What happened in the years in between and why every crime family had reason to want him dead is one of the most brutal and fascinating stories in the history of American organized crime. They called him The One Man Army Mad Hatter Lord High Executioner. Albert Anastasia came to America mean and became a prolific killer. His merciless assassination of Mafia godfather Vincent Mangano is recounted here in chilling first hand detail. He set the record the first man in the history of American justice to be charged with four separate murders and walk free after each one. But in the end he was the last obstacle in rival Mafia hoodlum Vito Genovese's dream of becoming the boss of bosses and paid the ultimate price. **The ...
