Murder, Manners, Mystery Peter C. Erb, 2007 Highlighting popular works by P D James Colin Dexter Ian Pears and Umberto Eco among others this is an intriguing examination of the treatment of religion in the genre of contemporary murder mystery novels The other central theme examined in this book is that of justice The narrative of any detective fiction novel depends on the murderer's ability to replace a crime with a convincingly constructed illusion of innocence and to

escape punishment by means of good manners Erb also looks in detail at the theme of retribution in detective fiction Can justice ever be anything more than retribution death without hope What satisfaction can be made for the loss of a human life How can a murderer ever fully confess a crime and experience thanksgiving in final release from the consequences
