shared my testimony with only a few family members and friends Up until I had a strange dream that urged me to share with others the miracles I have seen in my life time and time again I promised God that I would share the Good News and my experiences after my problem got resolved but I never did up until the strange dream I had Although I didn t include every event that happened in my life since that time many of the cornerstone events have been included Just like anybody else I was searching for a better life but at the same time I was pretty negligent I didn t pay much attention to how and when positive things occurred in my life Instead I spent my time complaining when things didn t work my way I lived this way for years up until 2008 when I decided to tune up my life and change my attitude *Zion's Herald* ,1899 Wiersbe Bible Commentary OT Warren W.
