Myself Among Others:

Myself Among Others George Wein, Nate Chinen, 2009-02-18 No one has had a better seat in the house than George Wein. The legendary impresario has known the most celebrated figures of music in general and jazz in particular from Duke Ellington to Ella Fitzgerald to Miles Davis to Frank Sinatra. As a founder of the Newport Jazz Festival, the Newport Folk Festival, and the New Orleans Jazz and Heritage Festival, Wein has brought a dazzling spectrum of musicians to millions of fans, forever changing the musical landscape. In this highly praised memoir, Wein looks back on his life and career, describing his unforgettable relationships, sometimes smooth, sometimes tempestuous, with the great musicians he has known. From what really happened when Charlie Mingus visited the White House to how Miles Davis and the ensemble that would eventually record the greatest jazz album of all time, *Kind of Blue*, came together at Wein's Storyville nightclub to the day at Newport when Bob Dylan first went electric, here are the personalities and forces that have shaped the past half century of popular music.

Myself Among Others Ruth Gordon, 1971 Ruth Gordon has been an actress since 1915, and her renown and activity on screen and stage have never been greater than they are now. In her 75th year, she has also written successful plays and movies. She is a wife and mother, and she has attracted a staggering number of friends and admirers on two continents. Out of her experiences, and particularly out of her fantastic friendships, she has written an absolutely distinctive, irrepressibly bright, refreshingly vital, and utterly charming book. Since it is a kind of autobiography, Miss Gordon is inevitably the star, but she shares the lights with one of the most fascinating casts ever assembled. See back of jacket. She knows how to convey the essence of things as they were half a century ago and as they are right now in the theater and the movies in Boston and Hollywood, in London and New York, in shops and restaurants, in manners and morals, in the ways people feel, and the even more surprising ways they behave. Nobody is like Ruth Gordon, and no book is quite like this one. Jacket flap.

Other Me Antonio Almas, 2021-03-26 And then it came the time for silence. It had to come one day because too many words disorders the mind. Too much talking exhausts your head, overwhelms your senses, and strays you from what's essential. I know that I attempted to run that I couldn't accept loneliness and the absence of noise. I struggled to keep myself among others, to be like them, to have lots of friends, to go to lots of parties and feel lots of joy, but that was not who I was. I was a tiny, quiet person who always wanted to be on their own, shut into their own world in silence, hidden inside their own brain. I never had the hang for being public, even though I had such ability for argumentation. When I first started in the political arts, I felt uncomfortable with all the lies, the need for constantly being under the sight of the people, under the scrutiny of others. I was never into being scrutinized. Not sure if it's for fear, although yes, I've always been afraid of everything, of being wimpy, of not being as good as the others. I always use others in a comparative way, after all, that's the way it is. We're always pointing out differences between ones and others, fighting to surpass the others instead of helping each other. In sum, a young one with inferiority complexes can only grow into an adult filled with insecurity who, besides their obstinacy for an independent life and paying

your own bills has left behind a few fragilities which apparently weren't so evident though equally serious as serious as those of who could not be in charge of building a solid stable life

Mythical Me Richella Parham, 2019-10-22 Do you ever find yourself stuck in the comparison trap Speaker and author Richella Parham knows what this feels like often finding herself admiring one person's achievements someone else's personality another's skills yet another's relationships or appearance While there are no easy answers Parham helps readers pick up practices that help us walk in the freedom of Christ with confidence in ourselves
