My Urban Tongue And My Urban Tongue II Confession:

My Urban Tongue And My Urban Tongue II Frank J. Maldonado, 2004-09 With the wit of a restrained rapper this poetry will touch and amuse It is a book that leaves you with a sense of wellness It is inspiring and moving page after page Verses so colorful that each page reaches right out to you with imagery and feeling A book you want to have around when you've run out of things to say When you need something beautiful to say to a loved one or just when you need to hear a good rhyme that has no vulgarities A true treasure that will last a lifetime and one that you'll love to pass on generation after generation *Urban Ministry* Manuel Ortiz, Harvie M. Conn, 2025-06-06 No 3 in the Academy of Parish Clergy Top Ten Books of the Year The city presents serious challenges that cry out for answers poverty racism human exploitation and government corruption How can the church move ahead in the midst of these demands with the gospel of hope Here in one comprehensive volume Harvie Conn and Manuel Ortiz two noted scholars and proven practitioners of urban ministry address the vital work of the church in the city Their dual goal to understand the city and God's work in it Through four great waves of development Conn and Ortiz trace the history of the city around the world Then they tackle the critical issue of a biblical basis for urban mission How does the Bible view the city Are we closer to God in the country than the city Does the Bible have an anti urban bias These questions are given a thorough analysis that unveils God's urban mandate as reflected in both Old and New Testaments From this foundation the authors unpack the multifaceted nature of the city as place as process as center as power and as a place of change and stability They move us beyond fragmented stereotypes to a new way of seeing that is holistic enough for a fully biblical ministry to develop In addition Conn and Ortiz lay out what the social sciences have to offer urban mission including ethnographic and demographic studies and they focus on the particular issues and needs of urban leadership including a plan for developing and mentoring leaders while equipping the laity for ministry in the city This is the essential text for bringing God's kingdom to the city through the people of God **The Priestess and the Vampire:**
