Wonder Clearing Taylor Penfield, 2019-06-25 Rob Berger sits in a pew of the Cathedral Basilica of Saints Peter and Paul in Philadelphia Pennsylvania Alphonso Basilone s single pall covered casket before the altar clothes him thinly with a disturbing fearful sense of smallness and loneliness As the casket moved up the aisle he had remembered a promise that Alphonso and he had made to each other The one who survived was to tell the story the story of the sometimes tormented often troubled but finally faithful journey of two people one to become a Methodist minister the other a Catholic cleric The story begins in the 1950s in a Pennsylvania town called Steepleton Rob s account is far more than a reminder of the present revival of old issues and old prejudices Instead Wonder Clearing through the experience of the characters presents an alternative way of living Political issues including immigration civil rights and discrimination parallel the experiences of Rob and Alphonso They also face issues of sexual exploitation and orientation But

they face those issues and their own personal struggles through the caring and inclusive mission of wonder Inevitably through the winning lives of Rob and Alphonso readers will be touched by wonder The Untilled Field George Moore,2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage The Spiritual Quixote: Or, The Summer's Ramble of Mr. Geoffry Wildgoose Richard Graves,1774
