Harvey Conner

Giving flight to dreams and
setting families financially free for 5 decades

The Most Powerful Personal Development University in the World Disguised as a Business

Success in Network Marketing is not found in a special skill. It's determined by the passionate commitment to personal growth and helping others.

Harvey Conner's rise to success began in 1967. You can see his stellar track record of exemplary leadership in Network Marketing on every step of his journey from a hardworking Canadian farm boy to a successful distributor to 17 of sales to founder and president of his own company and mentor to many.

Today, he leads a successful distributor organization using the knowledge and experience he's accumulated throughout his career in Network Marketing.

He's thrived through the evolution of Multi-level marketing because, despite the ever-changing technologies and social media, nothing has changed in the "people business."

This book shares Harvey's valuable insights into the "people business" and the vital skills for success. He'll show you how to evaluate an opportunity, the ways to avoid pitfalls that can sabotage success, and you'll learn that to realize a freedom lifestyle in Network Marketing, it takes leadership and personal mastery of the Inner Game.

Throughout the lessons and insights, one thing rings true: legacy is defined by the number of lives impacted, not the size of monthly commission checks.
