Mykhailo Hrushevsky The Politics Of National Culture:

Mykhailo Hrushevsky and the Politics of National Culture Thomas M. Prymak, 1983 *Mykhailo Hrushevsky* Thomas Michael Prymak, 1987 Historian educator and author Mykola Kostomarov was a leading figure in the Ukrainian national awakening of the nineteenth century and played an important role in the cultural life of Russia as well As an ethnographer he sought to uncover the mysterious soul of the Ukrainian people and his poetry contributed to the development of a Ukrainian literary language An outspoken proponent of social and national emancipation he was imprisoned and exiled for his role in the Cyril Methodian Brotherhood which worked towards a Ukrainian national renaissance and a pan Slavic federalism In Russia he led the populist school which shifted the focus of history away from the realm of tsars and princes and argued the centrality of the people to their own story This first English language biography of Kostomarov and first large scale study of the subject in any language offers a compelling account of his original and controversial scholarship and his role in the cultural politics of his day Prymak brings to light a legacy long buried by the censoring mechanisms of both Tsarist Russia and the Soviet Empire Claimed by both Ukraine and Russia as a major historian Kostomarov s biography provides insight into the complex question of inter ethnic and international relations in Eastern Europe and in the former Russian and Soviet empires The International Politics of Eurasia: v. 1: The Influence of History S. Frederick Starr, Karen Dawisha, 2016-09-16 First Published in 1995 This ambitious ten volume series develops a comprehensive analysis of the evolving world role of the post Soviet successor states Each volume considers a different factor influencing the relationship between internal politics and international relations in Russia and in the western and southern tiers of newly independent states The contributors were chosen not only for their recognized expertise but also to ensure a stimulating diversity of perspectives and a dynamic mix of approaches This is Volume I and covers The Legacy of History in Russia and the New States of Eurasia **A History of Modern Political Thought in East Central Europe** Balázs Trencsényi, Michal Kopeček, Luka Lisjak Gabrijelčič, Maria Falina, Mónika Baár, Maciej Janowski, 2018-11-10 A History of Modern Political Thought in East Central Europe is a synthetic work authored by an international team of researchers covering twenty national cultures and 250 years It goes beyond the conventional nation centered narratives and presents a novel vision especially sensitive to the cross cultural entanglement of political ideas and discourses Its principal aim is to make these cultures available for the global market of ideas and revisit some of the basic assumptions about the history of modern political thought and modernity as such The present volume is a sequel to Volume I Negotiating Modernity in the Long Nineteenth Century It begins with the end of the Great War depicting the colorful intellectual landscape of the interwar period and the increasing political and ideological radicalization culminating in the Second World War Taking the war experience both as a breaking point but in many ways also a transmitter of previous intellectual traditions it maps the intellectual paradigms and debates of the immediate postwar years marked by a negotiation between the democratic and communist agendas as well as the subsequent processes of political

and cultural Stalinization Subsequently the post Stalinist period is analyzed with a special focus on the various attempts of de Stalinization and the rise of revisionist Marxism and other critical projects culminating in the carnivalesque but also extremely dramatic year of 1968 This volume is followed by Volume II Negotiating Modernity in the Short Twentieth Century and Beyond Part II 1968 2018 Geography and National Identity David Hooson, 1994-10-20 This volume of especially commissioned essays explores the geography of and the role of geography in national and proto national identity Place and national identity are bound together Attachment to the one is almost always inseparable from the sense of the other Yet as this volume shows the articulated self conscious linking of place and identity is by and large a modern phenomenon that took root in nineteenth century Europe The formation of supranational states and the much vaunted globalization of culture led many to believe there would be a progressive dilution of national identities and a growing agglomeration of places and nations into larger state units Precisely the reverse has taken place This book explores the connections between identity and homeland showing how a place may be perceived as archetypal endowed with love and celebrated in music and poetry yet be a pretext for violence and war It examines the evolution of ideas about identity and their manifestations in a wide variety of settings from the former Soviet Union to the island states of the South Pacific **Historiography of Imperial Russia: The Profession and Writing of History in a Multinational State** Thomas Sanders, 2015-02-12 This collection of the best new and recent work on historical consciousness and practice in late Imperial Russia assembles the building blocks for a fundamental reconceptualization of Russian history and history writing *Mykhailo Hrushevsky* Lubomyr Roman Wynar, 1988 The Cossack Myth Serhii Plokhyy, 2012-07-26 The fascinating story of The History of the Rus one of the most influential historical texts of the modern era *Russia, Ukraine, and the Breakup of the Soviet Union* Roman Szporluk, 2020-02-24 This book chronicles the final two decades in the history of the Soviet Union and presents a story that is often lost in the standard interpretations of the collapse of communism in Eastern Europe and the USSR Although there were numerous reasons for the collapse of communism it did not happen as it may have seemed to some overnight Indeed says Roman Szporluk the root causes go back even earlier than 1917 To understand why the USSR broke up the way it did it is necessary to understand the relationship between the two most important nations of the USSR Russia and Ukraine during the Soviet period and before as well as the parallel but interrelated processes of nation formation in both states Szporluk details a number of often overlooked factors leading to the USSR's fall how the processes of Russian identity formation were not completed by the time of the communist takeover in 1917 the unification of Ukraine in 1939 1945 and the Soviet period failing to find a resolution of the question of Russian Ukrainian relations The present day conflict in the Caucasus he asserts is a sign that the problems of Russian identity remain Biographical Dictionary of Central and Eastern Europe in the Twentieth Century Wojciech Roszkowski, Jan Kofman, 2016-07-08 Drawing on newly accessible archives as well as memoirs and other sources this biographical dictionary documents the lives of some two thousand notable figures in twentieth century

Central and Eastern Europe A unique compendium of information that is not currently available in any other single resource the dictionary provides concise profiles of the region s most important historical and cultural actors from Ivo Andric to King Zog Coverage includes Albania Belarus the Czech and Slovak Republics Hungary Estonia Latvia Lithuania Poland Romania and Moldova Ukraine and the countries that made up Yugoslavia Living the Independence Dream: Ukraine and Ukrainians in Contemporary Socio-Political Context Lada Kolomiyets,2024-09-03 For many Ukrainians 1991 was a crucial point when their long held dream of independence came true The image of the future life in independent Ukraine was then almost identical to folklore images of Ukraine as the land of milk and honey Living the Independence Dream takes a multi dimensional look at the period of regained independence as a time of advancement towards the realization of collective dreams shaping the post Soviet nation even through everyday disappointments anxiety and uncertainty The collection features personal accounts of several generations of Ukrainians who found themselves displaced by political upheavals in foreign lands as well as the voices of recently displaced people who left the Donbas or other regions of Ukraine following the outbreak of the Russian aggression It revisits the legacy of Soviet dissidents and explores the ideologies of Ukrainian language revival and the ways that memory and language construct Ukrainian identity and generate vital energy amidst war The collection Living the Independence Dream aims to analyze the agency of contemporary Ukrainian people and the role of media literature and digital folklore in creating new messages meanings and values formed during the Independence decades

Encyclopedia of Ukraine Volodymyr Kubijovyc,1988-12-15 The appearance of Volume II of the Encyclopedia of Ukraine makes the second stage of a major publishing project Based on twenty five years research by more than 100 scholars from around the world the encyclopedia provides the most essential information about Ukraine and its people history geography economy and cultural heritage Volume II contains entries beginning with the letters G to K among them numerous biographies of historical figures and people currently living in and outside of Soviet Ukraine Included are some 600 illustrations maps and statistical tables The five volumes of the Encyclopedia of Ukraine will constitute a comprehensive guide to the life and culture of Ukrainians and reflect the manifold relations of Ukrainians with their neighbours and with their non Ukrainian environments in the various countries to which they immigrated *Borotbism: A Chapter in the History of the Ukrainian Revolution* Ivan Maistrenko,2018-10-31 Much has been written on the 1917 1920 revolution in Ukraine on the national movement the Makhnovists and the Bolsheviks Yet there were others with a mass following whose role has faded from history books One such party was the Borotbisty the heirs of the mass Ukrainian Party of Socialist Revolutionaries an independent party seeking to achieve national liberation and social emancipation Though widely known in revolutionary Europe in their day the Borotbisty were decimated during the Stalinist holocaust in Ukraine Out of print for over half a century this lost text by Ivan Maistrenko the last survivor of the Borotbisty provides a unique account on this party and its historical role Part memoir and part history this is a thought provoking book which challenges previous approaches to the

revolution and shows how events in Ukraine decided the fate not only of the Russian Revolution but the upheavals in Europe at the time

Ukraine and Russia Serhii Plokhy, 2008-04-05 The question of where Russian history ends and Ukrainian history begins has not yet received a satisfactory answer Generations of historians referred to Kyiv the capital of Ukraine as the starting point of the Muscovite dynasty the Russian state and ultimately the Russian nation However the history of Kyiv and that of the Scythians of the Northern Black Sea region have also been claimed by Ukrainian historians and are now regarded as integral parts of the history of Ukraine If these are actually the beginnings of Ukrainian history when does Russian history start In Ukraine and Russia Serhii Plokhy discusses many questions fundamental to the formation of modern Russian and Ukrainian historical identity He investigates the critical role of history in the development of modern national identities and offers historical and cultural insight into the current state of relations between the two nations Plokhy shows how history has been constructed used and misused in order to justify the existence of imperial and modern national projects and how those projects have influenced the interpretation of history in Russia and Ukraine This book makes important assertions not only about the conflicts and negotiations inherent to opposing historiographic traditions but about ways of overcoming the limitations imposed by those traditions

Freedom and Terror in the Donbas Hiroaki Kuromiya, 1998 This book discusses both the freedom of the Ukrainian Russian borderland of the Donbas and the terror it has suffered because of that freedom In a detailed panorama the book presents the tumultuous history of the steppe frontier land from its foundation as a modern coal and steel industrial center to the post Soviet present Wild and unmanageable this haven for fugitives posed a constant political challenge to Moscow and Kiev In light of new information gained from years of work in previously closed Soviet archives including the former KGB archives in the Donbas the book presents from a regional perspective new interpretations of critical events in modern Ukrainian and Russian history the Russian Revolution the famine of 1932-33 the Great Terror World War II collaboration the Holocaust and de Stalinization

Leopolis Scientifica. Exact Sciences in Lviv until the middle of the 20th century Oleh PETRUK, Yaroslav PRYTULA, Roman TARNAVSKYI, Oleksander SHYSHKA, Volodymyr KACHMAR, Maksym DUDKA, Yuriy HOLOVATCH, Renata SAMOTYJ, Halyna SVARNYK, Andrii ROVENCHAK, Yulian HONCHAR, Mariana KRASNYTSKA, Stepan APUNEVYCH, Bohdan NOVOSYADLYJ, Stepan SAVCHUK, Liubov YANKIV-VITKOVSKA, 2021-10-04 Lviv has a long scientific tradition The present book provides the panoramic overview of the development of exact sciences in the city from the beginning of scientific studies from the middle of the 17th century when the Lviv University was founded to World War II The history of Lviv scientific centers namely the Lviv University the Lviv Polytechnic and the Shevchenko Scientific Society is presented Other chapters are devoted to exact sciences i.e. mathematics physics and astronomy The book will appeal to wide audience interested in the history of Lviv the development of scientific knowledge and higher education in the city

Ukrainians in Canada Orest T. Martynowych, 1991-07-02 The history of Ukrainian immigration settlement and community building in Canada

Kiev

Michael F. Hamm, 2014-04-03 In a fascinating urban biography Michael Hamm tells the story of one of Europe's most diverse cities and its distinctive mix of Ukrainian Polish Russian and Jewish inhabitants A splendid urban center in medieval times Kiev became a major metropolis in late Imperial Russia and is now the capital of independent Ukraine After a concise account of Kiev's early history Hamm focuses on the city's dramatic growth in the nineteenth and early twentieth centuries The first historian to analyze how each of Kiev's ethnic groups contributed to the vitality of the city's culture he also examines the violent conflicts that developed among them In vivid detail he shows why Kiev came to be known for its abundance of revolutionaries and its anti-Semitic violence

Between Prometheus and Realpolitik Jan Jacek Bruski, 2016-12-05 The Treaty of Riga of March 1921 did not signify real peace It was soon followed by the outbreak of a Polish Soviet cold war which in the early 1920s threatened to reach a boiling point One of the salient fronts on which it was fought was Ukraine and the Ukrainian question The means by which it was waged first by Poland and subsequently more successfully by the Soviets was by attempts to stir up centrifugal tendencies on enemy territory leading eventually to the splitting up of the neighboring state along its national seams Polish Soviet rivalry over Ukraine had flared up at the Riga peace conference In the following years both antagonists struggled to win over the sympathies of Ukrainians living on either side of the frontier River Zbrucz Zbruch and dispersed in various migr centers and the weapons employed were propaganda diplomacy nationalities policy economic projects political subterfuge and armed irredentism Jan Jacek Bruski's book addresses the first very important phase of this Polish Soviet tussle

Ethnic Nationalism and the Fall of Empires Aviel Roshwald, 2002-01-04 Ethnic Nationalism and the Fall of Empires is a wide ranging comparative study of the origins of today's ethnic politics in East Central Europe the former Russian empire and the Middle East Centred on the First World War Era Ethnic Nationalism highlights the roles of historical contingency and the ordeal of total war in shaping the states and institutions that supplanted the great multinational empires after 1918 It explores how the fixing of new political boundaries and the complex interplay of nationalist elites and popular forces set in motion bitter ethnic conflicts and political disputes many of which are still with us today Topics discussed include the disintegration of the Austro-Hungarian empire the ethnic dimension of the Russian Revolution and Soviet state building Nationality issues in the late Ottoman empire the origins of Arab nationalism ethnic politics in zones of military occupation the construction of Czechoslovak and Yugoslav identities Ethnic Nationalism is an invaluable survey of the origins of twentieth century ethnic politics It is essential reading for those interested in the politics of ethnicity and nationalism in modern European and Middle Eastern history
