Surviving the Warzone Richard Quarantello, 2013-07-19 I could feel blood pouring from my nose and lips my eyes opened slowly with a side long glance and a flash of my eyes I could see this burly man with this thick neck and a dark deep scared face sitting on me striking down on me with lefts and rights I always believed by striking me he cleared the cob webs from my brain As soon as my head cleared a little I quickly grabbed him by his face pulling him down to me biting him on his face Holding him with my left banging him with short right hands I tried to rip him off me by reaching around with my left hand and grabbing his mouth he bit down on my fingers ripping off two finger nails I just remember him being so

heavy I was gasping for breath I was spent I felt myself going I could sense there was an all out war going on around me
