**My Thoughts Exactly** Arthur G. Typermass, 2004-08-10 Why are parking lots the most dangerous places in America What are the hardest packages to open Do inanimate objects have a life Can they talk to one another What is the real purpose of those high walls along the interstate These and other daunting questions of our time will be answered definitively in this lively and witty collection of essays and stories Along the way we will travel alongside a band of latter day civil disobedients as they strive for a strange justice and empathize with a struggling artist as he seeks an unconventional pathway toward recognition In another tale a chance encounter on a snowy night in west Texas reveals what really went down the day the music died The author also revisits simpler times recalling a quiz show jackpot gone awry a cherished world series played long ago and the remembrance of cars past More fanciful diversions include the writers presentation on his own Presidential campaign a piece on why everyone is badly attired in a land of plenty and the ongoing challenges everyman faces today in coping with advancing technology A true Renaissance Man writer Typermass visits a wide array of subject matter in a book that captures one mans take on popular culture **My Thoughts Exactly** Bryton J. Zaagman, 2022-03-21 Here on Earth we look up into the stars at night and wonder What is life How did we get here What is the meaning of life and if there is such a thing what is it Well both our scientists and religious leaders are in pursuit of these big questions in an attempt to answer them because we really do not have much factual information to answer these questions Above all else I want this book to help readers with answers to some of the most fascinating questions about ourselves and the Universe that we live in as well as the galaxy that we live in This book will help you understand life but not just life This book holds within itself chapters that cover questions and information about the birth of the Universe theoretical physics astronomy the reality of extraterrestrial influence that has shaped our past and present fate and destiny the science of politics the significance of ideas beliefs and dreams and much much more It is my goal in writing this book to captivate your curiosity about as many topics as I can while keeping the book itself short enough so that you may read it over a ride on an airplane a morning at a coffee shop or perhaps on a weekend afternoon And maybe in reading this book you will understand my thoughts my thoughts exactly And just maybe after reading this book yourself you will put it down and think to yourself My thoughts exactly **My Thoughts Exactly, By Darcy Diggins, Middle School BioSPYchologist** Jodie Randisi, 2020 Can an anonymous act of kindness produce more than unexpected joy and happiness Twelve year old Darcy Diggins has firsthand knowledge that it does She has an incredible story to tell but who is going to believe that an anonymous act of kindness can produce a full grown miniature person called a Dewbabie and that the misplaced tribe of tiny people from the RainForest live in her closet In order to protect the Dewbabies Darcy enlists the help of her zany grandmother Ms Earlene the celebrity storyteller whose outfits are always worth a mention Darcy not only has to manage a middle school bully determined to ruin her reputation but she also has to restrain a middle age bully her miserable misguided
