## **Mysterious Messengers A Course On Hebrew Prophecy From Amos Onwards:**

*Misteriosos mensageiros - Curso de profecia hebraica* , *Mysterious Messengers* John Eaton,2013-05 This book sets out to see the Hebrew prophets with fresh wonder after the increasingly complex and often aris way in which they have been discussed by specialist biblical scholars It keeps in mind their relation to the religious intermediaries of other peoples to great proets of all times and to their own liturgical tradition **Prophecy and Hermeneutics** Christopher R. Seitz,2007-08 This original and fruitful approach to the study of the Prophets takes seriously the questions of both exegesis and hermeneutics **Prophecy and Apocalyptic** D. Brent Sandy,Daniel M. O'Hare,2007-11 A current and accessible guide to the literature on Old Testament prophecy *The Book of the Twelve* ,2020-08-10 This commentary written from a distinctively Pentecostal perspective is primarily for pastors lay persons and Bible students It is based upon the best scholarship written in popular language and communicates the meaning of the text with minimal technical distractions The authors offer a running exposition on the text and extended comments on matters of special signigance for Pentecostals They acknowledge and interact with alternative interpretations of individual passages This commentary also provides periodic opportunities for reflection upon and personal response to the biblical text *Your Daughters Will Prophesy* Lisa Marie Gring-Pemle,Martha Watson,2025-05-22 How nineteenth century women used the Bible to claim their voice on the moral questions of their day Caught between their identity as Christians and social norms that silenced them American women used scripture to claim moral and then rhetorical agency They reinterpreted familiar biblical passages recovered previously ignored stories about women and contested passages used to circumscribe women s activities By strategically adopting a rhetorical posture of dissent these women became prophetic voices in American society In *Your Daughters Will Prophesy* Lisa Marie Gring Pemble and Martha Watson analyze the argumentative resources four women Jarena Lee Sarah Moore Grimk Lucretia Coffin Mott and Frances Willard used to counter gendered restrictions and gain access to platform and pulpit catalyzing what became known as the woman s movement *Index to Jewish Periodicals* ,2002 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **The Message of Jonah** Rosemary Nixon,2024-04-02 The book of Jonah is likely the best known of the minor prophets and is often remembered for its oddity In this BST volume Rosemary Nixon moves beyond the amusing irony to show that this book reaches out and touches us where we are today exploring the depths of the book and helping us make connections with our view of God and his world **Reading the Old Testament** Lawrence Boadt,1984 Discusses the historical background to the Old Testament examines the writing of the individual books and describes the impact of archeology on Bible study **Prophets** Megan McKenna ,2014-07-30 **Deconstruction and Reconstruction in Yhwh's Universal Project** Louismary Ocha,2022-01-27 Taking its bearing from the mission statement in prophet Jeremiah s vocation narrative Jer 1 10 the book examines YHWH s events of deconstruction and reconstruction in Israel of the Old Testament Through the analysis of the six verbs namely pluck up pull

down demolish destroy build and plant the book gives a different dimension to the common impression that Jeremiah is a prophet of woes and laments thereby limiting his prophecies to only oracles of destruction hence total annihilation Rather it investigates Jeremiah's prophecies as flying with two wings oracles of judgement and oracles of salvation In other words the oracles are not only against the nations but also for the nations With the exile of the Israelites and their restoration to the land in view according to the book of Jeremiah YHWH continues His creative and restorative acts and depicts the divine full involvement and control of Israel's history In like manner the book portrays the abiding divine presence in the history of humankind in general Therefore Israel is only used to form a bridge of YHWH's concern for the nations hence the entire humanity As YHWH sets the history of Israel in motion so He performs for the rest of humanity The goal of which has always been for the good and salvation of humankind of which the culmination is in the person and advent of Jesus Christ **The**

**Hermeneutical Spiral** Grant R. Osborne, 2010-01-25 In this revised and expanded edition Grant Osborne provides seminary students and working pastors with the full set of tools they need to travel the hermeneutical spiral moving from sound exegesis to the development of biblical and systematic theologies and to the preparation of sound biblical sermons

*Heythrop Journal*, 1998 A select book list appears quarterly *Elenchus of Biblica* 1998 Robert Althann, 2002-12-31

**Recent Research on the Major Prophets** Alan J. Hauser, Schuyler Kaufman, 2008 Given the many new methods and approaches for interpreting biblical literature that have appeared in the past several decades it is hardly surprising that our understanding of the prophets Isaiah Jeremiah and Ezekiel has expanded and diversified at a rapid pace Historical critical understandings and perspectives have been challenged and often dramatically altered New approaches such as social scientific criticism rhetorical criticism feminist criticism reader response criticism literary analysis anthropological analysis structuralist criticism ideological criticism and deconstructionist criticism have both challenged old approaches and shed new light on the texts being studied In this volume Alan Hauser presents eleven articles each with an extensive bibliography that survey the variety and depth of recent and contemporary scholarship on these three prophets Five of them are new to this volume All are written by experts in each area of scholarship including Marvin Sweeney Paul Kim Roy Melugin Robert P Carroll Peter Diamond Katheryn Pfisterer Darr and Risa Levitt Kohn Hauser introduces the volume with a comprehensive summary and overview of the articles *American Book Publishing Record Cumulative* 1998 R R Bowker

Publishing, 1999-03 **The Psalms** J. H. Eaton, 2003-03-12 Remarkably enough there is a scarcity of modern commentaries on the Psalms for the more general reader though after the Gospels they are probably the most widely read part of the Bible No one is more qualified to write on the Psalms than John Eaton He is a distinguished Old Testament scholar and has spent a lifetime studying the Psalms This commentary is addressed to the wide readership There is a long and highly readable introduction giving a background to the Psalms then follow the 150 Psalms each in Eaton's translation He explains the background to the Psalms and their content in a way that makes them interesting and relevant to the present The discussion

of each psalm ends with a related Christian prayer either from the tradition or written by Eaton himself John Eaton is recognized as one of the world s leading experts on Psalms this commentary is the culmination of his life s work John Eaton lectured in Old Testament at the University of Birmingham until his retirement He is the author of many books especially on aspects of the Psalms     **AAR/SBL Annual Meeting Program** American Academy of Religion.
