My Three Lives A Story Of Love War Struggle:

The Life and Adventures of Nat Love, Better Known in the Cattle Country as "Deadwood Dick" Nat Love, 1995-01-01
Thousands of black cowpunchers drove cattle up the Chisholm Trail after the Civil War but only Nat Love wrote about his experiences Born to slaves in Davidson County Tennessee the newly freed Love struck out for Kansas after the war He was fifteen and already endowed with a reckless and romantic readiness In wide open Dodge City he joined up with an outfit from the Texas Panhandle to begin a career riding the range and fighting Indians outlaws and the elements Years later he would say I had an unusually adventurous life That was rare understatement More characteristic was Love s claim I carry the marks of fourteen bullet wounds on different parts of my body most any one of which would be sufficient to kill an ordinary man but I am not even crippled In 1876 a virtuoso rodeo performance in Deadwood Dakota Territory won him the moniker of Deadwood Dick He became known as DD all over the West entering into dime novels as a mysteriously dark and heroic presence This vivid autobiography includes encounters with Bat Masterson and Billy the Kid a soon after view of the Custer battlefield and a successful courtship Love left the range in 1890 the year of the official closing of the frontier Then as a Pullman train conductor he traveled his old trails and those good times bring his story to a satisfying end **In This Moment (Timeless Book #2)** Gabrielle Meyer, 2023-05-02 2024 Christy Award Winner Maggie inherited a gift from her time crossing parents that allows her to live three separate lives in 1861 1941 and 2001 Each night she goes to sleep in one time period and wakes up in another Until she turns twenty one when she will have to forfeit two of those lives and everyone she knows in them forever In 1861 Maggie is the daughter of a senator at the outbreak of the Civil War navigating a capital full of Southern spies and wounded soldiers In 1941 she is a navy nurse grappling with her knowledge of the future when she joins a hospital ship going to Pearl Harbor And in 2001 she s a brilliant young medical student fulfilling her dream of becoming a surgeon While Maggie has sworn off romance until she makes her final choice an intriguing man tugs at her heart in each era only complicating the impossible decision she must make which looms ever closer With so much on the line how can Maggie choose just one life to keep and the rest to lose Gabrielle Meyer s writing captivates with A page turning journey through three riveting interwoven historical timelines MIMI MATTHEWS USA Today bestselling author Wonderful settings that brim with ethical dilemmas fabulous twists and an engaging heroine ELIZABETH CAMDEN Christy and RITA Award winning author A time traveling adventure with timeless appeal JOCELYN GREEN Christy Award winning author *Book Review Digest* , 1926 *Three Summers* Amra Sabic-El-Rayess, Laura L. Sullivan, 2024-04-09 An epic middle grade memoir about sisterhood and coming of age in the three years leading up to the Bosnian Genocide Three Summers is the story of five young cousins who grow closer than sisters as ethnic tensions escalate over three summers in 1980s Bosnia They navigate the joys and pitfalls of adolescence on their family s little island in the middle of the Una River When finally confronted with the harsh truths of the adult world around them their bond gives them the resilience to discover and hold

fast to their true selves Written with incredible warmth and tenderness Amra Sabic El Rayess takes readers on a journey that will break their hearts and put them back together again **Something of Themselves** Sarah LeFanu, 2020-03-01 In early 1900 the paths of three British writers Rudyard Kipling Mary Kingsley and Arthur Conan Doyle crossed in South Africa during what has become known as Britain's last imperial war Each of the three had pressing personal reasons to leave England behind but they were also motivated by notions of duty service patriotism and in Kipling's case jingoism Sarah LeFanu compellingly opens an unexplored chapter of these writers' lives at a turning point for Britain and its imperial ambitions Was the South African War as Kipling claimed a dress rehearsal for the Armageddon of World War One Or did it instead foreshadow the anti colonial guerrilla wars of the later twentieth century Weaving a rich and varied narrative LeFanu charts the writers' paths in the theatre of war and explores how this crucial period shaped their cultural legacies their shifting reputations and their influence on colonial policy *Theosophy*, 1919 **The Seasons of Trouble** Rohini Mohan, 2015-10-20 For three decades Sri Lanka's civil war tore communities apart In 2009 the Sri Lankan army finally defeated the separatist Tamil Tigers guerrillas in a fierce battle that swept up about 300 000 civilians and killed more than 40 000 More than a million had been displaced by the conflict and the resilient among them still dared to hope But the next five years changed everything Rohini Mohan's searing account of three lives caught up in the devastation looks beyond the heroism of wartime survival to reveal the creeping violence of the everyday When city bred Sarva is dragged off the streets by state forces his middle aged mother Indra searches for him through the labyrinthine Sri Lankan bureaucracy Meanwhile Mugil a former child soldier deserts the Tigers in the thick of war to protect her family Having survived they struggle to live as the Sri Lankan state continues to attack minority Tamils and Muslims frittering away the era of peace Sarva flees the country losing his way and almost his life in a bid for asylum Mugil stays breaking out of the refugee camp to rebuild her family and an ordinary life in the village she left as a girl But in her tumultuous world desires plans and people can be snatched away in a moment **The Seasons of Trouble** is a startling brutal yet beautifully written debut from a prize winning journalist It is a classic piece of reportage five years in the making and a trenchant compassionate examination of the corrosive effect of conflict on a people **Stories My Father Told Me** A father's precious heritage, "The true meaning of living a good life" The author tells a series of stories she had heard from her childhood that were told to her by her father, along with her own life-long observations of her father's life. These stories are of the father's childhood struggles with poverty, war, and refuge and settlement during the Japanese colonial period and the Korean War. And of a life thereafter of living in South Korea as a farmer. Also, stories of fatherhood full of sincerity, perseverance, caring, tolerance, and love, the roots of life values. Stories that seek to show a sincere life is one that adheres to these values. Not preaching, but self realization The father in the book does not instruct with words, but with actions. He shows respect to even very young children and guides them to self realizations. The author communicates her father's "attitude towards life" in an honest and

easy to approach manner. Readers glean moments of self-awareness as they read through the book. The story of the father's life, To all parents and children, spreading the fragrance of these stories to the world People are born, children to someone, and themselves become parents to someone. No person is born as an adult, no person is born a parent. As a child, our reality comes from our parents, and we look upon them as if they are "the world." As we become adults, we come to realize that our parents were once young and awkward themselves. We then begin to pay attention to how they themselves became adults, became parents. Although the beginnings may not be perfect, the constant struggle of a father to live a good life is of great value for their children. Therefore, this book contains valuable stories for all parents of this world, and to all the children who are looking to them. J. Richards,2016 This book tells the stories of notable historical figures whose resistance of patriarchal laws transformed ethical political and legal standards *With All My Heart, I Will Love You* Sherilyn Cook,2010-10-12 What does it mean to love God with all your heart Is that even possible Why do Christians struggle with relationships and experience divorce Why are anger fear control addictions and other sins so much a part of our lives

What does it really look like to live in Christ and for Christ to live in us Take a journey with author Sherilyn Cook and discover the answers to these and other relationship questions As Sherilyn tells her personal story she also draws deeply from the Bible for truth and insight and uses creative object lessons to reveal how God can heal hearts and restore damaged relationships Discover the importance of engaging your mind will and emotions See how the enemy deceives you and moves you toward isolation Learn what it means to die to self and live for Christ victoriously in every area of your life **By Heart** Philip Brady, 2008 With a perfect balance of playfulness humor and apology Philip Brady calls himself a bard But he explains that before the title became shrouded in mystery bards were simply teachers unknown and poor who gave literal voice to poems through recitations Woven throughout these twenty essays is Brady s resistance to the academic expectations and settings of poetic instruction enabling him to elicit the most authentic and surprising responses from a range of voices He is motivated by the possibility of poetry expressed in the grittiest of places and takes readers from the rust belts of Ohio to the far flung pubs of Ireland to Zairian classrooms with few books and fidgety lightbulbs Most of all he believes that while bad poetry is a fact of life good poetry should be studied and learned by heart Brady doesn t resort to dissecting poems here though poems his own and those of many of his masters from Yeats to Tu Fu do appear Instead the poetic language of his observations seems to fulfill a greater purpose Voiced the poem is transfigured from a printed glyph to sensory language ephemeral but with a tensile strength derived from the collective memory that births it Critics may feel differently but what matters to a poem is not how many times it is reprinted but how deeply it penetrates the heart These essays are meditations grounded in the author s life as a poet teacher publisher musician traveler and organizer In one readers encounter non traditional students who attend class after work and whose lives are already shaped by burden Brady recognizes the tension between reading poetry as an academic exercise and reading it for its power to endow all people with a broader sense of the self that is informed by both the dead and the living He celebrates the challenges that his students bring to the classroom by forging headlong into discussions that other instructors would cringe at as when a student declares that he doesn t like reading old poetry but instead likes greeting card poems Brady masterfully turns this potentially deflating moment into one that is both validating and deeply inspiring for student and reader Country Life Illustrated ,1906 *Imagine Living Life Well with Perspective & Perseverance* Maureen Whitaker, 2023-12-06 *Imagine Living Life Well with Perspective and Perseverance with Real Life and Medieval Society with Discretion Being the Better Part of Valor Life Changes Five Years Hence Book Four Volume VI Part One The Otherside* gives a preface called Inner Whispers to begin the book A greater truth in life is when one has listened to the inner whisperings of their mind to create a positive action by making a split second decision to deal with any given situation even if it is a risk to one s physical or mental self in doing so they have done what they know The Four Musketeers are aging gracefully and are in overall great health Their activities and traveling in their motorcoach keeps them going and enjoying true life adventures in the Medieval Society There we all have grand times with

our many friends We traveled to Ireland and had a wonderful time We continued to provide Spiritual Seminars and educating the attendees with what we know and that which is given to us We Four Musketeers went to Alaska during a lovely Spring one year enjoying it a great deal Anna turns age seventy and they have a great party We went on a Motorcoach tour to Washington State and Vancouver Island British Columbia Canada It proved to have many challenges and some life changes for the four of us Most of it is complex In Book Five you will read Part II of Volume VI then Book Six will have Volume VII

My Paperback Book Pheello Pitso,2015-08-29 The book is based on my visions and visitations by God personally How I saw His face and How He is unhappy about mankind and the love that He has for man The message to the world especially those who can hear His word and the truth

Slavery, Fatherhood, and Paternal Duty in African American Communities over the Long Nineteenth Century Libra R. Hilde,2020-10-01 Analyzing published and archival oral histories of formerly enslaved African Americans Libra R Hilde explores the meanings of manhood and fatherhood during and after the era of slavery demonstrating that black men and women articulated a surprisingly broad and consistent vision of paternal duty across more than a century Complicating the tendency among historians to conflate masculinity within slavery with heroic resistance Hilde emphasizes that while some enslaved men openly rebelled many chose subtle forms of resistance in the context of family and local community She explains how a significant number of enslaved men served as caretakers to their children and shaped their lives and identities From the standpoint of enslavers this was particularly threatening a man who fed his children built up the master s property but a man who fed them notions of autonomy put cracks in the edifice of slavery Fatherhood highlighted the agonizing contradictions of the condition of enslavement and to be an involved father was to face intractable dilemmas yet many men tried By telling the story of the often quietly heroic efforts that enslaved men undertook to be fathers Hilde reveals how formerly enslaved African Americans evaluated their fathers including white fathers and envisioned an honorable manhood

The Secret Files of Henry F. Sherwood Zack Carden,2005-08 Henry F Sherwood is an important person He was born Heinz Weizenbaum barely escaped Hitler s Holocaust and came to America He joined the Army in WWII and fought in some of the most horrific battles in the Pacific Theatre It was during this time he changed his name After the war he enrolled in the University of Detroit and graduated at the top of his class In 1955 he entered the field of computers and never looked back Henry received the Price Waterhouse Award for his work in optical character recognition John Diebold offered him the directorship of Diebold Research Program Europe While there Henry began the clandestine facet of his life an undercover agent for the CIA The East German Secret Police STASI figured him for a spy for all the wrong reasons and a host of agents compiled a six volume dossier on Henry the secret files Henry eventually left Diebold and began his own computer consulting company gradually withdrawing from business because of diabetes You ll be surprised at the world leaders he met and how he impacted the computer industry We owe him a lot [I'm Saving Your Letters](#) Janet C. Thierfelder,2016-06-01 [Im Saving Your Letters](#) A Christian Courtship In Correspondence 1918 1921 is a

collection of letters written during and in the years immediately following World War I It is the love story of two young Christians separated by the war soon after they meet their reunion and finally their marriage in 1922 The letters make many references to their spiritual devotion and the historical events of the times in which their love story takes place makes for a very interesting and uplifting read
