City of Promises Howard B. Rock,Deborah Dash Moore,Jeffrey S. Gurock,Annie Polland,Daniel Soyer,Diana L. Linden,2012-09-10 Winner of the 2012 National Jewish Book Award presented by the National Jewish Book Council New York

Jews so visible and integral to the culture economy and politics of America's greatest city has eluded the grasp of historians for decades. Surprisingly, no comprehensive history of New York Jews has ever been written. *City of Promises: A History of the Jews of New York*, a three-volume set of original research, pioneers a path-breaking interpretation of a Jewish urban community at once the largest in Jewish history and most important in the modern world.

Volume I, *Haven of Liberty*, by historian Howard B. Rock, chronicles the arrival of the first Jews to New York, then New Amsterdam, in 1654 and highlights their political and economic challenges. Overcoming significant barriers, colonial and republican Jews in New York laid the foundations for the development of a thriving community.

Volume II, *Emerging Metropolis*, written by Annie Polland and Daniel Soyer, describes New York's transformation into a Jewish city. Focusing on the urban Jewish built environment, its tenements and banks, synagogues and shops, department stores and settlement houses, it conveys the extraordinary complexity of Jewish immigrant society.

Volume III, *Jews in Gotham*, by historian Jeffrey S. Gurock, highlights neighborhood life as the city's distinctive feature. New York retained its preeminence as the capital of American Jews because of deep roots in local worlds that supported vigorous political, religious, and economic diversity. Each volume includes a visual essay by art historian Diana Linden interpreting aspects of life for New York's Jews from their arrival until today. These illustrated sections, many in color, illuminate Jewish material culture and feature reproductions of early colonial portraits, art, architecture, as well as everyday culture and community.

Overseen by noted scholar Deborah Dash Moore, *City of Promises* offers the largest Jewish city in the world in the United States and in Jewish history, its first comprehensive account.

New World Faiths Jon Butler, 2007-12-31

Many people believe that the piety of the Pilgrims typified early American religion. However, by the 1730s, Catholics, Jews, and Africans had joined Native Americans, Puritans, and numerous other Protestants in the colonies. Jon Butler launches his narrative with a description of the state of religious affairs in both the Old and New Worlds. He explores the failure of John Winthrop's goal to achieve Puritan perfection, the controversy over Anne Hutchinson's tenacious faith, the evangelizing stamina of ex-slave and Methodist preacher Absalom Jones, and the spiritual resilience of the Catawba Indians. The meeting of these diverse groups and their varied use of music, dance, and ritual produced an unprecedented evolution of religious practice, including the birth of revivals. And through their daily interactions, these Americans created a living foundation for the First Amendment. After Independence, their active diversity of faiths led Americans to the groundbreaking idea that government should abandon the use of law to support any religious group and should instead guarantee free exercise of religion for everyone.

Haven of Liberty Howard B. Rock, 2013-09-01

Haven of Liberty chronicles the arrival of the first Jews to New York in 1654 and highlights the role of republicanism in shaping their identity and institutions. Rock follows the Jews of New York through the Dutch and British colonial eras, the American Revolution and early republic, and the antebellum years, ending with a path-breaking account of their outlook and behavior during the Civil War. Overcoming significant barriers, these courageous men and women laid the foundations for one of the world's foremost Jewish cities.
