Educational Change and the Secondary School Music Curriculum in Aotearoa New Zealand Graham McPhail, Vicki Thorpe, Stuart Wise, 2018-02-13 Educational Change and the Secondary School Music Curriculum in Aotearoa New Zealand provides a fascinating case study in educational change The music curriculum has been greatly affected by deep cultural and economic forces such as the growth of popular music s importance in young people s lives by demands for inclusive and multicultural education and not least by advances in technology that promise to invigorate all aspects of teaching and learning This book brings together the work of a number of leading music education scholars and teachers from Aotearoa New Zealand to both explore these issues and to share case studies of practice both the positive changes and the unintended consequences Each chapter focuses on a current issue in music education and the final chapter contains responses from a number of practitioners to the issues raised by the authors drawing together the practical and theoretical dimensions of the book **The Voice Inside** John Farnham, Poppy Stockell, 2024-10-30 WINNER OF THE 2025 ABIA BOOK OF THE YEAR WINNER OF THE 2025 ABIA BIOGRAPHY OF THE YEAR At last the unflinching and unforgettable memoir of music and life from the much loved Australian legend Growing up in London and Melbourne music was always part of John Farnham s world But the young John never dreamed of what was to come Pop stardom in the 1960s The release of Whispering Jack the critically acclaimed and highest selling Australian album of all time A decades long touring career Twenty one ARIA awards

Australian of the Year The list of accolades and achievements is long so at first glance the John Farnham story is one filled with remarkable highs It is however so much more than that It is the story of the resilience John found as his stellar career stalled record companies turned their backs and he faced financial ruin John has never shown how hard he fell and how difficult it was to stay true to himself in an industry that can be ruthless It is the story of family friendship and finding your voice Throughout a lifetime filled with the highest of highs and the lowest of lows John has remained steadfast never losing his unique musical talent creative strength nor his powerful ability to make human connections through his music After his devastating cancer diagnosis and far too many goodbyes John is now telling his story his way The Voice Inside is like sitting down with an old friend sharing stories that are both deeply personal and wildly entertaining Written alongside award winning filmmaker Poppy Stockell this is a captivating and powerfully honest insight into the man whose music is the soundtrack to so many of our lives Honesty intimacy vulnerability these are the traits we tend to crave from this genre And Farnham ably assisted by Stockell as both interlocutor and co writer succeeds A compelling and complete memoir THE AUSTRALIAN At its heart John Farnham s story is one of resilience Moving and at times shocking WOMAN S DAY Completely compelling It s the look inside his life we always dreamt of but never thought we d get It s been worth the wait ABC NEWS A fascinating and rather brave account that gives us the first real window into the singer s mind THE GUARDIAN

The Empty Chalice Joyce Surman,2008-10 Drinking to the very dregs the chalice given it here is the remarkable and inspirational story of a soul that has found unexpectedly a heavenly sweetness in its bitterness After reading this book the reader is left to ponder the question Can I too drink the chalice offered me and find in it not bitterness but the sweetness of God s Will This account of a soul s ascent from the shadows of Gethsemane to the light of Tabor is therefore a shining beacon for our age pointing the way that we should go if we are to find that for which every human heart yearns true peace and perfect joy If you are a person in search of true peace and perfect joy especially if the fragile ship of your soul is being tossed amidst the tempestuous seas of sorrow and suffering you will find here an anchor to which to moor your soul in the radical reversal of the transforming union as described in this book
