**My Whispering Angels** Francesca Brown, Niall Bourke, 2009-08-20 My Whispering Angels is the extraordinary story of an ordinary Irish wife and mother blessed with an incredible gift Francesca faced the dawn of the new millennium debilitated by ill health and despair without any hope or faith in her future This was until the loving angels and spirits that she remembered watching over her as a young girl returned to save her in adulthood We are taken on a wondrous journey of self discovery as Francesca describes how her angels helped her to recover from her illness and led her to a profound spiritual healing The angels taught her how to use her gift to help others and to use her insight to guide them to lives enriched with hope and purpose She describes some of the spirits that aid her in her healing work such as the beautiful child spirit of Joanna and relates the messages the angels deliver to her through meditations messages of hope that relate to the challenges the world faces today Francesca's remarkable story is a testament to the transformations that can occur if you open your eyes and your heart to hope *My Wonderful World of Fairy Tales*, 1983 *My Mother She Killed Me, My Father He Ate Me* Kate Bernheimer, 2010-09-28
