

BRIAN MOORE

THE MANGAN INHERITANCE

at once a mystery, a tale of passion and a search for roots
with a cast of unforgettable characters

Jamie Mangan, failed poet and some-
journalist has suddenly and tragically
set free from his marriage to a beauti-
American actress. He returns to Mon-
where he sifts through old family pap-
discover a photograph of a drug-taki-
bohemian Irish poet of a century and
ago. The likeness of the accused po-
well be a photograph of Jamie himse-
close is the resemblance.

Intrigued, Jamie sets out for south-
to discover his ancestry—and himself. He encounters
Mangans—among them Eileen, obviously driven mad by
shattering event; Conor, a dwarfish, drunken rabble-rc
Conor's beautiful and lusty sister Kathleen; and a mys-
poet, presumed dead, who hides himself and his horri-
secret in a deserted castle. Bit by bit, Brian Moore ma-
allows the puzzle to be pieced together until the terrifi-
mysteries of the family's past are revealed to a stricken
Jamie Mangan.

'Moore paces *The Mangan Inheritance* like a thriller
and his ability to evoke character is unparalleled.'
—*Atlantic Monthly*.

'Witty and ironic . . . Written with unfaltering skill.'

Mangan Inheritance:

The Mangan Inheritance Brian Moore, 2011-08-09 Not so long ago James Mangan was a brilliant young poet These days however he toils as a journalist and shivers in the shadow of his glamorous movie star wife And now she has left him for her lover Adrift and depressed Jamie takes refuge with his father in whose house he turns up a 19th century daguerreotype bearing the initials J M and depicting a man who as it happens is Jamie s spitting image Could this be the only existing photograph of his purported ancestor the legendarily dissolute Irish poet James Clarence Mangan Obsessed by this strange resemblance and aided by an unexpected financial windfall Jamie heads to Ireland thinking at last to discover that elusive entity himself Instead in the dreary coastal village of Drishane he meets the Mangans derelict Eileen sullen Dinny drunken and shrunken Conor and the sexy and very available Kathleen They know something for sure something to do with Jamie and something they don t want him to find out *The Mangan Inheritance* is melodrama at its most inventive and suggestive an inquiry into the problem of identity and the nature of ancestry that beguiles the reader with dark deeds wild humor and weird goings on on its way towards a shocking and terrifying and utterly satisfying conclusion **New York Magazine**, 1979-12-31 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Four Contemporary Novels** Kerry McSweeney, 1983-01-01 Four Contemporary Novelists offer accounts of the fiction of Angus Wilson Brian Moore John Fowles and V S Naipaul The author has charted the development of each writer identified dominant themes controlling techniques and informing sensibility explained what each has tried to accomplish and compare theory to practice provided an appropriate context for appreciation and evaluation of all parts of each canon and made qualitative discriminations **Landscapes of Encounter** Liam Gearon, 2002 Brian Moore 1921 1999 is one of the few novelists whose literary portrayal of Catholicism effectively spans the period prior to and following the Second Vatican Council Many critics have discussed how Moore s life is reflected in his works while others have dismissed his fictions as simple narratives in the mould of classical realism In this timely book Gearon contends that Moore s fictions are far more complex as he was one of the great observers of Catholicism in all its modern and historical controversy **Irish Gothics** Christina Morin, Niall Gillespie, 2014-05-30 Scholarly interest in the Irish Gothic has grown at a rapid pace in recent years but the debate over exactly what constitutes this body of literature remains far from settled This collection of essays explores the rich complexities of the literary gothic in eighteenth and nineteenth century Ireland *Brian Moore* Jo O'Donoghue, 1991-01-01 Moore grew up in Northern Ireland and as a young man spent a number of years travelling throughout Europe while working for the British Ministry of War Transport In 1948 he left for Montreal where he began his literary career While living in

Canada he supported his writing by working as a proof reader reporter and pseudonymous thriller writer He wrote his first serious novel Judith Hearne during a stay of several months in a log cabin in Quebec s Laurentian Mountains After eleven years in Canada he was awarded a Guggenheim fellowship and moved to New York He eventually moved to Hollywood to write a film for Alfred Hitchcock and now lives in Malibu California Jo O Donoghue identifies Moore as a writer particularly interested both in questions of religion and in a world he believes to have largely abandoned traditional spiritual values Moore s Irish Catholic upbringing she demonstrates has located him in an enclosed self sufficient community with a strong sense of the spiritual O Donoghue regards Moore as remarkable among modern male novelists for the depth of his interest in women and the sensitivity and acuteness of his insights into women s psychology Although Moore in a literary career spanning more than thirty years has published sixteen novels and one work of reportage and has won numerous literary prizes he has only recently attracted the sort of consistent critical acclaim which is his due The Colour of Blood finally secured recognition for him as one of the truly important novelists of the late twentieth century O Donoghue s study is the first major critical analysis of the work of this gifted and accomplished writer

Irish Writing in the Twentieth Century David Pierce,2000 Arranged chronologically by decade from the 1890s to the 1990s each decade is divided into two different types of writing critical documentary and imaginative writing and is accompanied by a headnote which situates it thematically and chronologically The Reader is also structured for thematic study by listing all the pieces included under a series of topic headings The wide range of material encompasses writings of well known figures in the Irish canon and neglected writers alike This will appeal to the general reader but also makes Irish Writing in the Twentieth Century ideal as a core text providing a unique focus for detailed study in a single volume

BOOK JACKET The Cambridge Companion to Irish Poets Gerald Dawe,2018 A fresh accessible and authoritative study that conveys the richness and diversity of Irish poets their lives and times

The Ogham Stone Gerald Dawe,Michael Mulreany,2001 Religion and Sexuality Michael A. Hayes,Wendy Porter,David Tombs,2016-10-06 This volume on a provocative set of topics presents papers from the 1997 conference on Religion and Sexuality at Roehampton Institute London The papers do not confine themselves to contemporary discussion of the topics concerned but range widely in their discourse and discuss this relationship in social theological and political contexts
