Mystery Emmaus:

The Emmaus Mystery Carsten Peter Thiede, 2005-01-01 For centuries scholars have tried to work out where Emmaus was where in other words the risen Christ walked ate and revealed himself It is a crucial location in the map of Christian belief and one of the great missing links of Christian archaeology which has foxed excavators and biblical detectives for more than a millennium and a half Where is the true site of the astonishing event recorded by St Luke Three suggested sites have been put forward Emmaus Nicopolis which is too far from Jerusalem to fit the story and was a regional capital rather than a village Emmaus Aby Gosh which the Crusaders believed to be the true site but was not called Emmaus in the first century AD and must be ruled out Finally Emmaus El Qubeibe which was favored by the Franciscans as the true site after the 15th century but again was not called Emmaus in the first century The trail went cold long ago or so it seemed Now Thiede has produced his most dramatic find to date His work remains highly confidential and will cause a storm in the archaeological world when it is disclosed The lost site of Emmaus is rising once again from the soil Readers will be astonished by this extraordinary book

The Mystery of the Rosary Nathan Mitchell, 2012-04 The rosary has been nearly ubiquitous among Roman Catholics since its first appearance in Europe five centuries ago Why has this particular devotional object been so resilient especially in the face of Catholicism's reinvention in the Early Modern or Counter Reformation Era Nathan D Mitchell argues in lyric prose that to understand the rosary's adaptability it is essential to consider the changes Catholicism itself began to experience in the aftermath of the Reformation Unlike many other scholars of this period Mitchell argues that after the Reformation Catholicism actually became less retrenched and more open to change This innovation was especially evident in the sometimes subversive visual representations of sacred subjects and in new ways of perceiving the relation between Catholic devotion and the liturgy's ritual symbols The rosary played a crucial role not only in how Catholics gave flesh to their faith but in new ways of constructing their personal and collective identity

Ultimately Mitchell employs the history of the rosary as a lens through which to better understand early modern Catholic history

The Search For the Mysterious Second Adam Donald Craig Miller, 2023-06-14 First century Private Detective Jake Jezreel has been thrown into a confusing investigation Wealthy and well connected Pharisees have hired the detective to track down a mysterious character they claim is dangerous Their accusation stems from their assessment that the mystery man is forming an army of ravenous followers They believe that this rebel leader wants to overthrow the Jewish government Then in succession he and his army would topple the Roman strangle hold on Israel The Pharisees fear that such an insurrection would completely destabilize the country The Romans would counter attack with devastating consequences Jake must figure out a way to defuse this volatile situation before it blows up in his face And the heat in the investigative cauldron stoked by the religious leaders is boiling hotter and fierier Jake begins to realize that he has been swept up into the middle of a vicious blood vengeance against the rebel Jake is trapped in the middle It is quite apparent that the religious leaders are demanding that he must do their bidding no matter what the cost And Jake can feel their icy fingers clutching at him forcing him But Jake is shocked by another startling fact jumping out at him in the midst of his initial investigation Tangled up in all the twists and turns of his fact finding probe the detective uncovers a disturbing truth Flying in the face of everything he had ever been taught Jake unearths indisputable evidence that there was not just one Adam There were two There was a Second Adam How can he explain that to the religious leaders The religious leaders want results from their detective They are squeezing him hard to deliver the incriminating facts they salivate for How can Jake reveal all the

disturbing facts he has uncovered to the vengeful religious leaders He s discovered only good and marvelous evidence about the rebel And now the undeniable truth that there actually was a Second Adam What dire consequences will come crashing down upon Jake when he unloads his final report upon the religious leaders Only a shocking unimaginable conclusion can answer that fearsome question *The Mystery of Manna* Dan Merkur,2000 Moses told the Israelites that after eating manna they would see the glory of God And indeed they did Dan Merkur posits that this event was an initiation into a psychedelic mystery cult that induced spiritual visions through eating bread containing psychoactive fungus This practice he reveals was a continuation of an ancient tradition of visionary mysticism **Mysteries of the Bridechamber** Victoria

LePage,2007-11-12 Jesus was an initiate and adept of the ancient Judaic mysteries who strove to reinstate the tradition of the bridechamber sacrament in his time Shows that Jesus sought to establish equity of masculine and feminine in both spiritual practice and social traditions particularly in the sacrament of marriage Reinterprets Jesus key teachings in light of the ancient tradition of sacred consortship Reveals what happened to the gnostic heart of Christianity that Jesus embodied Jesus was a high initiate and master adept of the ancient Judaic mysteries who strove to free people from the dead hand of the ritualists He was trained in a dissident Jewish brotherhood that arose in Egypt before he was born which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem temple At the heart of this movement was a yogic based practice known in the apocrypha as the Gnosis of the Heart which espoused the union of both sexes in a secret initiatic teaching As a fearless social reformer Jesus wanted to restore the authority of the feminine principle including asserting the equality of man and woman in the social contract of marriage He reinstated in his own life the tradition of sacred consortship a rite known to early Church fathers as the bridechamber sacrament whereby the marriage of the masculine and feminine energies was effected This rite Victoria LePage suggests was the primary focus of Jesus teachings the very heart of his exhortations to love thy neighbor and the source of his healing power Mysteries of the Bridechamber explains how as a master adept of the Temple of Solomon Jesus derived these teachings directly from ancient Judaic mystery traditions revealing both a life story for Jesus that differs markedly from the version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of self initiation and transformation *Meditations on the Mysteries of Our*

Holy Faith Luis de la Puente,1854 **Singing in the Reign** Michael Patrick Barber,2001 Christians know the Psalms sing the Psalms and pray the Psalms more than any other book of the Bible Yet even as believers have grown more devoted to individual psalms they have lost the big picture the single sense that unites all the psalms as one coherent book Michael Barber is at the forefront of an emerging movement in biblical theology With this book he is recovering the narrative plot that was the common heritage of Jews and Christians in the ancient world Barber shows how King David serves as an example for the chosen people as they struggled in exile As David was rescued by the Lord so would Israel be restored as a kingdom for all ages This is the story of Christ as well whom Barber reveals as the new David And in Christ it is the story of

every Christian The Psalms bring us in our reading and in our prayer from suffering and pleading to glory triumph and praise Barber s analysis follows upon an extensive introduction by Scott Hahn Ph D detailing the historical cultural and theological background of the Psalter *Enter the Story* Ferder, Fran ,2014-04-10 In a delightful yet profound reading of the Scriptures Enter the Story opens up the central stories in the Bible and shows how they are alive in us These stories happen over and over again much like a great unfinished symphony in the lives of those of us who look to Scripture for inspiration In this sense the biblical stories are metaphors events that may have occurred long ago among biblical characters but also the same dramas great and small that happen to believers today every day Fran Ferder takes familiar stories from Scripture and shows us what the significant events or feasts in the great Christian story mean and how they continue to unfold in our lives in ways we do not expect These old stories are new stories Unfinished stories They are our stories And when we understand them they can transform our lives *The Resurrection of Jesus* Dale C. Allison, Jr.,2021-03-11 The earliest traditions around the narrative of Jesus resurrection are considered in this landmark work by Dale C Allison Jr drawing together the fruits of his decades of research into this issue at the very core of Christian identity Allison returns to the ancient sources and earliest traditions charting them alongside the development of faith in the resurrection in the early church and throughout Christian history Beginning with historical critical methodology that examines the empty tomb narratives and early confessions Allison moves on to consider the resurrection in parallel with other traditions and stories including Tibetan accounts of saintly figures being assumed into the light in the chapter Rainbow Body Finally Allison considers what might be said by way of results or conclusions on the topic of resurrection offering perspectives from both apologetic and sceptical viewpoints In his final section of modest results he considers scholarly approaches to the resurrection in light of human experience adding fresh nuance to a debate that has often been characterised in overly simplistic terms of it happened or it didn t

Mysterious Ways: The Death That He Died John Lindeck,2024-04-26 The crucifixion of Jesus was not the simple event we imagine All sorts of factors played a part including politics religious rivalry and the need to destroy what we cannot understand There are seeming inconsistencies in the Bible story such as what happened in the long period between when Judas left the Last Supper and when Jesus was arrested Common sense would suggest that Caiaphas would send his guards out as soon as he knew where Jesus was but he didn t Why not Many people were involved ranging from the star players such as Pilate and Judas Iscariot to the bit players such as Simon of Cyrene In this book each of these is given their chance to explain their role in their own words They can say what they really thought of what was going on The author finished writing his book with a far firmer conviction about the divinity of Jesus and how much his sacrifice cost him than when he started These stories have been used and appreciated by the author s own church and by friends who knew what he was doing They have been used as devotional readings for Holy Week in schools as dramatic readings in services for Bible studies and to help students with their studies They are also a good read and an effective way of introducing people to Jesus **Your**

Eucharistic Identity Gregory Pine, 2025-07-18 The Eucharist is no mere symbol It is the key to life More specifically it is the key to your very identity When we look carefully at the Blessed Sacrament under the signs of bread and wine we discover that we were made not simply to receive God to be nourished by his gifts or to draw close to him In fact we were made to become Him In Your Eucharistic Identity Father Gregory Pine shows that Christ through the Sacrament divinizes us in our whole being But the Eucharist is not magic We have to receive the gift of his Eucharistic presence and preparing for such a great banquet requires time work and attention To become like Christ we must be ready to be given to others in a free radical gift of love Father Pine's sacramental guide to the fullness of life at once thought provoking and practical ancient and new offers Christians a simple clear guide for their path

Legend of the True Cross in Text and Image Barbara Baert,2004-07-01 In the fourth century the idea arose that the Cross on which Christ was crucified had been found by Helena mother of Emperor Constantine Thus began a legend that would grow and flourish throughout the Middle Ages and cause the diffusion of countless splinters of holy wood And where there is wood there was once a tree Could it be that the Cross was made from that most noble species the Tree of Life So gathering characters along the way the legend evolved into a tale that stretches from the Creation to the End of Time A Heritage of Holy Wood is the first reconstruction of the iconographic and literary tradition of the Legend of the True Cross Its broad scope encompasses relic cults pilgrimages travellers tales and the Tree of Life and involves Church Fathers crusader kings Teutonic Knights and mendicant orders all of which influenced the legend s depiction from its earliest representation in manuscripts reliquaries and altarpieces to the great monumental cycles of the high Middle Ages If the holy wood was the medium of medieval memory A Heritage of Holy Wood reveals the growth rings of fifteen centuries of imagery
