Christian Lehner**

Mantike Studies In Ancient Divination:

Mantikê Sarah Iles Johnston, Peter T. Struck, 2005-07-01 This book thoroughly revisits divination as a central phenomenon in the lives of ancient Greeks Romans and Egyptians It collects studies from many periods in Graeco Roman history from the Archaic period to the late Roman and touches on many different areas of this rich topic including treatments of dice oracles sortition in both pagan and Christian contexts the overlap between divination and other interpretive practices in antiquity the fortunes of independent diviners the activity of Delphi in ordering relations with the dead the role of Egyptian cult centers in divinatory practices and the surreptitious survival of recipes for divination by corpses It also reflects a ranges of methodologies drawn from anthropology history of religions intellectual history literary studies and archaeology epigraphy and paleography It will be of particular interest to scholars and student of ancient Mediterranean religions *Mantikê*

Sarah Iles Johnston, Peter T. Struck, 2005 This book is a collection of studies by scholars Greek Roman Egyptian and early Christian religions on the topic of divination Its topics range from necromancy to dice rolling free lance diviners to Delphi and includes treatments from the Archaic period to Late Antiquity *Slaves and Religions in Graeco-Roman Antiquity and Modern Brazil* Dick Geary, Stephen Hodkinson, 2012-03-15 Slaves have never been mere passive victims of slavery Typically they have responded with ingenuity to their violent separation from their native societies using a variety of strategies to create new social networks and cultures Religion has been a major arena for such slave cultural strategies Through participation in religious and ritual activities slaves have generated important elements of identity shared humanity and even resistance within their lives This volume presents papers from a conference of the University of Nottingham s Institute for the Study of Slavery the only UK centre studying its history from antiquity to the present It breaks new ground by juxtaposing slave strategies within the diverse religious cultures of Graeco Roman antiquity and modern Brazil After a wide ranging historiographical survey eleven experts examine how in both societies slave religious activities involved both constraints and opportunities shedding particular new light on the neglected religious strategies of Graeco Roman slaves

Sacred Words: Orality, Literacy and Religion André Lardinois, Josine Blok, M.G.M. van der Poel, 2011-06-22 Surveying the variety of ways in which written texts and oral discourse were involved in ancient religions the contributions to this volume show that oral and written forms were intricately connected in both Greek and Roman state and private religions

Mystery Cults in the Ancient World Hugh Bowden, 2023-09-19 A landmark study of ancient Greek and Roman cults from the nocturnal mysteries at Eleusis to the cults of Dionysus and Mithras Mystery cults are one of the most intriguing areas of Greek and Roman religion In the nocturnal mysteries at Eleusis participants dramatically reenacted the story of Demeter s loss and recovery of her daughter Persephone in the Bacchic cult bands of women ran wild in the Greek countryside to honor Dionysus in the mysteries of Mithras men came to understand the nature of the universe and their place within it through frightening initiation ceremonies and astrological teachings These cults were an important part of life in the

ancient Mediterranean world but their actual practices were shrouded in secrecy Mystery Cults in the Ancient World makes plentiful use of artistic and archaeological evidence as well as ancient literature and epigraphy to reconstruct the sacred rituals and explore their origins Greek painted pottery Roman frescoes inscribed gold tablets from Greek and Southern Italian tombs and the excavated sites of religious sanctuaries all contribute to our understanding of ancient mystery cults Not only is this clearly written book a significant contribution to the study of these cults it is also accessible to a general readership More than any other book on ancient religion it allows the reader to understand what it was like to participate in these life altering religious events *Prognostication in the Medieval World* Matthias Heiduk, Klaus Herbers, Hans-Christian Lehner, 2020-11-09 Two opposing views of the future in the Middle Ages dominate recent historical scholarship According to one opinion medieval societies were expecting the near end of the world and therefore had no concept of the future According to the other opinion the expectation of the near end created a drive to change the world for the better and thus for innovation Close inspection of the history of prognostication reveals the continuous attempts and multifold methods to recognize and interpret God's will the prodigies of nature and the patterns of time That proves on the one hand the constant human uncertainty facing the contingencies of the future On the other hand it demonstrates the firm belief during the Middle Ages in a future which could be shaped and even manipulated The handbook provides the first overview of current historical research on medieval prognostication It considers the entangled influences and transmissions between Christian Jewish Islamic and non monotheistic societies during the period from a wide range of perspectives An international team of 63 renowned authors from about a dozen different academic disciplines contributed to this comprehensive overview

Divination and Theurgy in Neoplatonism Crystal Addey, 2016-05-13 Why did ancient philosophers consult oracles write about them and consider them to be an important part of philosophical thought and practice This book explores the extensive links between oracles and philosophy in Late Antiquity particularly focusing on the roles of oracles and other forms of divination in third and fourth century CE Neoplatonism Examining some of the most significant debates between pagan philosophers and Christian intellectuals on the nature of oracles as a central yet contested element of religious tradition Addey focuses particularly on Porphyry's *Philosophy from Oracles* and Iamblichus' *De Mysteriis* two works which deal extensively with oracles and other forms of divination This book argues for the significance of divination within Neoplatonism and offers a substantial reassessment of oracles and philosophical works and their relationship to one another With a broad interdisciplinary approach encompassing Classics Ancient Philosophy Theology Religious Studies and Ancient History Addey draws on recent anthropological and religious studies research which has challenged and re-evaluated the relationship between rationality and ritual *Oracles, Curses, and Risk Among the Ancient Greeks* Esther Eidinow, 2007-10-05 How did ancient Greek men and women deal with the uncertainty and risk of everyday life What did they fear most and how did they manage their anxieties Esther Eidinow sets side by side two collections of material usually studied in isolation binding curse

tablets from across the ancient world and the collection of published private questions from the oracle at Dodona in north west Greece Eidinow uses these texts to explore perceptions of risk and uncertainty in ancient society challenging previous explanations In these records we hear voices that are rarely if ever heard in literary texts and history books The questions and curses in these tablets comprise fervent sometimes ferocious appeals to the gods The stories they tell offer tantalizing glimpses of everyday life carrying the reader through the teeming ancient city both its physical setting and its social dynamics Among these tablets we find prostitutes and publicans doctors and soldiers netmakers and silver workers actors and seamstresses Anxious litigants ask the gods to silence their opponents Men inquire about the paternity of their children Women beg the gods to help them keep their men Business rivals try to corner the market Slaves plead to escape their masters This material takes us beyond the headlines of ancient history offering new insights into institutions activities and relationships Above all individually and together these texts help us to understand some of the ways in which ancient Greek men and women understood the world In turn the beliefs and activities of an ancient culture may shed light on modern attitudes to risk

Ancient Historiography on War and Empire Timothy Howe, Sabine Müller, Richard Stoneman, 2016-11-30 In the ancient Greek speaking world writing about the past meant balancing the reporting of facts with shaping and guiding the political interests and behaviours of the present Ancient Historiography on War and Empire shows the ways in which the literary genre of writing history developed to guide empires through their wars Taking key events from the Achaemenid Persian Athenian Macedonian and Roman empires the 17 essays collected here analyse the way events and the accounts of those events interact Subjects include how Greek historians assign nearly divine honours to the Persian King the role of the tomb cult of Cyrus the Founder in historical narratives of conquest and empire from Herodotus to the Alexander historians warfare and financial innovation in the age of Philip II and his son Alexander the Great the murders of Philip II his last and seventh wife Kleopatra and her guardian Attalos Alexander the Great s combat use of eagle symbolism and divination Plutarch s juxtaposition of character in the Alexander Caesar pairing as a commentary on political legitimacy and military prowess and Roman Imperial historians using historical examples of good and bad rule to make meaningful challenges to current Roman authority In some cases the balance shifts more towards the literary and in others more towards the historical but what all of the essays have in common is both a critical attention to the genre and context of history writing in the ancient world and its focus on war and empire

Experiencing Irony in the First Gospel Karl McDaniel, 2013-08-29 The Gospel of Matthew is both deliberately deceptive and emotionally compelling Karl McDaniel explores ways in which the narrative of the Gospel of Matthew elicits and develops the emotions of suspense surprise and curiosity within its readers While Matthew 1:21 invites readers to expect Jewish salvation progressive failure of the plot s main characters to meet Jesus salvation requirements creates increasing suspense for the reader How will Jesus save his people The commission to the Gentiles at the Gospel s conclusion provokes reader surprise and the resulting curiosity calls readers back to the narrative s

beginning Upon rereading with a retrospective view readers discover that the Gentile mission was actually foreshadowed throughout the narrative even from its beginning and they are invited to partake in Jesus final commission

Thank you categorically much for downloading **Mantike Studies In Ancient Divination**. Maybe you have knowledge that, people have seen numerous periods for their favorite books past this Mantike Studies In Ancient Divination, but stop stirring in harmful downloads.

Rather than enjoying a fine ebook similar to a cup of coffee in the afternoon, instead they juggled later than some harmful virus inside their computer. **Mantike Studies In Ancient Divination** is comprehensible in our digital library; an online admission to it is set as public appropriately; you can download it instantly. Mantike Studies In Ancient Divination Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Mantike Studies In Ancient Divination PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the

information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Mantike Studies In Ancient Divination PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Mantike Studies In Ancient Divination free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Mantike Studies In Ancient Divination Books

1. Where can I buy Mantike Studies In Ancient Divination books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
