Yascha Mounk

Manu Chao:

Clandestino Peter Culshaw, 2013-05-09 A decade ago Manu Chao's band Mano Negra toured Colombia by train negotiating with government troops and rebels an episode described at the time as less like a rock n roll tour more like Napoleon's retreat from Moscow That's Manu in a nutshell He does everything differently He is a multi million selling artist who prefers sleeping on friends floors to five star hotels an anti globalisation activist who hangs out with prostitute activists in Madrid and Zapatista leader Comandante Marcos in Chiapas a recluse who is at home singing in front of 100 000 people in stadiums in Latin America or festivals in Europe Clandestino has been five years in the writing as Peter Culshaw followed Manu around the world invited at a moment's notice to head to the Sahara or Brazil or to Buenos Aires where Manu was making a record with mental asylum inmates The result is one of the most fascinating music biographies we're ever likely to read

The Great Experiment Yascha Mounk, 2023-02-07 One of Barack Obama's Recommended Reads for Summer A brave and necessary book Anyone interested in the future of liberal democracy in the US or anywhere else should read this book Anne Applebaum A convincing humane and hopeful guide to the present and future by one of our foremost democratic thinkers George Packer From one of our sharpest political thinkers a brilliant big picture vision of how to bridge the bitter divides within diverse democracies Never in history has a democracy succeeded in being both diverse and equal treating different ethnic or religious groups fairly And yet achieving that goal is now central to the democratic project It is Yascha Mounk argues the greatest experiment of our time Drawing on history social psychology and comparative politics Mounk explains why we need to create a world in which our ascriptive identities come to matter less not because we ignore global injustices but because we have succeeded in addressing them The Great Experiment is that rare book that offers both a profound understanding of an urgent problem and genuine hope for our human capacity to solve it As Mounk contends it is up to us and the institutions we build whether we come to see each other as strangers or compatriots Giving up on the prospect of diverse democracies is simply not an option and that is why we must strive to realize a more ambitious vision for the future of our societies

Billboard, 2007-11-10 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

El mundo hispanohablante contemporáneo Clara Mojica-Díaz, Lourdes Sánchez-López, 2015-10-05 El mundo hispanohablante contemporáneo historia política sociedades y culturas is a comprehensive and innovative book for advanced students of Spanish Offering a constructivist approach to the study of the civilizations cultures and histories of the contemporary Spanish speaking world the book focuses on learning as an active process that enables learners to develop high level critical thinking skills through the exposure research examination and discussion of a variety of authentic films songs and literary texts Divided into twelve chapters each chapter begins with an introduction to the general topic followed

by various activities that lead students to critically analyse a range of authentic materials Learners are able to practice higher level critical thinking and linguistic skills through a wealth of tasks and exercises which culminate in a capstone section that requires the application of the concepts learned and sources utilized throughout the lesson

El mundo hispanohablante contemporáneo historia política sociedades y culturas offers great flexibility and adaptability to suit advanced courses in Hispanic culture and civilization Each chapter is methodologically designed with a balanced mix of activities for individual and teamwork Additional resources are available online for both instructors and students These include an instructor's guide with answer key a grammar supplement and links to the authentic materials referenced within the book

Clandestino. Alla ricerca di Manu Chao Peter Culshaw, 2022-01-25 Manu Chao un musicista particolare che fa le cose in maniera diversa Lo era a inizio carriera quando emergeva dalle periferie di Parigi insieme alla sua band la Mano Negra e lo oggi che un artista amato in tutto il mondo con milioni di dischi venduti e concerti sempre esauriti Eppure resta uno che preferisce dormire sui pavimenti degli amici piuttosto che in hotel a cinque stelle un attivista anti globalizzazione che frequenta gli zapatisti in Chiapas i Sem Terra in Brasile oppure le prostitute che protestano per i propri diritti a Madrid invece dei party esclusivi che lo status di rockstar planetaria gli consentirebbe Sempre schierato dalla parte degli ultimi dei diseredati degli sconfitti Per cinque anni lo scrittore inglese Peter Culshaw ha seguito Manu Chao nei suoi viaggi in tutto il mondo dal Sahara al Brasile da Buenos Aires dove stava registrando un disco con i pazienti di un centro per i disturbi mentali all'Europa fino all'epicentro del grande diavolo gli Stati Uniti Quello che ne è venuto fuori una delle biografie musicali più affascinanti che mai siano state scritte in cui si racconta la vita e il percorso umano di un artista diverso inafferrabile tanto fedele al proprio spirito quanto lontano dalle politiche commerciali che oggi governano il mondo

CMJ New Music Report, 2001-11-26 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ's trade publication compiles playlists for college and non commercial stations often a prelude to larger success

Protest Music in France Barbara Lebrun, 2016-04-08 Barbara Lebrun traces the evolution of protest music in France since 1981 exploring the contradictions that emerge when artists who take their musical production and political commitment seriously cross over to the mainstream becoming profitable and consensual Contestation is understood as a discourse shaped by the assumptions and practices of artists producers the media and audiences for whom it makes sense to reject politically reactionary ideas and the dominant taste for commercial pop Placing music in its economic historical and ideological context however reveals the fragility and instability of these oppositions The book firstly concentrates on music production in France the relationships between independent labels major companies and the state's cultural policies This section provides the material background for understanding the development of rock alternatif France's self-styled subversive genre of the 1980s and explains the specificity of a protest music culture in late twentieth century France in relation to the genre's tradition in the West The second part looks at representations of a

protest identity in relation to discourses of national identity focusing on two 1990s sub genres The first chanson n o r aliste contests modernity through the use of acoustic instruments but its nostalgic protest raises questions about the artists real engagement with the present The second rock m tis borrows from North African and Latino rhythms and challenges the neutral Frenchness of the Republic while advocating multiculturalism in problematic ways A discussion of Manu Chao s career a French artist who has achieved success abroad also allows an exploration of the relationship between transnationalism and anti globalization politics Finally the book examines the audiences of French protest music and considers festivals as places of non mainstream identity negotiation Based on first hand interviews this section highlights the vocabulary of emotions that audiences use to make sense of an alternative performance unveiling the contradictions that underpin their self definition as participants in a protest culture The book contributes to debates on the cultural production of resistance and the representation of post colonial identities uncovering the social constructedness of the discourse of protest in France It pays attention to its nation specific character while offering a wider reflection on the fluidity of subversive identities with potential applications across a range of Western music practices

Cult Musicians Robert Dimery, 2020-06-09 Even the most avid music fan will make some new discoveries in these pages The Current What makes a cult musician Whether pioneering in their craft fiercely and undeniably unique or critically divisive cult musicians come in all shapes and guises Some gain instant fame others instant notoriety and more still remain anonymous with small devout followings until a chance change in fashion sees their work propelled into the limelight Cult Musicians introduces fifty beyond the mainstream musicians deserving of a cult status in genres from afrobeat and art pop to glam rock and proto punk Weird and wonderful innovators and boundary breakers they include Alex Chilton and Aphex Twin Bobbie Gentry and Brian Eno Kat Bjelland and Kool Keith Nick Drake and Nick Cave and dozens more with a special ability to inspire antagonize and delight Included are insightful profiles discographies and striking illustrations by Kristelle Rodeia [CMJ New Music Report](#), 2002-12-09 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success

[When Music Migrates](#) Jon Stratton, 2016-02-17 When Music Migrates uses rich material to examine the ways that music has crossed racial faultlines that have developed in the post Second World War era as a consequence of the movement of previously colonized peoples to the countries that colonized them This development which can be thought of in terms of diaspora can also be thought of as postmodern in that it reverses the modern flow which took colonizers and sometimes settlers from European countries to other places in the world Stratton explores the concept of song careers referring to how a song is picked up and then transformed by being revisioned by different artists and in different cultural contexts The idea of the song career extends the descriptive term cover in order to examine the transformations a song undergoes from artist to artist and cultural context to cultural context Stratton focuses on the British

faultline between the post war African Caribbean settlers and the white Britons Central to the book is the question of identity For example how African Caribbean people have constructed their identity in Britain can be considered through an examination of when Police on My Back was written and how it has been revisioned by Lethal Bizzle in its most recent iteration At the same time this song written by the Guyanese migrant Eddy Grant for his mixed race group The Equals crossed the racial faultline when it was picked up by the punk rock group The Clash Conversely Johnny Reggae originally a pop ska track written about a skinhead by Jonathan King and performed by a group of studio artists whom King named The Piglets was revisioned by a Jamaican studio group called The Roosevelt Singers After this the character of Johnny Reggae takes on a life of his own and appears in tracks by Jamaican toasters as a Rastafarian Johnny s identity is then totally transformed It is this migration of music that will appeal not only to those studying popular music but

Reviewing **Manu Chao**: Unlocking the Spellbinding Force of Linguistics
