Mangoes On The Maple Tree:

Mangoes on the Maple Tree Uma Parameswaran, 2006-07 What I found most enjoyable about this novel is that it steers clear of stereotypes about Indian immigrant families The Bhaves and the Moghes are refreshingly different from some families that inhabit the world of diasporic fiction There are no daughters being threatened with arranged marriages no authoritarian parents and no weepy sentimentality about the land left behind Nalini Iyer on SAWNET Book Pages This is the story of two families that not only dive deep into dangerous waters but surface and live to tell the tale Michelle Reale in Rain Taxi Online A hymn to the joys and sorrows of family in the best most inclusive sense of the word Andreas Schroeder

Cultural Grammars of Nation, Diaspora, and Indigeneity in Canada Christine Kim, Sophie McCall, Melina Baum Singer, 2012-05-09 Cultural Grammars of Nation Diaspora and Indigeneity in Canada considers how the terms of critical debate in literary and cultural studies in Canada have shifted with respect to race nation and difference In asking how Indigenous and diasporic interventions have remapped these debates the contributors argue that a new cultural grammar is at work and attempt to sketch out some of the ways it operates The essays reference pivotal moments in Canadian literary and cultural history and speak to ongoing debates about Canadian nationalism postcolonialism migrancy and transnationalism Topics covered include the Asian race riots in Vancouver in 1907 the cultural memory of internment and dispersal of Japanese Canadians in the 1940s the politics of migrant labour and the domestic labour scheme in the 1960s and the trial of Robert Pickton in Vancouver in 2007 The contributors are particularly interested in how diaspora and indigeneity continue to contribute to this critical reconfiguration and in how conversations about diaspora and indigeneity in the Canadian context have themselves been transformed Cultural Grammars is an attempt to address both the interconnections and the schisms between these multiply fractured critical terms as well as the larger conceptual shifts that have occurred in response to national and postnational arguments *The Greenwood Encyclopedia of Asian American Literature* Guiyou
