensive introduction to the religion and shows how its ancient texts inform the living religion and vice versa The Metaphysical Compass Jonathan Torralba Torron,2024-08-12 An in depth analysis of the different worldviews available to us in today s world their underlying metaphysics and the symbolism they use to convey their doctrines The Metaphysical Compass is an exercise in both analysis and synthesis delving deeply into complex religious and philosophical issues while providing summarized access to vast amounts of information that is difficult for non specialists to access It is based on the incontrovertible premise that especially after the globalization of knowledge we find ourselves in a highly complex world in which different incompatible worldviews uneasily coexist To guide us in our search the book focuses on the metaphysical answers underlying the different worldviews available to us whether religious mystical esoteric philosophical or scientific It also stresses the importance of symbolism in transmitting these doctrines and its undeniable and growing prevalence in today s mass media and popular culture The Metaphysical Compass was designed as an enjoyable synthesis capable of conveying a large amount of information in a visual and summarized but not dumbed down way Furthermore the book contains plenty of hyperlinks digital editions and notes through which those interested can expand their knowledge on specific topics It is an ideal book for those with little time to investigate and confront the great questions of life Also for those interested in discovering all the possible solutions to the oldest philosophical question of all which lies at the core of each and every worldview the conflict between the One and the Many The Metaphysical Compass includes A massive repository of knowledge both ancient and modern highly structured and profusely illustrated designed to clear up all your metaphysical doubts and guide you in navigating the complexities of the modern world and its myriad worldviews A comparative table with the 41 main current worldviews in which their particularities are described their main symbols discussed and their central metaphysical beliefs defined compared and categorized 15 summary diagrams that explain the complete argument of the book in a clear and pleasant visual way Graphics highlighting the prevalence of certain recurrent metaphysical doctrines in modern popular culture *Ablution, Initiation, and Baptism: Methodological considerations* ,2011

The present volumes is the result of an international collaboration of researchers who are excellent within their respective fields interpretation of texts studies of rites archaeology architecture history of art and cultural anthropology They met for two conferences to discuss the significance of rites of ablution initiation and baptism and their interpretation in Late Antiquity Early Judaism and Early Christianity The volume establishes a new international standard of research within these fields of scholarship *Ablution, Initiation, and Baptism* David Hellholm, Tor Vegge, Øyvind Norderval, Christer Hellholm, 2011-07-27 In the web of cultural processes of late antiquity ablution rites and initiation rites were performed in different forms and in different contexts Such rites existed in Early Judaism and Greco Roman cults and were also applied in early Christianity under the label baptism however not as one fixed rite uniformly performed and interpreted Baptismal rites developed diversely corresponding to the diversity among Christian groups of which some later came to be perceived as heretical Remains of art architecture and texts from these contexts were discussed in two conferences gathering scholars who are excellent within their respective fields text studies studies of rites archaeology architecture history of art and cultural anthropology These different fields of research have in recent years generated new knowledge that is relevant for the discussion of ablution and initiation rites and their function in late antiquity At the same time interests of research have altered in favour of a growing cooperation across discipline borders The present volumes are the outcome of two conferences in Rome 2008 and at Metochi Lesbos 2009 *A Feminist Companion to Mariology* Amy-Jill Levine, Maria Mayo Robbins, 2005-08-22 The twelve essays in this volume explore through various approaches not only the biblical portraits of Mary but also both the quest for the historical Mary and the understandings of those portraits through the centuries Valerie Abrahamsen Jorunn Jacobsen Buckley John Dominic Crossan Mary F Foskett Beverly Roberts Gaventa Deirdre Good Jorunn kland Jane Schaberg George H Tavard John van den Hengel Pieter W van der Horst and George T Zervos offer contributions that address such topics as the understandings of sexuality the divine feminine soteriology first century social history christology Protestant Catholic and Orthodox hermeneutics ecumenical and interfaith relations and the meaning of virginity Volume 10 of the Feminist Companions to the Bible Series *The Talmud's Red Fence* Shai Secunda, 2020-06-16 The Talmud s Red Fence explores how rituals and beliefs concerning menstruation in the Babylonian Talmud and neighboring Sasanian religious texts were animated by difference and differentiation It argues that the practice and development of menstrual rituals in Babylonian Judaism was a product of the religious terrain of the Sasanian Empire where groups like Syriac Christians Mandaeans Zoroastrians and Jews defined themselves in part based on how they approached menstrual impurity It demonstrates that menstruation was highly charged in Babylonian Judaism and Sasanian Zoroastrian where menstrual discharge was conceived of as highly productive female seed yet at the same time as stemming from either primordial sin Eve eating from the tree or evil Ahrimen s kiss It argues that competition between rabbis and Zoroastrians concerning menstrual purity put pressure on the Talmudic system for instance in the unusual development of an expert

diagnostic system of discharges It shows how Babylonian rabbis seriously considered removing women from the home during the menstrual period as Mandaeans and Zoroastrians did yet in the end deemed this possibility too heretical Finally it examines three cases of Babylonian Jewish women initiating menstrual practices that carved out autonomous female space One of these the extension of menstrual impurity beyond the biblically mandated seven days is paralleled in both Zoroastrian Middle Persian and Mandaic texts Ultimately Talmudic menstrual purity is shown to be driven by difference in its binary structure of pure and impure in gendered terms on a social axis between Jews and Sasanian non Jewish communities and textually in the way the Palestinian and Babylonian Talmuds took shape in late antiquity **John the Baptist and the Last**

**Gnostics** Andrew Philip Smith,2016-08-16 This fascinating study of the Mandaeans of Iraq considered the last of the Gnostics traces their history back to John the Baptist and the days of early Christianity Among the casualties of western intervention in Iraq and ISIS are the Mandaeans of Southern Iraq These peace loving people are now fleeing to the west They are the last Gnostics the only surviving remnant of the ancient sects who taught the direct knowledge of God created their own gospels and myths and were persecuted as heretical by the church in the second and third centuries The Mandaeans place weekly river baptisms at the center of their religious life and the primary exemplar of their religion is none other than John the Baptist So what is the real history of this mysterious and long lived sect Can the Mandaean peoples really be traced back to the first century And who was John the Baptist This book follows the history of the Mandaeans from their present plight back through their earliest encounters with the West their place in Islamic counties their possible influence on the Templars back to their origins as a first century baptismal sect connected to John the Baptist and beyond **The Gnostic World** Garry W. Trompf,Gunner B. Mikkelsen,Jay Johnston,2018-10-03 The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today These themes are examined across sixty seven chapters in a variety of contexts from the ancient pre Christian to the contemporary The volume considers the intersection of Gnosticism with Jewish Christian Islamic and Indic practices and beliefs and also with new religious movements such as Theosophy Scientology Western Sufism and the Nation of Islam This comprehensive handbook will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history
