creates When those scenes of non recognition and personal struggle get going however they can be candid heartbreaking and exceptionally insightful His lucid descriptions often reveal an unexpected range of emotions that go far beyond the expected despair or determinations found in similar stories **John Martin's Book** ,1929 **For Dear Life** Sarah Tauber,2013-12-23 Overcoming infidelity transforms first time author into an influential woman In *For Dear Life* Sarah Tauber openly shares an intimate and encouraging look into her life CALIFORNIA Oprah Winfrey J K Rowling Vera Wang Marilyn Monroe What do these successful and influential women have in common They are women who failed before they succeeded While the women who have achieved such celebrated status are few those who have gone through similar inspiring life transformations abound and among them is Sarah Tauber the author who debuted with a genuine revelation in *For Dear Life* For the first time Sarah unveils the most intimate and probably the most challenging phase of her life *For Dear Life* recounts the story of a young American woman who lived for two years during the 1970 s with her husband and their young child in Tehran Iran With a workaholic husband having little time or attention for his bride she became involved with an Iranian man Although infidelity may be taboo it is a timeless issue that both men and women have struggled with Sarah s affair was something many women may have experienced Yet it was Sarah s humble admission and firm decision to address her past that truly healed defined and transformed her into a credible example for women today Writing a story that most of her family and friends were unaware of was both painful and cathartic Today it is this same story that offers women the gift of hope and encouragement Raw real and radically uplifting *For Dear Life* is a powerful story that runs the gamut of human emotion happiness sadness fear love agony remorse and eventual joy Sarah may not be as influential as Oprah Winfrey or Marilyn but the humility and the great strength of character that she shares with these women as evidenced in her story will truly earn her a special influential place in reader s hearts The choices you make in life have consequences some ripple out to encompass other lives You can overcome the bad choices make better ones and ultimately be happy again says Sarah speaking encouragingly to anyone who has walked that path *Souls at Risk* Nancy Vernon Kelly,2019-12-31 Rooms of Nancy Vernon Kelly s childhood home in Hollywood California provide scaffolding for *Souls at Risk* a memoir about the roots and consequences of her writer producer father s sudden turn to right wing extremism Radicalization didn t occur in a vacuum Its grip had clear public and personal roots and consequences The narrative pivots around a 1960 concert the author s father produced in San Diego for blacklisted folksinger Pete Seeger When Seeger refused to sign a loyalty oath to use a public high school auditorium the American Legion accused him of being a communist and protested to the San Diego School Board Although the concert went on and Kelly sang along the fallout continued for many years entrenched in Cold War American Soviet hostility *Souls at Risk* weaves together the long view of a personal public and historical story that embodies both the disruption of extremism and the disruption of grace While remembering the unwelcome parts of life with hateful extremism the author also delights in the memory of experiences and people who kept her fledgling soul from completely

flattening out in a turbulent time Indeed the sweetest touch of mercy arrived in Kelly s inbox almost fifty years after the concert

Weird Confucius Zhao Lu,2024-03-21 Spanning antiquity until the present Zhao Lu analyses the eclectic and fictitious representations of Confucius that have been widely celebrated by communities of people throughout history While mainstream scholarship mostly considers Confucius in terms of his role as a celebrated man of wisdom and as a teacher with a humanistic worldview Zhao addresses the weirder representations He considers depictions of Confucius as a prophet a fortune teller a powerful demon hunter a shrewd villain of 19th century American newspapers an embodiment of feudal evils in the Cultural Revolution and as a cute friend Zhao asks why some groups would risk contradicting the well accepted image of Confucius with such representations and shows how these illustrations reflect the specific anxieties of these communities He reveals not only how people across history perceived Confucius in diverse ways but more importantly how they used Confucius in daily life ranging from calming their anxiety about the future to legitimizing a dynasty stereotyping Chinese people and even to forging a new sense of history
