The Power Broker Robert A. Caro, 2024-09-16 PULITZER PRIZE WINNER A modern American classic this huge and galvanizing biography of Robert Moses reveals not only the saga of one man s incredible accumulation of power but the story of his shaping and mis shaping of twentieth century New York One of the Modern Library s hundred greatest books of the twentieth century Robert Caro s monumental book makes public what few outsiders knew that Robert Moses was the single most powerful man of his time in the City and in the State of New York And in telling the Moses story Caro both opens up to an unprecedented degree the way in which politics really happens the way things really get done in America s City Halls and Statehouses and brings to light a bonanza of vital information about such national figures as Alfred E Smith and Franklin D Roosevelt and the genesis of their blood feud about Fiorello La Guardia John V Lindsay and Nelson Rockefeller But The Power Broker is first and foremost a brilliant multidimensional portrait of a man an extraordinary man who denied power within the normal framework of the democratic process stepped outside that framework to grasp power sufficient to shape a great city and to hold sway over the very texture of millions of lives We see how Moses began the handsome intellectual young heir to the world of Our Crowd an idealist How rebuffed by the entrenched political establishment he fought for the power to accomplish his ideals How he first created a miraculous flowering of parks and parkways playlands and beaches and then ultimately brought down on the city the smog choked aridity of our urban landscape the endless miles of never sufficient highway the hopeless sprawl of Long Island the massive failures of public housing and countless other barriers to humane living How inevitably the accumulation of power became an end in itself Moses built an empire and lived like an emperor He was held in fear his dossiers could disgorge the dark secret of anyone who opposed him He was he claimed above politics above deals and through decade after decade the newspapers and the public believed Meanwhile he was developing his public authorities into a fourth branch of government known as Triborough a government whose records were closed to the public whose policies and plans were decided not by voters or elected officials but solely by Moses an immense economic force directing pressure on labor unions on banks on all the city s political and economic institutions and on the press and on the Church He doled out millions of dollars worth of legal fees insurance commissions lucrative contracts on the basis of who could best pay him back in the only coin he coveted power He dominated the politics and politicians of his time without ever having been elected to any office He was in essence above our democratic system Robert Moses held power in the state for 44 years through the governorships of Smith Roosevelt Lehman Dewey Harriman and Rockefeller and in the city for 34 years through the mayoralties of La Guardia O Dwyer Impellitteri Wagner and Lindsay He personally conceived and carried through public works costing 27 billion dollars he was undoubtedly
