parallel dimension that shows us how to never become discouraged when we have set a goal for ourselves The author does not aspire to create literature but indirectly invites us to reflect upon where we are today in our lives He also intends to share a road built on stubborn paths always knowing he would bring them down to earth These are twenty three stories told during a chronological ride that never deteriorates when it comes to surprises rejoicing or triumphs to the point of grazing unusual metaphysic sensations These stories keep us on the edge of our seats and encompass a period between 1987 and 2008 with a vivacious and descriptive pulse in timing people and landscapes to which we are invited Having Max Mills as your flying guide you are literally transported within those life capsules feeling a delicious uncertainty Enrique Courtin
