[Undeniable Faith](#) Cassandra Leigh, 2025-05-06 *Undeniable Faith* is a true story of faith in God and the miracles that he can do for you if you give him half the chance I trusted God with my life at an early age and throughout my life I came back to him for he was the constant friend I came running to help me navigate the lies and deception of my family of birth and the abuse I endured at the hands of relatives long before I was a teenager compounding the mistakes by running from my past No one knew the hurt I carried privately for many years as I was a young girl in public school trying to survive adolescence like any other student during the eighties being bullied and name called by classmates for no reason at all As I grew and gained freedom I thought I was free from the constant input of my sister and my family but was I The monster that plagued my mind chased me for years and continued to chase me until my God set me free These horrific memories almost destroyed my life and my relationships until God healed me and set me free Join me in the journey of my life love and the healing that can only come from God

series Behind the Scenes is just what the title means behind all the frontage you've seen and read concerning her life. The process to her freedom was a journey in itself. Many dead end roads she faced. The U turns she had to make. The traffic signs pointing her in the right direction. Speed signs changing her pace to victory. The different methods of transportation to her destiny. The one way streets she took alone to recovery. Stopping along the way for repairs by Jesus. Under construction the entire process by the Holy Spirit. All of her steps ordered by her Father Jehovah. Meeting many strangers, angels, tutors, teachers, and guides as she traveled this sometimes tedious and lonely road. Many do not enter signs on her road to obedience. No parking signs indicating this isn't a rest stop to keep moving. Even with all the winding roads, delays in her process. In Behind the Scenes you will see how she reached her wealth in God, her prosperity in life, health in her body, and wholeness in her mind. You are something for the Books. You had a rough life but look at you now. Beautiful just Beautiful. You are a good person. I am honored to know you. Joan Sherman Kenner Louisiana Girl. OMG look at you. You look great considering all you have gone through. You should know what you want and don't want with all your life experiences. Amazing remarkable woman so glad to know you. The Dark Side of Teaching Tonya Harris-Weaver, 2010-11. This book is about my life as a teacher and the unethical procedure followed by the Polk County School Board to try to end my teaching career. The Educational Code of Ethics was not used as a guide line regarding my termination. I was fired twice without warning or notice. I e-mailed the governor the first time for reinstatement. After being reinstated I was fired again. When I asked why was I fired? The principal looked at me with a smile and said "Reflect back." Well, what was there to reflect back on when mostly all of my children scored high on their state and national reading test? This book deals with the emotional stress of teachers and what they encounter on a daily basis in the school system. Why is it that not all of our teachers' voices are being heard? Some parts of the book talk about mission and vision, the little Principals, How to avoid pitfalls of teaching, How to become an effective teacher and steps you can take if you are terminated, The emotional stress of the student with/without disabilities in learning, Why are our children failing state and national test but making A B
