Manitoba Flood Of 1950 An Illustrated History:

The Manitoba Flood of 1950 J. M. Bumsted,1993-01-01 **Manitoba Premiers of 19th and 20th Centuries** Barry Ferguson,Robert Alexander Wardhaugh,2010 Annotation The province s history of religious linguistic ethnic and class conflict which has often drawn the entire country into its battles is revealed in the biographies of the Premiers *Harm's Way* Anthony W. Rasporich,Maxwell Foran,2004 The stories told in this collection though tragic for many illustrate the steadfast determination and courage of people in the face of misfortune and extreme distress From the lesser known weed outbreaks and tornadoes to the world wide influenza outbreak in 1918 that devastated many Calgary families these stories focus on the human side of these disasters It may be a heroic individual or the collective response of a community but what is truly remarkable in these stories is the human response to the world being turned upside down by famine and disease by flood fire or rock slide by wind and cold by dynamite or gas explosions or even by the seemingly mundane threat of weeds upon crops It is the resolution to continue to fight and the persistence of the human spirit and its adaptability to challenges that is the true story of a century of development in western Canada *The University of Manitoba* J.M. Bumsted,2001-11-15 Established in 1877 just seven years after the founding of the province itself the University of Manitoba has grown to become an international centre of research and study It is the birthplace of discoveries such as the cure for Rh disease of newborns and the development of Canola and its alumni include Marshal McLuhan Margaret Laurence Monty Hall Israel Asper and Ovide Mercredi Historian J M Bumsted looks at how the university was forged out of the assembly of several small denominational colleges and how it survived and even thrived during challenges such as the 1932 defalcation and the 1950 Manitoba flood He gives special attention to student life at the university tracing the changes from Freshie initiations in the 1920s and student musicals in the 1950s to the activism of the 1960s and 1970s *The University of Manitoba An Illustrated History* is an entertaining and lively social history of an institution whose development has reflected the changes of society at large *The Encyclopedia of Manitoba* Ingeborg Boyens,2007 An 800 page information source for all aspects of Manitoba s history arts politics nature geography business and sports *The Canadian Historical Review* ,1920 Includes section Recent publications relating to Canada *Extreme Canadian Weather* Joan Dixon,2009-05-12 Weather is the quintessential Canadian story Despite it s characterization in the rest of the world as a land of bush and blizzards Canada is a country of geographical and climatic variations It experiences just about every type of extreme weather possible tornadoes droughts dust storms ice storms hail storms hurricanes floods in addition to lots of snowstorms The weather is rarely boring and there are times when it has been so extreme it has surprised everyone *Report of Activities* Manitoba. Geological Services Branch,1996 *Canadian Who's Who 2009* Elizabeth Lumley,2008-12-04 Now in its ninety ninth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the
