

A close-up photograph of a bird's nest. The nest is constructed from a dense, intricate web of brown twigs and branches, forming a cup-like structure. Inside the nest, a variety of colorful flowers and seashells are scattered. The flowers include bright yellow ones, a vibrant purple one, and several red and orange ones. The shells are mostly light-colored, with some showing darker patterns. A small, blue bird with a yellow patch on its chest is perched inside the nest, facing right. The background is filled with lush green foliage, creating a natural, forest-like setting. The text "FLOWERS AND COLORFUL" is overlaid in the center of the image in a bold, white, sans-serif font with a black outline.
