book is a kind of wake up call he writes a chance to become a better Catholic so that when we face that one on one with Jesus we don't have to fear what is coming He contends that even a small investment in time and energy thinking about your golden years can have a rich payoff as you remember the past act in the present and plan for the future He builds on his own spiritually rich memories including his view from the fifty yard line at Notre Dame Stadium to show how you can invent your own life plan by selecting from spiritual habits and practices that have formed and strengthened Catholics for centuries By creating both short and long term goals you can cultivate a deeper prayer life by praying the Liturgy of the Hours get more out of scripture by taking a class or participating in a group Bible study make a pilgrimage to a holy site or shrine Amodei recommends the Our Lady of Lourdes Grotto either in France or at the University of Notre Dame correct past wrongs and heal past injuries not only by apologizing to someone you've hurt but also by making amends strengthen family bonds by writing notes to tell family members what you appreciate about them and draw closer to Mary by consecrating yourself to her He guides you to use the power of memory to shape your understanding of who God is and who you truly are by putting what you learn into practice incrementally over time to achieve the optimal plan for meeting Jesus face to face This plan can lead you towards Judgment Day with confidence knowing that you've lived a life dedicated to love service and spiritual growth The book includes questions for reflection It is an excellent resource for personal or small group study Additional resources are also available online
