My Youth In Vienna:

My Youth in Vienna Arthur Schnitzler, 1970 Memoir of student life coffee house intellectuals and romantic experiences of the Austrian playwright during the last days of the Hapsburg Empire *In the Days of My Youth* Thomas Power My Youth Millard D. Scherzer, 2022-04-24 My Youth is the beginning of a long spectacular life It is O'Connor.1901 stories of a naive poor two year old through his youth to twenty years old His adventures vary from happy sad scary and great The child was the youngest of five children seven years apart Born to a father that was a postal worker at night and a mother that went from secrecretary to nursing to disability All the while the children were basically raising themselves The stories are as true as can be remembered and the lessons learned explain how the boy coped with the changes of the sixties to the eighties He had to grow up quickly watching and learning from his older siblings Follow ME through the most difficult yet special years of MY life I go from a sexually abused child to a confused but happy youth to a teen confident and ready to show the world that someone can be more than a label that other children assumed Everyone Has Something To Give And Many Are Not What Other People Expect Poor but smart I changed my stars and refused to let my past be the reason of my failures but the source of my successes Adventures in My Youth Armin Scheiderbauer, 2013-03-20 The personal memoir of a Nazi soldier from joining the German Army in 1941 through his time as a Panzer on the Eastern Front Originally written only for his daughter Armin Schedierbauer's Adventures in My Youth chronicles his time as a solider during World War II As an infantry officer with the 252nd Infantry Division German Army Schedierbauer saw four years of combat on the Eastern Front After joining his unit during the winter of 1942 he was wounded six times and had firsthand experience of the Soviet offensives in the summer of 1944 and January 1945 While fighting in East Prussia he was captured by the Soviets and not released until 1947 Schedierbauer was only twenty one years old when the war ended and his memoir recollects the experiences he went through as a young man on the front *In the days of my youth, with an intr. by T.P. O'Connor: the* autobiographies of 34 well-known men and women Days,1901 Silent Catastrophes W.G. Sebald, 2025-03-25 From the renowned author of Austerlitz named a Top 10 Book of the 21st Century by the New York Times comes the first English translation of his extraordinary essays on the Austrian writers who shaped his life and work Silent Catastrophes brings together the two books W G Sebald wrote on the Austrian writers who meant so much to him The Description of Misfortune and Strange Homeland published in Austria in 1985 and 1991 As a German in self chosen exile from his country of birth Sebald found a particular affinity with these writers from a neighboring nation The traumatic evolution of Austria from vast empire to diminutive Alpine republic followed by its annexation by Nazi Germany meant that concepts such as home land borderland and exile occupy a prominent role in its literature just as they would in Sebald's own Through a series of remarkable close readings of texts by Bernhard Stifter Kafka Handke Roth and more Sebald charts both the pathologies which so often drove their work and the seismic historical forces which shaped them This sequence of essays will be a

revelation to Sebald's English language readers tracing as they do so many of the themes which animate his own literary writings to which these essays form a kind of prelude This is an essential new edition from a writer whose life and work has become a wonderful vindication of literary culture in all its subtle and entrancing complexity The Guardian **Herzl** Jacques Kornberg, 1993-11-22 An original and brilliant thesis exposing a long misunderstood figure A great book Bernard Avishai Excellent a highly revealing portrait that demolishes Herzl the icon Michael Marrus Other biographers have illuminated aspects of Herzl's life but none has been able to produce the kind of intellectual biography that we have here Jacques Kornberg has done an admirable job of plumbing the depths of Herzl s mind to try to come to an understanding of just why he became a Zionist and why he was literally consumed with promoting Zionist goals Cithara With compassion and critical balance placing his subject well within his Austrian milieu Kornberg analyzes Herzl's rhetoric tergiversations and profound ambivalence over his politics and identity Choice a masterful display of the sources American Historical Review stimulating provocative and agreeably iconoclastic powerful and compelling German History A novel and provocative explanation of Theodor Herzl's founding of Zionism as a way of resolving his personal crisis over his Jewish identity In the Days of My Youth Amelia Ann Blanford Edwards, 2022-09-16 In the Days of My Youth by Amelia Ann Blanford Edwards is a semi autobiographical narrative that intertwines personal recollection with rich evocative descriptions of the Victorian era Edwards employs a reflective and lyrical prose style seamlessly blending her experiences with broader societal context highlighting the constraints and expectations faced by women of her time The book acts as both a personal memoir and a commentary on the cultural milieu of 19th century England examining the transitional nature of youth identity and female consciousness in a rapidly changing world Amelia Ann Blanford Edwards an accomplished novelist traveler and advocate for Egyptology drew upon her own rich life experiences in crafting this work Born into a society where women were often relegated to domestic spheres Edwards was a trailblazer using her extensive travels and literary talents to challenge societal norms Her unique perspective shaped by her literary career and studies in archaeology informs the narrative with a depth of knowledge and existential exploration making it both a personal and historical journey Readers seeking an introspective beautifully written exploration of youth and societal expectations will find great resonation in In the Days of My Youth Edwards nuanced prose invites reflections on the passage of time and the societal forces that shape our identities This volume not only enriches the literary canon of the Victorian era but also appeals to anyone interested in the complexities of women s lives in history **Jewish Women in** Alison Rose, 2008-10-01 Despite much study of Viennese culture and Judaism between 1890 and 1914 little research has been done to examine the role of Jewish women in this milieu Rescuing a lost legacy Jewish Women in Fin de Si cle Vienna explores the myriad ways in which Jewish women contributed to the development of Viennese culture and participated widely in politics and cultural spheres Areas of exploration include the education and family lives of Viennese Jewish girls and varying degrees of involvement of Jewish women in philanthropy and

prayer university life Zionism psychoanalysis and medicine literature and culture Incorporating general studies of Austrian women during this period Alison Rose also presents significant findings regarding stereotypes of Jewish gender and sexuality and the politics of anti Semitism as well as the impact of German culture feminist dialogues and bourgeois self images As members of two minority groups Viennese Jewish women nonetheless used their involvement in various movements to come to terms with their dual identity during this period of profound social turmoil Breaking new ground in the study of perceptions and realities within a pivotal segment of the Viennese population Jewish Women in Fin de Si cle Vienna applies the lens of gender in important new ways Jewish Origins of the Psychoanalytic Movement Dennis B. Klein, 1985 Dennis B Klein explores the Jewish consciousness of Freud and his followers and the impact of their Jewish self conceptions on the early psychoanalytic movement Using little known sources such as the diaries and papers of Freud s prot g Otto Rank and records of the Vienna B nai B rith that document Freud's active participation in that Jewish fraternal society Klein argues that the feeling of Jewish ethical responsibility aimed at renewing ties with Germans and with all humanity stimulated the work of Freud Rank and other analysts and constituted the driving force of the psychoanalytic movement In the Days of **Recollections:** My Youth Amelia B. overnight when Hitler's forces annexed Austria on March 12 1938 His books had already been burned across Germany and

now he and his family were at immediate risk The Nazis carried out regular raids on Jewish families homes and the Freuds were no exception They suffered a period of house arrest and two months of uncertainty before finally securing papers for emigration to England and making a last minute dramatic escape It was after becoming refugees in Britain however that the Freuds story takes a fascinating turn Following their escape from Austria both Sigmund's son Martin and his grandson Walter enlisted in the British Forces going on to fight for Britain behind enemy lines in Austria of Shaike Dan Amos Ettinger, 2023-12-26 Shaike Dan was one of thirty two Jews from Palestine who volunteered to parachute behind enemy lines in Romania on behalf of British Intelligence during World War II Some of them parachuted into Yugoslavia linked up with partisan forces and stole across frontiers with the help of local smugglers Many of these volunteers were caught and some of them never returned Shaike Dan decided on a blind jump so as not to depend on smugglers Ever since that first jump Shaike Dan's life has been a series of blind jumps Through the friends he made during the war who over the years became key figures in the security services of Eastern European countries he had access to the highest levels of those Communist regimes Thus began his remarkable career of rescuing Jews from behind the Iron Curtain and shipping weapons clandestinely to the new State of Israel This is the story of the amazing exploits of Shaike Dan who volunteered during World War II to parachute behind enemy lines in Romania on behalf of British Intelligence His jump had two objectives 1 to locate the prison camp where 1 400 Allied Air Force crewmen were being held and 2 to try rescuing Jews from Eastern Europe and getting them to Palestine With the publication of his life's story the curtain goes up on the astounding tale of a modern day Pimpernel Menorah Review In 1935 youthful Zionist Shaike Dan left his Romanian village for life on a Palestinian kibbutz Almost a decade later at British request he parachuted behind Nazi lines to rescue prisoners and facilitate the mass departure of East European Jews for the Promised Land Relying primarily on Dan's own words and recollections the author then turns to post war Israel where his subject s contacts chutzpah and organizational legerdemain became crucial in supplying the emerging nation with both population and weaponry Mark R Yerburgh Library Journal

My Youth in Vienna. Foreword by Frederic Morton. Translated by Catherine Hutter Arthur Schnitzler, **Hitler's**Violent Youth Bob Carruthers, 2015-06-30 An Emmy Award winning author and historian delves into the brutal early life of the man who would become Nazi Germany s maniacal dictator Between 1889 and 1924 Adolph Hitler's political outlook was borne out of vicious incidents that heralded the formation of the Sturmabteilung the notorious SA Drawing extensively on Hitler's own biographical account in Mein Kampf Bob Carruthers illustrates how these events influenced the future f hrer's worldview and led directly to the Beer Hall Putsch of 1923 Hitler's difficult relationship with his cruel father his harsh experiences in Vienna and his involvement in the Great War all conditioned him to celebrate violent acts By Hitler's own account his complete disregard for the consequences of his actions was vindicated by his victories in fierce encounters including beer hall brawls and street battles Each successive triumph over adversity influenced his decision making process

imbuing him with a love of violence and culminating in the ill fated events of November 1924 which saw Hitler imprisoned for the second time Carruthers also explores the parallel growth of the SA from a small group of fist fighters to a feared paramilitary force along with a comprehensive survey of the violent events between 1920 and 1924 which shaped this infamous political instrument of terror alongside the man who instigated World War II
