**Myra Waldo's Restaurant Guide to New York City and Vicinity** Myra Waldo, 1980      Food Mobilities Daniel E. Bender, Simone Cinotto, 2023-11-30 Bringing together multidisciplinary scholars from the growing discipline of food studies Food Mobilities examines food provisioning and the food cultures of the world historically and in contemporary times The collection offers a range of fascinating case studies including explorations of Italian food in colonial Ethiopia traditional Cornish pasties in Mexico migrant community gardeners in Toronto and beer all around the world In exploring the origins of the contemporary global food system and how we cook and eat today Food Mobilities uncovers the local and global circulation of food ingredients cooks commodities labour and knowledge      **The Sixties** Arthur Marwick, 2011-09-28 If the World Wars defined the first half of the twentieth century the sixties defined the second half acting as the pivot on which modern times have turned From popular music to individual liberties the tastes and convictions of the Western world are indelibly stamped with the impact of this tumultuous decade Framing the sixties as a period stretching from 1958 to 1974 Arthur Marwick argues that this long decade ushered in nothing less than a cultural revolution one that raged most clearly in the United States Britain France and Italy Marwick recaptures the events and movements that shaped life as we know it the rise of a youth subculture across the West the sit ins and marches of the civil rights movement Britain's surprising rise to leadership in fashion and music the emerging storm over Vietnam the Paris student uprising of 1968 the growing force of feminism and much more For some it was a golden age of liberation and political progress for others an era in which depravity was celebrated and the secure moral and social framework subverted The sixties was no short term era of ecstasy and excess On the contrary the decade set the cultural and social agenda for the rest of the century and left deep divisions still felt today      Library of Congress Name Headings with References Library of Congress, 1981      **Catalog of Copyright Entries.
