Drielak, 2020 Alice McDonnell Parsons was the heir to a vast fortune among Long Island's wealthy elite when she was kidnapped from Long Meadow Farm in Stony Brook in 1937 The crime shocked the nation and was front page news for several months J Edgar Hoover personally assigned his best FBI agents to the case and within a short time Parsons's husband and their live in housekeeper Anna Kupryanova had become prime suspects Botched ransom attempts clashes between authorities and romantic intrigue kept the investigation mired in drama The crime remained unsolved and has captivated Long Island audiences ever since Former Suffolk County detective Steven C Drielak reveals previously classified FBI documents and pieces together the mystery of the Alice Parsons kidnapping *The 2,548 Best Things Anybody Ever Said* Robert Byrne, 2004-12-27 Drawing from diverse personages from Goethe to Churchill to Woody Allen *The 2 548 Best Things Anybody Ever Said* is a witty wise quotation collection that deserves a special place on every humor lover's bookshelf These unique funny and outrageous quotations previously published in four separate volumes are now gathered together in a seemingly limitless trove of pithy and often irreverent one liners retorts put downs jokes and last words that cover every conceivable subject and will appeal to every taste Highlights include W C Fields Start every day with a smile and get it over with George Burns Happiness is having a large loving family in another city And many more *Under the Table* Kevin C. Fitzpatrick, 2013-11-05 I love a martini But two at the most Three I'm under the table Four I'm under the host Raise a glass to Dorothy Parker's wit and wisdom Kevin C Fitzpatrick founder and president of the Dorothy Parker Society gives us an intoxicating new look at the doyenne of the ripping riposte through the lens she most preferred the bottom of a glass A bar book for Parker enthusiasts and literary tipplers alike *Under the Table* offers a unique take on Mrs Parker the Algonquin Round Table and the Jazz Age by celebrating the cocktails that she her bitter friends and sweetest enemies enjoyed Each entry of this delicious compendium offers a fascinating and lively history of a period cocktail a complete recipe and the characters associated with it The book also features a special selection of twenty first century speakeasy style recipes from the country's top mixologists Topping it off are excerpts from Parker's poems stories and other writings that will allow you to enjoy her world from the speakeasies of New York City to the watering holes of Hollywood *Crafting The Personal Essay* Dinty W. Moore, 2010-08-11 Award winning essayist Scott Russell Sanders once compared the art of essay writing to the pursuit of mental rabbits a rambling through thickets of thought in search of some brief glimmer of fuzzy truth While some people persist in the belief that essays are stuffy and antiquated the truth is that the personal essay is an ever changing creative medium that provides an ideal vehicle for satisfying the human urge to document truths as we experience them and share them with others to capture a bit of life on paper *Crafting the Personal Essay* is designed to help you explore the flexibility and power of the personal essay in your own writing This hands on creativity expanding guide will help you infuse

your nonfiction with honesty personality and energy You ll discover An exploration of the basics of essay writing Ways to step back and scrutinize your experiences in order to separate out what may be fresh powerful surprising or fascinating to a reader How to move past private journaling and write for an audience How to write eight different types of essays including memoir travel humor and nature essays among others Instruction for revision and strategies for getting published Brimming with helpful examples exercises and sample essays this indispensable guide will help your personal essays transcend the merely private to become powerfully universal *Joe & Marilyn* Roger Kahn,2012-10-28 Two legendary figures assume humanity Poignant humorous and convincing PUBLISHERS WEEKLY To the public it was a match made in heaven In private it was nine months of hell This is the riveting story of what went wrong with one of the world s most dazzling romances His dark jealousy her need for love His temper her affairs His pride her ambition A searing drama of powerfully clashing egos A tense tragedy of taut emotions and driving passions And finally a bittersweet monument to the devoted friendship that endured despite it all Praise for Roger Kahn As a kid I loved sports first and writing second and loved everything Roger Kahn wrote As an adult I love writing first and sports second and love Roger Kahn even more Pulitzer Prize winner David Maraniss He can epitomize a player with a single swing of the pen TIME magazine Roger Kahn is the best baseball writer in the business Stephen Jay Gould New York Review of Books Kahn has the almost unfair gift of easy graceful writing BOSTON HERALD [The Routledge Guidebook to Einstein's Relativity](#) James Trefil,2015-02-20 Albert Einstein one of the most prolific scientists of the twentieth century developed the theory of relativity which was crucial for the advancement of modern physics Young Einstein identified a paradox between Newtonian Mechanics and Maxwell s equations which pointed to a flawed understanding of space and time by the scientists of the day In Relativity Einstein presents his findings using a minimal amount of mathematical language but the text can still be challenging for readers who lack an extensive scientific background The Routledge Guidebook to Einstein s Relativity expands on and supplements this seminal text by exploring the historical context of Einstein s work and the background to his breakthroughs details of experimental verification of special and general relativity the enduring legacy of Einstein s theories and their implications for future scientific breakthroughs This is an essential introduction for students of physics philosophy and history in understanding the key elements of the work and the importance of this classic text to society today **Writings on Writing** Thomas H. Brennan,2024-10-18 From medieval to contemporary classic authors to journalists the writers quoted in this reference work bring to life the triumphs the musings the frustrations the insights of the craft of writing The more than 1 200 quotations are arranged under broad categories such as autobiography and biography books journalism poets and poetry words writers and language Each entry gives the author source and date Sources include essays journals diaries letters interviews and in a few instances fictional works **Robert Benchley** Gordon E. **Will Cuppy, American Satirist** Wes D. Gehring,2013-10-30 Back in the golden age of humor books late 1920s early 1950s when wits of the pantheon like Robert Benchley James Thurber and S J Perelman were producing their signature works there was another singular satirist who more than held his own with such fast company Will Cuppy 1884 1949 This factual funnyman s metier is dark comedy that flirts with nihilism His agenda is baldly stated in such classic Cuppy book titles as How to Be a Hermit 1929 How to Tell Your Friends from the Apes 1931 and The Decline and Fall of Practically Everybody 1950 This biography doubles as a critical study of a satirist whose shish kebabing of humanity was often done through the veiled anthropomorphic use of animals For a biographer Will Cuppy represents a treasure trove of possibilities He was a great humorist and most of his best work is still in print but until now he has never been the subject of a book length study His mesmerizingly complex and eccentric private life almost trumps the comic accomplishments of his public persona

Encyclopedia of American Humorists Steven H. Gale,2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature
