My Yoke Hasnt Always Been Easy:

My Yoke Ain't Always Been Easy Dr. Harry M. Cartwright Sr. Ph.D.,2018-01-24 This is a parable about an African American male who grew up on the Eastern Shore of Maryland basically poor but relatively happy like so many of his peers who played and worked together while dreaming lofty dreams of making a better life for ourselves Through learning to have faith in God and the proper guidance from family the church teachers and a community that expected high achievements from the youth of that community the die had been cast Dr Cartwright was able to develop a huge desire to be the best that he could be and to live a righteous and prosperous life despite his humble beginnings In this book he used many Biblical principles to remind the public of the living Word in hopes of lifting others up in their daily struggles to succeed He has unselfishly opened himself up to scrutiny by revealing some of his own darkest moments and how he was able to overcome hoping to illuminate a path of self redemption and grace that is available to us all Blessing Your Grown Children Debra Evans,2012-04-20 Being a parent of an adult child is a delicate balance of loving and accepting the child while maintaining healthy boundaries Many parents find releasing their grown children a challenge and while parents usually want to be supportive the choices adult children make are sometimes unacceptable to them leading to disappointment anger and guilt feelings Both parents and grown kids have many adjustments to make as the child separates from the parents control With this book parents will learn to move forward into a new type of relationship with their kids **Secret Freedom** Ilonka Deaton,2018-10-02 Secret Freedom is a practical guide to help any individual overcome keeping secrets Ilonka Deaton explores the pitfalls and struggles people carry when they keep secrets and the resulting effects She guides each reader into a journaling experience to not only explore their own story but to walk deeper into a place of healing and freedom Secret Freedom provides real life stories as examples and readers find a meaningful avenue to explore their own struggles Through this practical guide readers gain a stronger emotional voice and learn how to fly again Work and Leisure, the Englishwoman's Advertiser, Reporter and Gazette Louisa M. Hubbard,1883 **Popular Science** ,1880-12 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Just Add Nothing Gary Johnson,2007-06 Has there ever been a time in your life or someone you may know when you questioned if you might really be saved This book is written so that any person Christian or not can read through the miracle process by which we are saved Our salvation is won this is a fact Although there are many areas along which we might have discussions regarding this topic salvation is a fact and none of us can change that truth Is there someone in your life who God would have read this book Gary and his wife Diane are native Houstonians Having had a career as a corporate pilot and later as a sales pilot for a local jet sales organization allowed him to travel all over the world In my travels God gave me the opportunity to see just how blessed I and my family are to live in a free and prosperous country where we can worship

God without fear Gary recounts He has changed careers and is currently a field engineer for a marine electronics firm which services radar and communications systems for the various cargo and cruise ships in the Port of Houston Gary has been continually active in his church and in local organizations such as Boy Scouts and FFA and looks forward prayerfully to more writing and published works in the future To contact him please send an email to GJmail2 sbcglobal net
