Manhattan Transfer Live:

Live While You Can Fr. Tony Coote, 2019-05-02 Fr Tony Coote was just fifty three years old in February 2018 when he was diagnosed with Motor Neuron Disease Just a few short months later he found himself confined to a wheelchair But rather than succumbing to the darkness that threatened to overwhelm him in the days after his diagnosis he drew on his powerful faith and unwavering belief in life and found a way to light hope and acceptance From growing up in Fairview to serving in the dioceses in Ballymun and later Mount Merrion and Kilmacud and his charity work while in UCD Fr Tony takes us on the journey of his life and shows us how through this devastating illness he came to know the true meaning and nature of God s love Sadly Tony passed away on the 28 August 2019 but his memoir and his message of hope strength and unwavering faith live on Our lives will never be measured in words spoken or success achieved but rather how we live and how our life has affected those around us Fr Tony Coote
