H. Gifford,2020-09-28 By the present treatise which includes in its design the Demonstration of the Gospel I purpose to show the nature of Christianity to those who know not what it means and here with prayers I dedicate this work to thee Theodotus most excellent of Bishops a man beloved of God and holy in the hope of so gaining from thee the help of thy devout intercessions on my behalf whereby thou mayest give me great assistance in my proposed argument on the teaching of the Gospel But first of all it is well to define clearly what this word Gospel means to express It is this then that brings good tidings to all men of the advent of the highest and greatest blessings which having been long since foretold have recently shone forth on all mankind a Gospel which makes not provision for undiscerning wealth nor for this petty and much suffering life nor for anything belonging to the body and corruption but for the blessings which are dear and congenial to souls possessing an intelligent nature and on which the interests of their bodies also depend and follow them like a shadow Now the chief of these blessings must be religion not that which is falsely so called and full of error but that which makes a true claim to the title and this consists in the looking up to Him who in very truth is both acknowledged to be and is the One and Only God and in the kindling of the life after God wherein friendship also with Him is engendered and this is followed by that thrice blessed end of God s true favour which coming from on high is dependent upon that better world and is thereto directed and terminates again therein What then can be more blessed than this excellent and all happy friendship with God Is not He both the dispenser and provider to all men of life and light and truth and all things good Does He not contain in

Himself the cause of the being and the life of all things To one then who has secured friendship with Him what more can be wanting What can he lack who has made the Creator of all true blessings his friend Or who can be superior to him who claims in the place of a father and a guardian the great President and absolute Monarch of the universe Nay it is not possible to mention anything in which he who draws near in disposition to God the absolute Monarch and through his intelligent piety has been deemed worthy of His all blessed friendship can fail to be happy alike in soul and body and all outward things It is then this good and saving friendship of men with God that the Word of God sent down from above like a ray of infinite light from the God of all goodness proclaims as good tidings to all men and urges them to come not from this or that place but from every part out of all nations to the God of the universe and to hasten and accept the gift with all eagerness of soul Greeks and Barbarians together men women and children both rich and poor wise and simple not deeming even slaves unworthy of His call For indeed their Father having constituted them all of one essence and nature rightly admitted them all to share in His one equal bounty bestowing the knowledge of Himself and friendship with Him upon all who were willing to hearken and who readily welcomed His grace [Eusebiou tou Pamphilou Euangelikēs proparaskeuēs logoi 15](#) Eusebius (of Caesarea, Bishop of Caesarea),1903 **The Lives of the Saints: Complete Edition** Reverend Alban Butler,Catholic Way Publishing,2015-03-19 THE LIVES OF THE SAINTS COMPLETE EDITION REVEREND ALBAN BUTLER One of the Greatest Catholic Classic Complete Edition 2 2 Million Words 1 458 Saint Biographies Includes 5 393 Active Linked Endnotes Includes an Active Index Table of Contents and Layered NCX Navigation Includes Illustrations by Gustave Dore Alban Butler was a Catholic priest in the 18th century who s still remembered today for his biographies of the Catholic Church s greatest figures Decades of work went into his seminal work The Lives of the Saints commonly referred to as Butler s Lives Hundreds of years later it is still the most comprehensive collection of biographies of saints and it is a must read for anyone interested in Christianity and the religion s history PUBLISHER CATHOLIC WAY PUBLISHING **Sacred Annals: Or, Researches Into the History and Religion of Mankind.
