Mysterious Football Team 3:

Phantom Football: Team Spirit Rob Childs, 2012-12-31 Who is the mysterious player turning up to practise with the Bradgate School football squad Flying down the wing ghosting past defenders the red headed newcomer seems to have the magic touch that can win games But why can't the team's shooting star play away from home A gripping tale of soccer and the supernatural from football maestro Rob Childs

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

Ike's Mystery Man Peter Shinkle, 2022-01-18 The Cold War The Lavender Scare and the Untold Story of Eisenhower's First National Security Advisor President Eisenhower's National Security Advisor Robert Bobby Cutler working alongside Ike and also the Dulles brothers at the CIA and State Department shaped US Cold War strategy in far more consequential ways than previously understood A lifelong Republican Cutler also served three Democratic presidents A charming raconteur he was a tight lipped loyalist who worked behind the scenes to get things done Cutler was in love with a man half his age naval intelligence officer and NSC staffer Skip Koons Cutler poured his emotions into a six volume diary and dozens of letters that have been hidden from history Steve Benedict who was White House security officer Cutler's friend and Koons' friend and former lover preserved Cutler's papers All three men served Eisenhower at a time when anyone suspected of sexual perversion i.e. homosexuality was banned from federal employment and vulnerable to security sweeps by the FBI This gripping account reveals in fascinating detail Cutler's intimate thoughts and feelings about US efforts to confront Soviet expansion and aggression while having to contend with the reality that tens of millions of people would die in a first nuclear strike and that a full nuclear exchange would likely lead to human extinction And Shinkle
