variety of demographics through the pandemic and the series of lockdowns initiated to contain it. If on one hand there was a closure of economic, religious, education and governmental institutions, on the other there were attempts made to go digital and cope with new realities. While the women and LGBTQ community became vulnerable in their homes, the migrant labourers and sailors longed to return to their homes. If addiction to adult films was worrying the actors in this industry, struggled to survive. The small shopkeepers and domestic helpers were left in a lurch. The journey was tough yet extraordinary. As we move towards a new normal, how well prepared are we? Do we have any lessons learnt?

Success Is Yours to Keep Paul Keta, 2016-12-23. Come to think of it, everyone wants some level of success in their lives but unfortunately just wanting the success will not get the job done. Becoming successful and prosperous in life is not an automatic process. Do not remain ignorant about this. The Lord said, "My people are destroyed for lack of knowledge. When things are going wrong in our lives and we don't achieve the success we desire, we are quick to focus our energies on blaming Satan yet Satan simply takes advantage of the ignorance of humans so that he can lure or tempt these humans into destruction." The above biblical quote is also supported by a management principle that says, "What you do not know you cannot manage and what you cannot manage you cannot control." So if you don't know who you are or what the reason for your existence here on Earth is or what is that you want your future life to look like, then it will take a miracle to achieve the life that you may call prosperous. It is next to impossible for a journey of any human life to be successful if run on autopilot. It takes knowledge about who you are and it also takes reams of effort and passion to take your life to your desired level of success. Millions of people in the world are stressed, frustrated, disillusioned, demotivated and suffer a lot of pain simply because they do not know where their life or that of their business is going. If you happen to be one of those feeling lost and disillusioned about life and would like to turn such a situation into success, then I strongly recommend that you read this book Success Is Yours to Keep that provides practical guidance to discovery of your unique journey to success and prosperity.

A Strange Journey Steven Joseph Sinopoli, 2009-04-17. The Hudson River waterfront gave birth to notorious baby gangsters. The River Gang. Steven Joseph Sinopoli was amongst the chosen few learning loyalty and respect at a tender age. His involvement with The River Gang would prove to be a precursory magnet for trouble as his involvement tested Sinopolis' ability to apply these doctrines at each plateau of his spiritual voyage from advising his Mafia clientele on their next move to comprehending himself and the universe with a deeply profound acceptance. I Astrologer A Strange Journey chronicles Sinopolis' exploration of self from growing up poor and hungry to achieving a sated appetite from the luxuries of understanding oneself and those around him. I Astrologer A Strange Journey is one trip worth taking.
